BRIEF MENTION.

The opening of the Pan-American is postponed until May 20th.

The grouping of Clinton, Elk, Cameron, Clarion and Forest counties into a Senatorial district would be a dandy—for a democrat.

The Supreme Court on Monday sustained Gov. Stone's action in cutting off by veto \$1,000,000 from the public school appropriation in 1898.

Marriage license was granted to Harry A. Wiley, of Sterling Run, and Miss Claudia D. Bell, of Dents Run, last Monday, a week, at Ridgway.

Passenger cars are now running on the Goodyear trains from Sinnamahoning to Wharton. This is a great convenience to the First Fork residents.

Two colored men have been arrested at Clearfield and it is claimed they are members of the gang of the light fingered gentry who operate in this section.

A serious freight wreck occurred at Tunnell Hill bridge below Sterling Run, last Friday morning. Twenty-two cars were wrecked and traffic tied up until evening. The Buffalo Flyer, east, was sent around via Ridgway and DuBois. No one injured at the wreck.

If this bill becomes a law and the work is prosecuted the results will undoubtedly be of great value to many interests in Pennsylvania, not only to those to whom the utilization of water power is necessary but also to the cities and municipalities which draw their water supply from the streams of the State.

The Bolivar Breeze very truly remarks that one good, every-day, plain plug of a man, who makes money and invests it in the town he lives in—who employs labor, keeps his buildings painted, and who can be relied on to help along any worthy public enterprise, is of more value to his town than a thousand loafers who only exist for the purpose of criticising the really useful citizen.

Mr. J. T. Rothrock, Forest Commissioner of Pennsylvania, has prepared a bill for the present Pennsylvania State Legislature to appropriate \$2,000 to the Hydrographic Division of the United States Geographical Survey for two years, beginning June 1st, 1901, for the purpose of gathering data and determining the volume and commercial value of the waters carried by the Delaware, Susquehanna and other important streams in the State. Under the provision of the bill the Geographical Survey is to do the work and pay half the expenses of the investigation.

The man who gets so narrow and cranky in his religious views that he thinks every person is going straight to hades who don't believe as he does, will be surprised at the number of people he will find in heaven, if he gets there himself. The true christian man or woman should be the happiest mortal on this mundane sphere, and they should enjoy life to its fullest extent, but some of them who think they are so good, and almost every other person so awfully bad, would deny a christian many of the joys of this life and make the religious life appear to be an entirely, gloomy, self-denying life. Some men carry their eccentric views into their own homes and force them on their children until the children are turned away from the religious path instead of into it. Parents should try to lead their children into paths of righteousness, but don't try to drive them; 'tis better to win them by living a sweet christian life daily. Long prayers at family worship and denial of innocent pleasures, have a tendency to drive from instead of drawing towards the christian life.—Kane Republican

ALFRED SPEER,

THE ORIGINAL

Port Grape Wine Producer in America. The first native wine sold and used in San Francisco and Sacramento was from Speer's Passaic, N. J., vineyards, was shipped around Cape Horn before there was any railroad to California, and are now being used by physicians and first families there as the richest and best wine to be had

The juice of the Portugal Port Wine grape grown in N. J. is thick and rich same as the juice of pears and other fruits grown here. From California pears you can squeeze water as from a sponge; so with all fruits grown in California; while those grown in New Jersey are solid in substance—less juicy but thick and richer. The New Jersey apples, for instance, make a cider that was always popular the world over. If you want a wine for sickness or for entertainments don't take cheap, watery wines but choose a first class old, full bodied, high grade wine from Speer's Passaic vineyards. Sold by Druggists.
