Possibly David B. actually thinks that Bryan hasn't the only dream book telling what Jefferson would do if he lived nowadays.

The Cuban delegates get \$10 a day until the convention adjourns. Of course, however, this has nothing to do with its prolongation.

Arkansas has passed a law requiring a man to take out a license before he can buy a drink. We thought Kansas took the cake but Arkansas goes her one better.

People who respect public decency will welcome the decision of the Supreme Court, which will operate to destroy the divorce mills that have been running for years in the western States. Hereafter, anyone wanting a divorce will have to sue for it at home.

Col. Bryan deplores the election of the Democratic mayor at St. Louis, and wishes that the Republicans had won by McKinley's majority of last year. Possibly Mr. Bryan will learn after a while, that whether he is running or not, makes a difference in the vote.

The country may be congratulated on the zeal with which the frauds at Manila are being run down and punished. Such things must be as long as men are what they are, but speedy punishment will make them few and far be-

Of course, President McKinley will see the Cuban delegates and anyone else who has anything of moment to talk to him about. Still. just now he is a good deal hurried in preparing for his western trip Grading is finished and can't give them as much time as he could if they came later.

Dear Sir: Postmaster Noyes, of Gardiner, Maine, says the Evans House there was painted with Devoe in '82, and again in '94—twelve years—and the paint was sound, though of course the color had faded.
