Attorney General John P. Elkin Sweeping the State.

At Republican primaries held in this state last Saturday Mr. Elkin secured all but two delegates. In some counties there was no opposition whatever to Gen'l Elkin.

Franklin county was carried for Attorney General Elkin for Governor and for Representative Mahon for reelection to Congress.

Clearfield county was carried for Attorney General Elkin for Governor by an overwhelming vote.

Blair county, where was a clean-cut issue between Attorney General Elkin and former Lieutenant Governor Watres, each appealing directly to the Republican voters by speech and by letters, was carried by Mr. Elkin.

Lancaster county elected the entire delegation to the Republican State convention, recognizing the leadership of Secretary of the Commonwealth W. W. Grist.

Allegheny county elected four State delegates in the Seventh Representative district and five in the Eighth district, who will favor the nomination of Mr. Elkin for Governor.

Lebanon county will not hold Republican primaries until the 29th inst, but the Republican Committee of Lebanon county yesterday unanimously indorsed John P. Elkin for Governor.

Wayne county, with two delegates in the State convention, was carried for L. A. Watres. These are the first delegates elected for Watres in the gubernatorial canvass.

La Grippe Quickly Cured.

"In the winter of 1898 and 1899 I was taken down with a severe attack of what is called La Grippe," says F. L. Hewett, a prominent druggist of Winfield, Ill.

PENROSE IS INDORSED

Delaware County Heads Off For the Senator's Re-election.

LANCASTER FALLS INTO LINE

The Brilliant Young Philadelphian Not Making a Canvass, But Is Very Busy With Official Duties at Washington.

(Special Correspondence.)

Philadelphia, March 18.—As the Republican candidates for the next legislature are being placed in nomination throughout the state the sentiment of the Republican voters in favor of the re-election of Hon. Boies Penrose to the United States senate is being expressed through the delegates elected to the nominating conventions.

The latest county to thus go on record is Delaware. The county convention was held at Media last week and without a dissenting voice resolutions were adopted commending the public services of Senator Penrose and his close attention to the needs of his constituents, and cordially indorsing him for re-election.

"Resolved, That in view of the fact that the term of the Hon. Boies Penrose next expires, we indorse his candidacy for re-election, recognizing the fact that for two years his labors were exceptionally arduous, and in no instance has he been found wanting in attending to the needs of his constituency, and when the Dingley tariff measure was pending he was foremost in seeing that the local interests of this county were properly safeguarded."

Former State Chairman Thomas V. Cooper, who was nominated to succeed himself in the house of representatives, has made a statement for publication in which he declares his purpose to support Senator Penrose to succeed himself and says that he will go into every Republican caucus called for the organization of the legislature and for other party purposes, and that he will abide by the action of the majority in such caucuses.

SOLID LANCASTER DELEGATION.

Senator Stober and Representatives Frank B. McClain, W. H. Brosius, John G. Homsher and D. W. Graybill have just been renominated and Dr. K. H. K. Blough and W. X. Snader, new aspirants, complete the legislative ticket in Lancaster county. They were all nominated on Saturday last and are all certain to be elected, and they are all for Senator Penrose.

It is not improbable that there will be no Republican candidate in the field against Senator Penrose when the legislature meets in January next to elect his successor.

The junior senator is apparently not giving much attention to a canvass for re-election. He is kept very busy at Washington from Monday morning until Saturday of each week, and then he runs over to Philadelphia and his office is crowded with callers all Saturday afternoon, each with some petition or request requiring his attention at one of the departments at Washington during the following week.

LABOR LEADERS PLEASED.

As chairman of the committee on immigration Senator Penrose has just reported to the senate the Chinese exclusion bill, which is evidently satisfactory to the labor interests that sought Senator Penrose's aid in their efforts to block the scheme of the steamship agents and other corporation representatives that hoped to have the bars let down so that Chinese cheap labor might be permitted to enter this country without interference from the federal authorities.

CONFERENCE WITH DAIRYMEN.

During the last week Senator Penrose had a conference at Washington with representatives of farming and dairy interests in Pennsylvania, who want his co-operation in their efforts to pass the anti-oleomargarine bill, which will shortly come before the senate. Senator Penrose assured them he was heartily in favor of the legislation desired by the Pennsylvania dairymen and farmers and said they could count upon his active interest and enthusiastic support for the measure.

Senator Penrose has just been advised by the war department that the requisite instructions have been given to the engineers to begin at once the survey of the property in Lebanon county which is to be used for a district encampment for National Guardsmen of the New England states, Pennsylvania, New York, New Jersey, Indiana, Ohio and Michigan.

"I do not think the citizens of Pennsylvania generally appreciate the benefits that will come to our state through the establishment of this encampment," said Senator Penrose, in discussing this matter. "When the first encampment shall be held and they see 50,000 troops marshaled under Federal auspices they will realize what a great project this is. Many Pennsylvania industries will benefit financially through these encampments."
