Black Rain.

The first case of black rain which comes under review occurred at Grahamstown and the surrounding district in August, 1888, and it extended over an area of no less than 300 square miles, says Chambers' Journal. Since then there have happened several showers of a similar description, but less pronounced in their sable character. Other showers of black rain have been recorded in Ireland, one of which was felt over an area of 400 square miles.

No one seems to have microscopically examined the water which fell at Grahamstown, but it was noted that the liquid gradually cleared when placed in a suitable vessel, and a black precipitate fell from it. In the latter cases referred to the deposit has been carefully examined and was found to consist of microscopic organisms, which averaged about the twelve thousand five hundredth part of an inch in length, and which were identified with the same fungoid organisms that are responsible for blight in the plants which they infest and subsequently for smut, mildew and rust in wheat and barley.

The writer sums up his remarks thus: "Humidity is known to contribute largely to the copious production of fungi, and during protracted drought the regions affected thereby will remain comparatively bare of fungi, but during the seasons of frequent rain falls the production of a fungoid vegetation is largely increased."

St. Helena.

St. Helena is a great place for caves and hills. Both abound, particularly the latter. Geologically speaking, the island is largely, if not wholly, volcanic, and a lot of extinct craters are apparent. Some of the pinnacles have queer names, such as Lot's Wife, the Man and the Horse, the Asses' Ears, Holdfast Tom, Old Joan Point, Stone Top, etc.

The only inhabited place is Jamestown, which has a population of about 2,500. It lies in a deep valley surrounded by very high hills. It is not a particularly healthy place. Ladder hill is where the government house is situated. It is so called because of the almost precipitous ladderlike wooden stairs, by which its acclivity of 600 feet has to be scaled.

Nearly four miles inland from Jamestown is an isolated farmhouse, on an elevated plateau about 2,000 feet above the sea. This is Longwood, where Napoleon lived from 1815 until he died there, in 1821. The house is a long, low, whitewashed, fairly trim building, with extensive outhouses, some rather fine old trees and a good bit of decent farm land.

Black Coats.

An English clergyman, rather pompous of manner, according to Spare Moments, was fond of chatting with a witty chimney sweep. Once, when the minister returned from his summer holidays, he happened to meet his youthful acquaintance, who seemed to have been at work. "Where have you been?" asked the clergyman.

"Sweeping the chimneys at the vicarage," was the boy's answer. "How many chimneys are there, and how much do you get for each?" was the next question.

The sweep said there were 20 chimneys and that he was paid a shilling apiece. The clergyman, after thinking a moment, looked at the sweep in apparent astonishment. "You have earned a great deal of money in a little time," he remarked solemnly, wondering, probably, what the sooty fellow would reply.

"Yes," said the sweep, throwing his bag over his shoulder as he started away. "We who wear black coats get our money very easily!"

Poor Consolation.

The following story is told in "The Recollections of Sir Algernon West": One pouring wet night Lowe missed his umbrella from the cloakroom in the house of commons, where he had carefully put it away under the letter "L." He interrogated the custodian, Mr. Coe, who told him Sir E. Lytton had taken it. "I told him it was yours," he said, "and Sir Edward said that if he found that it was when he got home he would send it back in the morning."

Poison Ivy.

Bathing with alcohol will prevent injurious effects from poison ivy, or if the poison has taken effect, wetting the affected part with alcohol, to which sugar of lead has been added, until a milky appearance is obtained will give relief. The wash is poison and for external use only.

A Torturing Suggestion.

The doomed man shuddered. "There will be no music when I march to the scaffold?" he asked anxiously. "There reassured him. "There was a march played when I was married," he muttered. "I-I could not bear to be reminded of that!" - New York Press.

The Difference.

Willie - Pa, what's the difference between "insurance" and "assurance?" Pa - Well, the latter is what the agent has, and the former is what he tries to sell you. - Philadelphia Press.

The Voice of Envy.

Upson - They say Miss Muechash has rented a flat. Downes (one of the rejected) - Only rented? I heard she'd married him. - Kansas City Independent.

Same Rule.

Hewitt - Do you love your second wife as much as you did your first? Jewett - Just the same. I married sisters - same mother-in-law. - Town Topics.

ALL SORTS.

Spring is scattering her hits too much. Cleanse the liver, purify the blood, invigorate the body by using DeWitt's Little Early Risers. These famous little pills always act promptly. R. C. Dodson. Sly

As no one has went around the world on a clothes-wringer there is still a chance for the cranks. H. Clark, Chauncey, Ga., says DeWitt's Witch Hazel Salve cured him of piles that had afflicted him for twenty years. It is also a speedy cure for skin diseases. Beware of dangerous counterfeits. R. C. Dodson. Sly

Dewey now sees that he should have given more time to dining practice. "I think DeWitt's Little Early Risers are the best pills in the world," says W. E. Lake, Happy Creek, Va. They remove all obstructions of the liver and bowels, act quickly and never gripe. R. C. Dodson. Sly

Fighters still continue the habit of being in condition. Otto Korb, Grand Chancellor, K. P., Boonville, Ind., says, "DeWitt's Witch Hazel Salve soothes the most delicate skin and heals the most stubborn ulcer with certain and good results." Cures piles and skin diseases. Don't buy an imitation. R. C. Dodson. Sly

The Boers are making lots of work for bridge builders. J. I. Carson, Prothonotary, Washington, Pa., says, "I have found Kodol Dyspepsia Cure an excellent remedy in case of stomach trouble, and have derived great benefit from its use." It digests what you eat and can not fail to cure. R. C. Dodson. Sly

They all seem to know that it is lead in Kentucky. "No family can afford to be without One Minute Cough Cure. It will stop a cough and cure a cold quicker than any other medicine," writes C. W. Williams, Sterling Run, Pa. It cures croup, bronchitis and all throat and lung troubles and prevents consumption. Pleasant and harmless. R. C. Dodson. Sly

Better send a pusher to help along the warm wave. W. M. Mayhew, Merton, Wis., says, "I consider One Minute Cough Cure a most wonderful medicine, quick and safe." It is the only harmless remedy that gives immediate results. It cures coughs, colds, croup, bronchitis, gripe, whooping-cough, pneumonia and all throat and lung diseases. Its early use prevents consumption. Children always like it and mothers endorse it. R. C. Dodson. Sly

It's a long wait for the man with the hoe. W. H. Shipman, Beardsley, Minn., under oath, says he suffered from dyspepsia for twenty-five years. Doctors and dieting gave but little relief. Finally he used Kodol Dyspepsia Cure and now eats what he likes and as much as he wants, and he feels like a new man. It digests what you eat. R. C. Dodson. Sly

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I was taken very badly with flux and procured a bottle of this remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease. - J. W. Lynch, Dorr, W. Va. This remedy is sold by L. Taggart.

After it is over the Boers will be the uitlanders. The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the infliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by L. Taggart.

Even the coal is catching the European fever. An Epidemic of Whooping Cough. Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure. - JOHN E. CLIFFORD, Proprietor Norwood House, Norwood, N. Y. This remedy is for sale by L. Taggart.

Pine-apples are now in the market. A practice the American people are learning from our West Indian friends, now members of our political family, is to eat salt with pineapples. This is to counteract the disagreeable effect of an acid in the mind which makes the mouth and lips sore if it comes in contact with them. It is almost impossible to peel the fruit without disseminating this acid.
