Hemlock Lumber Going Higher.

Local lumber dealers and contractors confirm the report published in the last issue of the American Lumberman in Chicago, which gives the situation of hemlock trade in Pennsylvania, as follows: "For years it has been prophesied that the beginning of the end of Pennsylvania hemlock was in sight. Just now it is manifest, for the first time in the history of the wood, that the supply of timber has become so far diminished and the remainder is held in such few and strong hands, that from this time forward there will be a decided restriction in the production of hemlock lumber in Pennsylvania. The United States Leather Company either owns or controls perhaps seventy-five per cent of the hemlock stumpage of the State."

Corning dealers say that in the past six months, hemlock lumber has been going up in price and there is every prospect for a further rise. Aside from the almost complete control over Pennsylvania hemlock, exercised by the United States Leather Company, the owners of forests are holding back their hemlock for fear of the total consumption of the forests. The trees are cut before they are half grown in many cases, because the lumber is in such demand. Even now, it is stated, it is cheaper to buy lumber from the South than from the Pennsylvania forests.

Depends on Advertising.

An observing writer notes that the self-made man of today starts with little means, but with a purpose to make a large success. Usually he makes some mistakes which depress him for a time, but he renews his experiences, and in most cases he learns that mercantile success depends on the sale of more goods, which means interesting more people through publicity. In other words, he depends on newspaper advertising.

THE CHARLESTON EXPOSITION.

Reduced Rates via the Pennsylvania Railroad.

During the continuance of the South Carolina Inter-State and West-Indian Exposition, to be held at Charleston, S. C., from December 1 to June 1, the Pennsylvania Railroad Company will sell excursion tickets to Charleston and return from all points on its line at reduced rates. These tickets will be sold daily from November 30 to May 31, and will be of two descriptions: Season tickets, bearing a final limit of June 3, 1902, and eleven day tickets, good to return within eleven days, including date of sale, but not good after June 3, 1902. These tickets will not be good to stop off en route. For rates and further particulars apply to Ticket Agents.

Pennsylvania Railroad Company will issue Clerical Orders for 1902.

The Pennsylvania Railroad Company announces that clerical orders will be issued for the year 1902 to ordained clergymen having regular charge of churches located on or near the line of its road.

Application blanks may be obtained of ticket agents, and same should reach the General Office by December 21, so that orders may be mailed December 31 to clergymen entitled to receive them. Orders will be issued only on individual application of clergymen when made on blanks furnished by the Company and certified to by one of its agents.

Buffalo, Rochester & Pittsburg Ry., Clerical Orders for 1902.

Clerical orders for the year 1902 will be issued by the Buffalo, Rochester & Pittsburg Railway Co., as in former years to ordained clergymen having regular charge of churches located on or near the line of its road. Application blanks will be furnished by ticket agents of the company and should be forwarded to the General Passenger Agent at Rochester, N. Y., as early as possible. No orders will be issued except on individual application of clergymen, made on blanks furnished by the company and certified to by one of its agents.

A Good Cough Medicine.

[From the Gazette, Toowoomba, Australia.]  
I find Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cough for the last two months, and it has effected a cure. I have great pleasure in recommending it—W. C. Wockner. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited, as was Mr. Wockner. This remedy is sold by L. Taggart.

He is happiest, be he king or peasant, who finds peace in his own home.

A. J. Snell wanted to attend a party, but was afraid to do so on account of pains in his stomach, which he feared would grow worse. He says, "I was telling my troubles to a lady friend, who said: Chamberlain's Colic, Cholera and Diarrhoea Remedy will put you in condition for the party." I bought a bottle and take pleasure in stating that two doses cured me and enabled me to have a good time at the party." Mr. Snell is a resident of Summer Hill, N. Y. This remedy is for sale by L. Taggart.

Home is where the great are often small, and the small are often great.

An Evangelist's Story.

"I suffered for years with a bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. R. C. Dodson.

One's own thistle field is dearer to him than his neighbor's garden of roses.

Saved His Life.

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure," writes H. C. Christenson, of Hayfield, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digests your food. Cures all stomach troubles. R. C. Dodson.

The smoke of a man's own house is better than the fire of another's.

Of Benefit to You.

D. S. Mitchell, Falford, Md., "During a long illness I was troubled with bed sores, was advised to try DeWitt's Witch Hazel Salve and did so with wonderful results. I was perfectly cured. It is the best salve on the market." Sure cure for piles, sores, burns. Beware of counterfeits. R. C. Dodson.

Better dry bread at home than roast meat abroad.

Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's retuse is corried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. R. C. Dodson.

Every bird likes its own nest best.

COUGHS AND COLDS IN CHILDREN

Recommendations of a Well Known Chicago Physician.  
I use and prescribe Chamberlain's Cough Remedy for almost all obstinate, constricted coughs, with direct results. I prescribe it to children of all ages. Am glad to recommend it to all in need and seeking relief from colds and coughs and bronchial affections. It is non-narcotic and safe in the hands of the most unprofessional. A universal panacea for all mankind.—Mrs. Mary R. Melendy, M. D., Ph. D., Chicago, Ill. This remedy is for sale by L. Taggart.

Travel abroad, but dwell at home.

To Get Rid of a Troublesome Corn.

First soak it in warm water to soften it, then pare it down as closely as possible without drawing the blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by L. Taggart.
