EDITORIAL MENTION.

Colonel Bryan says he wants harmony, yes, such harmony as the Colonel shall dictate.

The Schools of Sorbeck, Austria, have adopted a singular fad, to teach every pupil to play chess.

Perhaps Hon. D. B. Hill thinks that Bryan's opposition to him is no worse than his support might be.

The many accounts of "annual dinners" make us wonder what kind of people they are who can get along on one dinner a year.

The names of the best Boer leaders reveal their French Huguenot descent: witness, Joubert, Cronje, De Wet and De la Rey.

Colleges in diplomatic law would become popular if Representative Adams' bill for the reform of the consular service passed.

Both Tarkington, novelist, is a candidate for political honors and for matrimony. And yet they call Roosevelt "the Strenuous one."

A Philadelphia store pays \$1,000 a day advertising in the local papers of that city alone, not counting the advertising in magazines of national circulation.

The "captains of industry" who sat at the table with Prince Henry represented the only order of nobility that this country recognizes, that of achievement.

When Colonel Bryan has put a quietus on the plutocratic Democrats of the East and Mr. Hill has done the same to the populist Democrats of the West what a fine country this will be.

Hereafter, when the American girl's father refuses to let her attend a certain party she can take some comfort in the fact that it is not so hard as having to give up a coronation, as Miss Roosevelt did.

President Roosevelt, in choosing Moody for his cabinet, a man with a two-syllabled name, has broken the "spell" that clung around Gage, Griggs, Long, Hay, Root, Shaw, Knox and Payne.

A cash girl in a dry-goods store at Sedalia, Mo., lit a match to search for a penny she had dropped, and before the flame was out it had destroyed \$100,000 worth of property.

New York has passed a bill which has banished those who butcher live pigeons under the guise of sport. New Jersey is considering a similar measure. The duty of the Trenton legislators is plain.

The prominent members of the Democratic National Committee, Mr. Bryan's receptiveness to the contrary notwithstanding, say that they have given him two chances to demonstrate his worth and that they are now on the lookout for another and a better demonstrator.

Lockjaw From Cobwebs. Cobwebs put on a cut lately gave a woman lockjaw. Millions know that the best thing to put on a cut is Bucklen's Arnica Salve, the infallible healer of Wounds, Ulcers, Sores, Skin Eruptions, Burns, Scalds and Piles. It cures or no pay. Only 25c at L. Taggart's drug store.

Would Smash the Club. If members of the "Hay Fever Association" would use Dr. King's New Discovery for Consumption, the club would go to pieces, for it always cures this malady.—and Asthma, the kind that baffles the doctors—it wholly drives from the system. Thousands of one-hopeless sufferers from Consumption, Pneumonia, Bronchitis owe their lives and health to it. It conquers Grip, saves little ones from Croup and Whooping Cough and is positively guaranteed for all Throat and Lung troubles. 50c, \$1.00. Trial bottles free at L. Taggart's.

Water wouldn't be so bad if it wasn't so wet.

Danger of Colds and La Grippe. The greatest danger from colds and la grippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventative of that dangerous malady. It will cure a cold or an attack of la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by L. Taggart.

All the world loves a lover, and laughs at him.

Nerves Like a Flat-Iron.

A woman who suffered for three years from nervous prostration says two bottles of Lichty's Celery Nerve Compound effected a complete cure. She hardly knows today whether she has nerves or not, as she never feels them. It is certainly a wonderful remedy. Sold by L. Taggart.

Shun liquors.

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucus, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace, J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." R. C. Dodson.

Do not reckon upon chance.

How to Cure the Grip.

Remain quietly at home and take Chamberlain's Cough Remedy as directed and a quick recovery is sure to follow. That remedy counteracts any tendency of the grip to result in pneumonia, which is really the only serious danger. Among the tens of thousands who have used it for the grip, not one case has ever been reported that did not recover. For sale by L. Taggart.

Take time to consider and then decide positively.

Pneumonia Can be Prevented.

This disease always results from a cold or an attack of the grippe and may be prevented by the timely use of Chamberlain's Cough Remedy. This remedy was extensively used during the epidemics of la grippe of the past few years, and not a single case has ever been reported that did not recover or that resulted in pneumonia, which shows it to be a certain preventative of that dangerous disease. For sale by L. Taggart.

It is a mighty mean man who is not delighted when annoyed by his baby.
