It makes the skin white and soft, removes pimples and dandruff and all eruptions from the person.

The body and limbs of every child should be rubbed with 4 Us after every bath. Just enough dropped in the palm of the hand to rub over every part of the surface of a child, once a day will keep the skin soft and white, the pores free from getting clogged with impurity passing out from the system. ### A YOUNG LADY'S LIFE SAVED.

At Panama, Columbia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.  
Dr. Chas. H. Utter, a prominent physician, of Panama, Columbia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by L. Taggart.

**A Cure for Cholera Infantum.**  
"Last May," says Mrs. Curtis Baker, of Bookwaver, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by L. Taggart.
