Will Leave Us. Mr. Burt Burrows and his estimable wife will leave Emporium in the very near future to reside at Instanter, where Mr. Burrows has accepted the position as manager in H. Schimmelfeng's store. During the eighteen years, or more, that Mr. Burrows has resided in this place he has been in the employ of Mr. Frank Shives and enjoys the confidence and esteem of our citizens, one and all of whom are sorry to have him leave us, yet are glad he has accepted a position of such importance. Our Instanter friends will gain as citizens a true gentleman and a most excellent lady. The Boxers' \$300 Organ. A few disgruntled, self-styled Reformers have secured an organ (?) in the Driftwood Gazette, after dickered for some time. We don't find fault with the proprietor of that establishment for selling his space to the reformers? but when men who prate about decency in politics, purity and who only know what else are ready, thus early in the campaign to handle the Pure Oil Company's boodle their cause must be desperate—for Lewis Emery, Jr. Yes, the same old game, the same old gang, the same dirty politics as well as unprincipled reformers (?) are at work to bleed Lewis Emery, Jr., (for their own pockets), as they did Jos. C. Sibley two years ago, and left the score of dupes "waiting and watching" for that promised "soap." They are waiting yet.

Democratic Convention.

The democrats of this county met in convention last Thursday and nominated F. X. Blumle for member of Assembly; C. Jay Goodnough for Prothonotary; Dr. S. S. Smith for Coroner and W. W. Dickinson for Jury Commissioner. The nomination of Mr. Blumle is an exceptionally strong one and will make a battle royal. Personally we have the highest regard for the gentleman and we regret that he has placed himself in such a position many of his friends cannot give him their support. Questions of the greatest importance to the citizens of this county must take first place in the minds of the voters. Republican principles are at stake and it is the duty of the Republican party to stand by its candidate, Mr. T. F. Moore, who is the equal of our good friend in every way. Mr. Emery, having no character as a Republican, has sent over to Titusville to have one made by the Courier. It looks as if it had M. N. Allen's trade mark on it in the very first line, which is this, "Mr. Emery, as is well known, has always been a Republican." He certainly has been considered by politicians of Mr. Allen's school to be as good a Republican as they have any use for. There is no doubt whatever that if all the Republicans in the county would conform their Republicanism to that of Mr. Emery and his associate bolters it would be very satisfactory to the latter. Mr. Emery is what might be called a political oscillator. He helps to nominate Republican candidates at the primaries and beat them at the general election. Of course he has been known to slip up at both elections, and history repeats.—Bradford Era.

A Pleasing Entertainment. The literary entertainment given at the court house last Monday evening, by Dr. Byron W. King, was of a very high order and attracted an audience composed of Emporium's best citizens. The Dr. was in his prime. From the moment he was introduced to the audience, by Hon. J. C. Johnson, until the last number he held the vast audience spell bound. We have listened to and been entertained many times by the learned gentleman, but we believe last Monday evening's program was his best effort and most satisfactory to our citizens. The entertainment was given under the auspices of the Young People's Society of the Baptist Church and netted a neat sum, tickets to the amount of \$100 being sold. Subscribe for the Press; only \$1.50 a year in advance. The Low Grade Division of the P. & E. R. R. will sell excursion tickets to Pittsburg, Oct. 3-10-17, on account of the Pittsburg Exposition. Fare from Driftwood, \$5.55; Falls Creek, \$4.00; Tickets good to return within four days. Hon. L. Rogers, the veteran editor and Republican leader of McKean county, predicts that Mr. Sibley will carry that county by one thousand majority and Mr. Emery will retire from the field. It commences to look as though Emery would not carry a single county in the district. If his election depends on Cameron county his name is "Dennis."

Pliable Newspapers. Few if any of the Fusion papers of the 27th Congressional district have an over regard for facts, but the Emporium Independent seems to have no regard for the truth when looking for Emery argument as will be seen by the following: "When casting about to see what is going on it looks rather funny that most of the pliable papers of the district are supporting Mr. Sibley." From facts discovered last Monday evening in Bradford the Driftwood Gazette is of the "pliable" kind and is supporting Mr. Emery. The Bradford Record is "pliable" enough to support Sibley for nomination and oppose him for election. If the editor of the Independent will truthfully name two "pliable" papers now supporting Mr. Sibley we will furnish him with a larger list of the pliable for Mr. Emery. Your bluff is called, old man; show your hand.—Smethport Miner.

Soldiers' and Sailors' Monument.

For many years it has been the desire of our citizens to erect a suitable monument to the heroes of the war of 1861-65, but up to the present time no organized effort had been made. On Tuesday, Sept. 26th, a number of citizens, from all sections of the county, met at the Warner House and formed themselves into a committee and elected J. F. Parsons, president; A. Chapman, secretary and Josiah Howard, treasurer. The committee will call upon all citizens of the county to assist them in the patriotic work. It is earnestly hoped that all will cheerfully contribute and help along the good work.
