COURT PROCLAMATION.

WHEREAS:—The Hon. CHAS. A. MAYER, President Judge and the Hon. JOHN McDONALD and J. C. BONHAM, Associate Judges of the Courts of Oyer and Terminer and General Jail Delivery, Quarter Sessions of the Orphan Court and Court of Common Pleas for the County of Cameron, have issued their precept hearing date the 28th day of April A. D. 1900, and to me directed for holding the Court of Oyer and Terminer, General Jail Delivery, Quarter Sessions of the Peace, Orphans Court and Court of Common Pleas, in the Borough of Emporium, Pa., on Monday, the 2nd day of July, 1900, at 2 o'clock, p. m., and to continue one week.

J. D. SWOPE, Sheriff.

Beechwood.

Plenty of work and good wages these days. Mr. John Neihart is rapidly recovering from his recent illness.

Miss Druce Evers is visiting relatives in Elk and McKean counties. Mr. Bush is rushing his bark job, but complains of the scarcity of men.

Mrs. S. Laird visited her daughter, Mrs. Broner, on Moore Hill, last week. Mr. David Kirkpatrick is spending a few days at home nursing a lame ankle.

Will J. Leavitt is spending a few days at New Bethlehem, the guest of his wife and relatives.

Mr. and Mrs. Ed. Reid of Mt. Jewett visited relatives here last week, returning home Friday.

With prosperity on every hand it ought to be easy to determine the result of our next election. Still, there are a few persons of the "old school type," who persist in talking free trade, free silver, and, eventually, another "free" panic.

The people of Beechwood were shocked, recently, to hear of the death of Mr. Able Andrus, of Canton, Pa. Mr. Andrus formerly made his home with his son, Jacob Andrus of this place. He was a man of upright character, honored and respected by all who knew him and the news of his sudden death has called forth expressions of sympathy, for the bereaved ones, from a host of friends.

Sinnemahoning.

G. B. Barclay and wife left on Monday for a two months' visit to the pacific coast.

Mrs. Alex. De Shelder and daughter are visiting friends in McKean county and New York State. They expect to be gone about six weeks.

The new railroad is the all absorbing topic here just now and is an assured fact. The right of way has nearly all been secured and grading is begun all along the line as far down as the Hanes farm.

A number of fishermen have been whipping the streams quite industriously during the past week in quest of black bass or any other specimen of the finny tribe that may see fit to show up, but the catches have been small thus far as it is yet a little too early for successful bass fishing.

It is reasonably safe to say that no town in the state has more bicycles in proportion to the population than has this little burg, and while most riders have due regard for the rights of pedestrians, there are a few who seem to think that people on foot ought to jump into the river or climb a tree while they ride gracefully by on "the best wheel made."

Pap Budget and Bro. Beldin took in the National Convention at Philadelphia last week and came home very much disgusted. They imagined the Liars Club, of this place, was entitled to distinguished recognition, but on presenting their credentials as delegates from their famous organization, were kindly but firmly informed that it wasn't that kind of a show, but at Kansas City they could secure a job where their talents would be in demand. Then they tried to work Doc Corbett in as a "dark horse," failing in this they bought their pockets full of peanuts and took their departure, declaring that "Bill and Teddy might get nominated the best way they could, blamed if we'll help 'em."

Joe.

Would Not Suffer so Again for Fifty Times Its Price. I awoke last night with a severe pain in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington county, Pa. This remedy is for sale by L. Taggart, Druggist, June.

There's no knowing what may happen, with the wire to Blagowestchensk down.

Notice.

We, the undersigned, do hereby agree to refund the money on a 50 cent bottle of Down's Elixir if it does not cure any cough, cold, croup, whooping cough or throat trouble. We also guarantee Down's Elixir to cure consumption, when used according to directions, or money back. A full dose on going to bed and small doses during the day will cure the most severe cold, and stop the most distressing cough. For sale by L. Taggart, and R. C. Dodson. 34-24

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S. Doty, Des Moines, Iowa. For sale by L. Taggart, Druggist, June.

ALL SORTS.

DeWitt's Little Early Risers are famous little pills for liver and bowel troubles. Never give. R. C. Dodson. 18-ly. Dogs will soon have their day.

One Minute Cough Cure is the only harmless remedy that produces immediate results. Try it. R. C. Dodson. 18-ly. Cuba is approaching the libre stage.

There are no better pills made than DeWitt's Little Early Risers. Always prompt and certain. R. C. Dodson. 18-ly. Now the merry mower sings a madrigal.

For burns, injuries, piles and skin diseases use DeWitt's Witch Hazel Salve. It is the original. Counterfeits may be offered. Use only DeWitt's. R. C. Dodson. 18-ly. The days will not stand much more stretching.

It has been demonstrated by experience that consumption can be prevented by the early use of One Minute Cough Cure. This is the favorite remedy for coughs, colds, croup, asthma, gripe and all throat and lung troubles. Cures quickly. R. C. Dodson. 18-ly. The currant pie is now numbered among current events.

A gentleman recently cured of dyspepsia gave the following appropriate of Burns' famous blessing: "Some have meat and can not eat, and some have none that want it; but we have meat and we can eat.—Kodol Dyspepsia Cure be thanked." This preparation will digest what you eat. It instantly relieves and radically cures indigestion and all stomach disorders. R. C. Dodson. 18-ly. China seems to be far from a wide-open country.

The law holds both maker and circulator of a counterfeit equally guilty. The dealer who sells you a dangerous counterfeit of DeWitt's Witch Hazel Salve risks your life to make a little larger profit. You cannot trust him. DeWitt's is the only genuine and original Witch Hazel Salve, a well known cure for piles and all skin diseases. See that your dealer gives you DeWitt's Salve. R. C. Dodson. 18-ly. These boxes are puzzling to the cross-road strategists.

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspeptics to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief. R. C. Dodson. 18-ly.

The Congressional "Record" continues to merrily discuss the issues. Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. I continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a fifty cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Babecek, Erie, Pa. For sale by L. Taggart, druggist, June.

No wonder there are spots on the sun since it never goes into the shade. Things are occurring every day that would make a prophet famous were he to draw public attention to them. The success of the prophet is in drawing public attention to a particular event.

Women suffering from female troubles and weakness, and from irregular or painful menses, ought not to lose hope if doctors cannot help them. Physicians are so busy with other diseases that they do not understand fully the peculiar ailments and the delicate organism of woman.

A Cure for Constipation.
