# A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from bottles of Mother's Friend before our last

child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

## Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering, Mother's Friend equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

YRUP PEPSING

In almost every neighborhood there is some one whose life has been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who has been cured of chronic diarrhoea by the use of that medicine. Such persons make a point of 12 to 14 hours, and had to be placed under telling of it whenever opportunity offers, the influence of chloroform. I used three hoping that it may be the means of saving other lives. For sale by L. Taggart. apr

> W. M. Mayhew, Merton, Wis., says, "I consider One Minute Cough Cure a most wonderful medicine, quick and safe." It is the only harmless remedy that gives immediate results. It cures coughs, colds. croup, bronchitis, grippe, whooping-cough, pneumonia and all throat and lung diseases. Its early use prevents consump-tion. Children always like it and mothers endorse it. R. C. Dodson.

### The Best in The World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisments in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by
