EDITORIAL MENTION.

There is nothing like a new baby to reform a woman politician.

Just think of Populist Pettigrew as a plutocratic railway manager!

Washington's murder mystery has resulted in an incredible confession that doesn't really confess anything at all.

If a closed season isn't soon proclaimed in the Philippines, there will be no rebels left to breed next year's game.

The New York Evening Post, the great mugwump sheet, has discovered that Tammany has been robbing the

How in the world will the Sultan be able to grind out his explanations now that he has abolished the typewriter

After being, for so long, a terror to the pedestrian, the bicyclist is now taking his turn at being terrorized-by the automobile.

A Kansas town has read the riot act to three families who have been indulging in the crime of playing billiards in their own houses. What next?

The powers have fallen back into their old habits of sending ultimatums to the Sultan. Some things get to be second nature.

Senator Morgan of Alabama says that Mr. Bryan stood with one foot on Demcracy and one in the mud. There is no doubt at all about the mud.

China's method of paying her old debts by contracting new ones is by no means new. Somebody robbed Peter to pay Paul a few centuries ago.

Mr. Bryan deplores the fact he will have a hard battle to keep his peculiar principles to the front in 1904, but the rest of the country, Democrats included, welcome the difficulty.

General Chaffee has been to work repairing General Waldersee's lacerated feelings to such good purpose that the Kaiser is meditating forgiving us alto-

The consensus of Republican opinion in regard so Mr. Babcock seems to be that he is suffering under a temporary aberration of intellect, but that he will convalesce if given time.

Wisconsin has attempted to impose an export tax on ice sent out of the state. It won't take the courts very long to slay this proposition when they get around to it.

Large deposits of natural soap have been found in Wyoming. Now the only thing needful is a towl mine, and Wyoming will be well qualified to get rid of her tramps.

Of course, Lipton has had lots of luck, but the chances are that it has been chiefly due to the fact that he didn't come up against the yankees until lately.

J. J. Hill says that the only way to make money in stocks is to buy them outright. That is to say, to make money on the street one must be rich enough not to need it.

The pension attorneys now send runners to meet the returning transports at San Francisco and pull the soldiers into their offices. Thus the pension roll grows.

What is the difference between Wall-Street brokers and green-goods men? Neither takes any advantage of any one except those who are trying to take advantage of somebody else.

Injunctions are necessary court weapons, but, all the same, that Kentucky Judge who enjoined the collection of union dues and strike assess ments, struck at the very foundation of free movement of the bowels next morn-civil liberty and gave an excellent ing. Continue the treatment next day weapon to the foes of legitimate court

ORDINANCE.

AN Ordinance providing for an increase of the indebtedness of the Borough of Emporium for the purpose of purchasing and erecting an elec-tric light plant.

trie light plant.

Whereas the qualified electors of the Borough of Emporium at an election duly held for that purpose on the 21st day of February 1901 authorized the Council of said borough to increase the indebtedness thereof in the sum of seven thousand dollars for the purpose of purchasing and erecting an Electric Light Plant. Therefore be it ordained:

Section 1.—The indebtedness of the Borough of Emporium be and is hereby increased in the sum of seven thousand dollars for the purpose of purchasing and erecting an electric light iplant for said borough.

purchasing and erecting an electric light iplant for said borough.

Section 2. - Coupon bonds to the amount of seven thousand dollars in the sum of one hundred dollars each shall be issued to bear interest at the rate of four per cent. per annum, payable semi-annually, said bonds to be payable in ten years from the date thereof and redeemable at any time after one year at the option of said borough and shall be sold for not less than par. Section 3.—An annual tax of four mills on the dollar upon all property in the Borough of Emporium subject to taxation for Borough purposes is hereby levied, to commence in the year 1901 and continue for ten years which shall be applied as fast as it accumulates to the payment of the interest on said bonds and the liquidation of the court of Quarter Sessions of Cameron county a statement as required by law before any of said bonds be issued.

Section 5.—This ordinance shall take effect as soon as it is unblished as prayided by law

Section 5.—This ordinance shall take effect as soon as it is published as provided by law. G. F. BALCOM, President.

ATTEST: C. JAY GOODNOUGH, Secretary. Approved May 15th, 1901. E. O. BARDWELL, Chief Burgess.

BEDARD THE TAILOR

When a man comes to us and says that So and so will make a suit for three dollars less, we usually ask him why he doesn't have So and so make it. The invariable answer is: "Well I like your work better." That's just the point, our work is better. It takes more time and earnest effort to make it better and the "extra" three dollars is the right price for the extra work.
