4 US AFTERBATH

It makes the skin white and soft, removes pimples and blemishes and all eruptions from the person.

For the Head and Hair and Body.
The body and limbs of every child should be rubbed with 4 Us after every bath. Just enough dropped in the palm of the hand to rub over every part of the surface of a child, once a day will keep the skin soft and white, the pores free from getting clogged with impurity passing out from the system. A teaspoon full is sufficient to moisten the cuticle (skin covering) of a grown person. The effect is wonderful; pimples on the body and face are entirely removed by a few applications of the 4 Us.
