REPUBLICAN TICKET.

STATE.
Justice of the Supreme Court,
HON. WILLIAM P. POTTER.
State Treasurer,
HON. FRANK G. HARRIS.

COUNTY TICKET.

For Associate Judge,
GEORGE A. WALKER.
For County Treasurer,
WALTER YOTHERS.

The last Democratic State Convention passed, unanimously, a resolution that in case of a vacancy on the ticket such vacancy should be filled by a Democrat. The recent meeting of the state committee pulled off their candidate for State Treasurer and in his place took Hon. E. A. Coray, a disgruntled Republican, to the evident disgust of old time Democrats. A Democrat at our elbow says "that's one thing, and the next is to make Democrats vote for him, if we are to vote for a Republican I prefer a man of settled principle and shall vote for Harris, of Clearfield, our neighbor and a good man, too. Talk about Boss Quay! where will you see a more high-handed piece of machine politics in the face of the declaration of our State Convention. I'll not be bossed by McClure—Gordon—Pattison. Cameron county does not approve of the fusion slate and we are glad our state committee from this county refused to be a party to the deal." We hear similar expressions in other places and the vote Frank G. Harris will receive from honest Democrats will be large.

So far as we have been able to observe factional politics has never succeeded in accomplishing anything for the people except to engender bitterness and stimulate the industries of slander and detraction. Stalwart and Half-breed, Cameron and Anti-Cameron, Straightout and Independent, Quay and Anti-Quay, Regular and Insurgent, and the thousands of other political factions that rise and fall with the tide of events, have never made any substantial improvement in public affairs. And they never will. Factions are born of jealousy and revenge, of envy and hate. The only way to elevate the standard of political honesty and efficiency is to raise the average of public morals. That must be done by instilling into our youth higher ideals of duty. It cannot be done by exaggeration and misrepresentation. We are too prone to mistake prejudice for patriotism, and self-gratification for zeal for the public good.—Punxy. Spirit.

An esteemed correspondent whose address in Philipsburg, Pa., writes a postal to The Press conveying the astounding information that "Lead, Kindly Light" was written by Bishop John H. Newman, of President McKinley's own Methodist Episcopal Church, and not by Cardinal Newman, to whom credit has been so generally assigned. Anybody who ever yet had the pleasure of meeting the late Bishop Newman—whose name was not John H., but John P.—can readily imagine the merry smile with which he would have greeted the suggestion. Doubtless he would have said that he wished he had written the beautiful hymn. The facts are that in 1833 John

Henry Newman, then an Anglican clergyman, and afterwards a cardinal in the Catholic Church, was dangerously ill in Sicily. In June of that year, when he had sufficiently recovered, he left Palermo in an orange boat, which was becalmed for a whole week, and it was while the boat lay helpless and still that he wrote the hymn, "Lead, Kindly Light." Doubtless the close similarity of the names misled our subscriber, who gently reminds us that we "should be more careful in our statements."—Philadelphia Press.

Tot Causes Night Alarm.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infalible for Coughs, Colds, Throat and Lung troubles, 50c and \$1.00. Trial bottles free at L. Taggart's.

Many a man carries his total assets on his shirt front in the guise of a diamond pin.

A Fiendish Attack.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at L. Taggart's Drug Store.

A good hope is better than a bad possession.

Stricken With Paralysis.

Henderson Grimmett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man. Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by L. Taggart.

Letter to Alex McInnis, Jr.

Emporium, Pa.
Dear Sir: The annoyance caused by short measure in paints, that are sold by the "gallon," is worse than the loss by the shortage. Misled by the maker's representations as to how far a gallon will go, you buy too little of every sort, and must send for more in the midst of the work.

Besides, a short-measure man is, doubtless, also a cheater in other ways: his paint is likely to cover perhaps two-thirds as much as he says. This also you find out while the work is going on, and the painting must wait while you send for more.

Even this is not all, nor the worst. If it wears half as long as he says, you are lucky. You have the whole job to do again in a year or two; and perhaps your paint is not really good for that short time.

One law of lying is that liars lie most where it's hardest to catch 'em. Another is that a liar lies wherever he can.

Look out for short measure. It includes all the rest. Devote lead and zinc is full measure and pure and durable.

Yours truly,
F. W. DEVOE & Co.

A GREAT RAILWAY.

The Chicago, Milwaukee & St. Paul Railway Co. owns and operates 6,600 miles of thoroughly equipped railway. It operates its own Sleeping Cars and Dining Cars, and the service is first-class in every respect.

It traverses the best portion of the states of Illinois, Wisconsin, the Upper Peninsula of Michigan, Iowa, Missouri, Minnesota, South and North Dakota.

It runs electric lighted, steam-heated trains. It has the absolute block system. It uses all modern appliances for the comfort and safety of its patrons.

Its train employes are civil and obliging.

It tries to give each passenger "value received" for his money, and it asks every man, woman and child to buy tickets over the Chicago, Milwaukee & St. Paul Railway—for it is A Great Railway.

The track was cleared in time for the passenger train to make its regular trips.
