DEATH TO HAIR—ROOT AND BRANCH

New Discovery by the MISSES BELL.

A Trial Treatment FREE to Any One Afflicted with Hair on Face, Neck or Arms.

We have at last made the discovery which has baffled chemists and all others for centuries—that of absolutely destroying superfluous hair, root and branch, entirely and permanently, whether it be a mustache or growth on the neck, cheeks or arms, and that, too, without impairing in any way the finest or most sensitive skin.

The Misses Bell have thoroughly tested its efficacy and are desirous that the full merits of their treatment, to which they have given the descriptive name of "KILL-ALL-HAIR," shall be known to all afflicted. To this end a trial will be sent, free of charges, to any lady who will write for it, and say she saw the offer in this paper. Without a cent of cost you can see for yourselves what the discovery is; the evidence of your own senses will then convince you that the treatment, "KILL-ALL-HAIR," will rid you of one of the greatest drawbacks to perfect loveliness, the growth of superfluous hair on the face or neck of women.

Please understand that a personal demonstration of our treatment costs you nothing. A trial will be sent you free, which you can use yourself and prove our claims by sending two two-cent stamps for mailing.
