## Do You Want To Be Strong?

We Have Proof at Hand that Vinol is all that is Claimed For It.

A good many of us have to go "to the city" to get certain things. We will save our friends and customers the trouble of a trip, at least so far as buying Vinol is concerned. It is one of the greatest tonic rebuilders that has ever been brought to our attention. Large quantities of it are sold in all of the large cities of our state and elsewhere. Now we have been appointed sole agents for this place. Vinol is better than cod liver oil for everything for which this greasy mixture was prescribed.

The following from Chillicothe, Ohio, written by Mr. George Burgoon, who says: "My wife was very much run down in flesh and strength. Commenced taking VINOL and she felt the beneficial results of it before the first bottle was gone. She took four bottles in all and received wonderful benefit. Her strength returned and she gained materially in weight. I am happy to state that she is now in perfect health and we give VINOL the entire credit for this happy result."

Won't you please call on us and let us tell you how VINOL does good or let us send you a book that tells all about it. We sell Vinol under a guarantee that if it don't help you we will return your money.

## GOING TO THE PEOPLE

Republican gubernatorial Issue Being Disposed of by Ballot.

### ELKIN HAS A BIG LEAD

His Friends Count Delegates From Nine Counties Already Elected, and Make Confident Claims of a Big Majority in the State Convention.

(Special Correspondence.)  
Harrisburg, March 11.—The gubernatorial campaign is getting more interesting every day. Republicans of Pennsylvania are being treated to the experience of a candidate for governor appealing directly to the people before receiving the nomination of his party. Attorney General Elkin, whose candidacy has met with popular favor in a number of counties, announced last week that he wished to have the people of the commonwealth see and hear him and to pass judgment directly upon his candidacy. He remarked that what honors that have come to him in his home county of Indiana have resulted from his getting in touch with his neighbors and having them know and believe in him.

When it was found that former Lieutenant Governor Watres had registered as a candidate for governor in Blair county too late to allow his name to go on the ballots Mr. Elkin, who had been registered for some days, requested that the rules be waived and that Mr. Watres' name be printed on the ballot with his, so that the people might choose between them. Mr. Elkin has since accepted an invitation from the Republicans of the county to visit them before the primaries, and he will meet the Republicans of Altoona, Tyrone, Hollidaysburg and other parts of the county and discuss the issues with them.

### ELKIN'S BIG SHOWING.

Mr. Elkin has reason to be pleased with the result of the voting for delegates to the state convention. One of his admirers today arranged a list of the counties which have elected delegates to the gubernatorial convention and this is how he tabulated them: Counties for Elkin for governor—Berks, Bradford, Chester, Carbon, Jefferson, Snyder, Susquehanna, Indiana and Union—Total, NINE.

Counties for all other candidates for governor—NONE. In other words, every county which has elected delegates up to date has elected delegates who will vote for Elkin.

Widespread interest is taken in the canvass in Blair county, as this is the first county in which Mr. Watres, who is the only avowed competitor of Mr. Elkin, has consented to allow his name to go before the people. Direct appeals have been made to the Republicans of the county in behalf of each of the candidates and keen interest is manifested in the balloting, which takes place on Saturday next. On the same day the Republicans of Lancaster will elect delegates to the state convention and nominate candidates for the legislature. In this county a complete ticket has been placed in the field against the candidates of the regular organization leaders, who are under the marshalling of Secretary of the Commonwealth Griest, and a clean cut contest is under way.

### IN THE NORTHEAST.

Mr. Watres has had some unexpected reverses during the last week. His admirers had hoped to capture the delegates from Susquehanna and were counting upon their being instructed for him, but the primaries resulted in a victory for the supporters of Mr. Elkin by a good majority. Mr. Watres based his claims upon the fact that Susquehanna is a neighboring county to his own. He is also having trouble in the adjacent county of Luzerne, where Congressman Palmer, although a friend of Watres, desires to have the delegates to the state convention uninstructed, as many of Palmer's followers want to be with the winner at the state convention and they do not regard Watres as having any chance.

A frank statement from Congressman Connell, whose friends control the party organization in Lackawanna, in which Mr. Watres resides, was a disappointment to the Watres men. Mr. Connell stated that unless Mr. Watres agreed not to attempt to swing the Lackawanna delegates to any other candidate, and also agreed to support the successful nominee for governor and all the candidates for county offices, he would have to fight for the delegates from his home county. Mr. Elkin will leave Messrs. Connell and Watres to fight out this issue. Mr. Connell says he is for Mr. Elkin for governor, and that he will be nominated.

The most notable stalwart victory of the canvass was that won in Bradford county on Saturday last. This county has heretofore been an insurgent stronghold. The insurgents made a fierce campaign in favor of W. J. Young, the insurgent leader for congress, with the idea of capturing the delegates to the state convention. The regulars, under the leadership of Mall Lilley, their candidate for congress, won by over 1,200 majority. The regulars will elect all the delegates to the state convention, and they will be for John P. Elkin for governor.

The return of Israel W. Durham from Florida, and his announcement that he had no doubt of the nomination and election of Mr. Elkin for governor, disposed of the many rumors that Senator Quay was opposed to the can-
