GOVERNOR STONE DEFIES INSURGENT NEWSPAPER COMBINE

Governor Stone did not mince words in a speech made at West Chester, in which he scored the subsidized newspapers of Philadelphia and defied them.

"The Republican senators and members who will not support their caucus nominee can never vote for a Democrat for United States senator under any circumstances.

"DON'T THEY KNOW THAT THESE PAPERS WEAR EACH DAY THE LIVERY OF THEIR MASTER; THAT THE PEOPLE HAVE DISCOVERED THAT SIX OF THEM SPEAK ALIKE AS ONE VOICE UPON ALL POLITICAL QUESTIONS AND CANDIDATES?"

"DON'T EVERYBODY KNOW THAT THEY ARE SUBSIDIZED AND COWED THROUGH FEAR OF LOSING THEIR FULL ADVERTISEMENT AND THAT THEY HAVE NO COURAGE LEFT EXCEPT TO ABUSE, WILLY AND SLANDER THE POLITICAL OPPONENTS OF THEIR MASTER?"

A POLITICAL STRAW.

Not Encouraging For Mr. Bryan and His Followers. For the purpose of ascertaining the political make up of their "house" some of the employees of the firm of Marshall Field & Co.'s wholesale department in Chicago had a paper circulated the other day asking for signatures to the membership roll of a McKinley Commercial Men's club.

There are approximately 1,000 voters in the department. The paper was passed around with the consent of the management of the house, but with no coercion whatever to sign or not to sign, the test vote being purely an affair of the employees who wished to secure only voluntary expressions from among their number.

Table with 2 columns: Name, Percentage. For McKinley 851 (51.19%), For Bryan 814 (48.81%), McKimley's majority 702 (40.38%), Total vote 1365 (77.00%).

The harder the task the greater will be the result, the benefit and the honor. To doubt our power to accomplish it is to lose faith in the soundness and strength of our popular institutions.—William McKinley.

Rumors of Changes.

There are several rumors afloat in this city concerning important changes that will be made in the near future by the Pennsylvania Railroad Company.

One is to the effect that after January 1st, 1901, a change will occur in the pension plan of the Pennsylvania system, and that after that date all employees past the age of 60 years would be relieved, instead of 70 years, which was the age limit when the pension system first went into effect last spring.

If this rumor is correct many prominent railroad men in this city and other nearby towns will be forced to retire and in turn many promotions of younger men will necessarily have to be made. This rumor is causing quite a stir among the railroad employees.

Another rumor is to the effect that the directors of the Pennsylvania Railroad Company will shortly change the organization of the company and create additional officers. Owing to the recent additions made by acquiring new territory, the administrative duties have greatly increased and some officials now have more work than they can readily attend to.

There is a possibility of a change in the freight department and the moving of one of the chief officers from Philadelphia to New York city.—Harrisburg Telegraph.
