WALL PAPER!

We have as fine a stock of wall paper as can be found in this county. The designs are all this spring's styles and the prices we are offering these handsome prints at are wonderfully low. We are determined to dispose of this stock.

CARPETS AND MATTINGS.

It is time to replace that old carpet of yours with a new one. Our line of carpets is the most handsome we have ever had and are admired by all who have seen them. We have held the carpet trade of this county for a number of years and our low prices and fair treatment have been steadily making this store the most popular.

We also have a very pretty line of mattings.

LACE CURTAINS.

Although the spring season has been somewhat late this year, our sale of curtains has been large. We have some excellent values yet in stock. All wishing good curtains at a low price should call.

M. C. TULIS.

A Word of Encouragement.

It is indeed a pleasure to know that such a spirit of harmony and progress prevails regarding our town schools. Our excellent board, backed by a liberal, hearty, public sentiment, seem determined to keep our schools in the very front rank.

The unanimous and hearty re-election of Prof. Bastian as principal, at a quite substantial increase of salary, shows the high appreciation in which he and his laborious and efficient work are held by both board and people.

We are sure there will be an earnest effort to secure the most efficient force of teachers possible for the places yet to be filled.

It is very encouraging to all patrons to know that "upward" is the watchword in our schools—that "from good to better" is the constant aim.

The last year's work with its excellent commencement program, our new departures in the way of a summer normal and free night schools all conducted by Prof. Bastian, are strongest evidences of enthusiastic interest, efficiency and progress, and reflect high credit on all concerned. The cost of our schools is comparatively small to the community, but the gain is great and will be still greater.

The penalty for using a seine without having filed a bond is \$100.

Half of the fines, in case of conviction of violating any of the fish and game laws, goes to the informer.

To Bicycle Riders.

You will please take notice that you have no legal rights on the sidewalks of Emporium, and that owing to the arrogant manner of some of your numbers in assuming rights and privileges to which they have no title, and forcing women and children into the streets, you are hereby warned that you are liable to a fine for riding on the sidewalks and that the policemen of Emporium are instructed and ordered to enforce the law.

Masonic Chapter Work and Banquet.

Last Monday afternoon and evening Emporium Chapter, No. 227, H. R. A. C., enjoyed a special session for the purpose of confirming the Chapter degrees upon a class of four. The session convened at 3.30 p. m., and continued until evening. In addition to a large number of members from this county the occasion was made especially pleasant by the attendance of many Companions from neighboring Chapters, among the number we noted: G. F. Rhode, Ridgway; C. W. Arnold, C. A. Cole, N. R. Bard, L. J. Raznor, C. W. Catlin, C. R. Bard, F. B. Todd, R. J. Mott, J. V. Otto, W. J. McGranor, C. S. King, J. H. Williams, C. O. Layman, F. E. Rowley, of Arnold Chapter, Port Allegany, and Rev. Geo. H. Marsh, Kalamazoo, Mich. At six o'clock the work was called off for an hour and all were invited to enjoy a Banquet, prepared for the occasion by the ladies of Prebyterian church. It is needless to add that the elegant repast was hugely enjoyed and promptly despatched under the leadership of the Chapter's smallest (?) eaters, Roy Gleason, Walter Youthers, and E. C. Council. Returning to the Chapter rooms, greatly refreshed, the work was resumed and completed at a late hour, when the goat, that had been entertaining the small boys on the streets during the day and called in to assist upon this special occasion, was properly groomed and dismissed and shipped to F. E. Rowley's lumber camp.

For many years there has existed a very fraternal feeling between Arnold Chapter and Emporium Chapter and upon this occasion the visiting Port Allegany Companions took occasion to express their appreciation of the close relationship that exists. In a neat speech, Companion C. W. Catlin, presented Emporium Chapter, in behalf of Arnold Chapter, a beautiful silver water service, which was highly appreciated and accepted in the same spirit in which it was presented.

The occasion was one long to be remembered by those in attendance and was the largest assemblage of Masons held here in many years.

In addition to the resident members in attendance, the following out of town members were here to enjoy the pleasant treat: Ed. C. Council, Warren Dent, Dents Run; Roy Gleason, John Gleason, Walter Youthers, T. S. Patchell, S. P. Krider, Driftwood; Geo. B. Barclay, W. L. Barclay, J. Howley Baird, Chas. A. Council, Sinnamahoning; John E. Smith, J. H. Darren, Sterling Run; C. G. Minick, Ridgway.

Renovo's Fire Brick Plant.

The Lock Haven Express thus comments on a recent meeting of the fire brick company: An important meeting of the officers and directors of the West Branch fire brick company was held this week. The erection of the new plant on the site virtually selected some time ago is now fully decided upon and a charter will be applied for within a few weeks. The site selected for the new plant is about three-fourths of a mile from the mouth of Drury's run and not far from Renovo. The location was formerly the site of a saw mill. Manufacturers of fire brick machinery were on the ground this week and it is expected that the erection of the works will be commenced soon, in order that the works may be put in operation at as early a date as possible. The new company will have a great advantage in the fact that the works will be located such a short distance from the Philadelphia & Erie railroad. The plant the company proposes to erect will be fully as large as any of the fire brick works in Clinton county, and the capacity will be as great. The company is capitalized at \$160,000. C. F. Barclay, of Sinnamahoning, is the president, B. F. Geary, of Lock Haven, secretary and Josiah Howard, of Emporium, treasurer.

The erection of this new fire brick manufactory will give employment to a large number of hands and is another indication that Clinton county is becoming what the Express years ago predicted it would be, a great fire brick manufacturing centre. The West Branch company has 50 acres of land which is underlaid with as fine a quality of clay as can be found in the state. Other companies it is stated will soon be organized to erect fire brick plants in this section.

A MEMORABLE AND SUMPTUOUS EXPOSITION.

The Grand Biblical Spectacle—Solomon, His Temple, and the Queen of Sheba.

The Enquirer, The Commercial Tribune and other leading papers, both German and English, of Cincinnati, are prolific in their praises of this new and most impressive of all spectacles, which, at an expense that would seem fabulous, the enterprising manager of John Robinson's 10 Big Shows combined produce this year in connection with their myriad other attractions. There is no sense so vivid, so lasting and so conclusive as the sense of seeing, and however studiously we may search the Scriptures or other sacred history, the ideas that we may form and the impressions we may receive concerning the patriarchs and sages, and the scenes, incidents and events consequent to their time can be but fractionary and imperfect. To have reproduced those personages and events and have placed scenographic effect before you; to hear Solomon re-utter his wise and prophetic words; to see in person Sheba's illustrious Queen; and the pomp and circumstance of her surroundings; to view the great Temple of Solomon, not by description, but by actual inspection; to witness personally the sumptuous and resplendent festivals of the great Solomon's court—these are the inestimable privileges which the John Robinson 10 Big Combined Shows accords its patrons in connection with the great circus, the menagerie, and the royal Roman hippodrome. The spectacle of Solomon, His Temple, and the Queen of Sheba, will be exhibited at Emporium, Friday June 21.

McKinley Refuses to Serve a Third Term.

I regret that a suggestion of a third term has been made. I doubt whether I am called upon to give it notice. But there are now suggestions of the gravest importance before the Administration and the country, and their just consideration should not be prejudiced in the public mind by even the suspicion of the thought of a third term. In view therefore of the reiteration of the suggestion of it, I will say now, once for all, expressing a long settled conviction, that I not only am not and will not be a candidate for a third term, but would not accept a nomination for it if it was tendered me.

My only ambition is to serve through my second term to the acceptance of my countrymen, whose generous confidence I so deeply appreciate, and then with them to do my duty in the ranks of private citizenship.

—WILLIAM MCKINLEY,

Executive Mansion, Washington, June 10, 1901.
