ALL SORTS.

Foley's Honey and Tar contains no opiates, and will not constipate like nearly all other cough medicines. Refuse substitutes. L. Taggart.

Matrimonial happiness does not need to go on dress parade.

Foley's Kidney Cure makes kidneys and bladder right. Don't delay taking. L. Taggart.

Any fool can swear and most fools do. Foley's Kidney Cure if taken in time affords security from all kidney and bladder diseases. L. Taggart.

Solomon advised the sluggard to go to the ant, but most of them visit the uncle.

The surest and safest remedy for kidney and bladder diseases is Foley's Kidney Cure. L. Taggart.

All actual heroes are essential men, and all all men possible heroes.

A Chattanooga Druggist's Statement.
Robt. J. Miller, Proprietor of the Read House Drug Store of Chattanooga, Tenn., writes: "There is more merit in Foley's Honey and Tar than in any other cough syrup. The calls for it multiply wonderfully and we sell more of it than all other cough syrups combined." L. Taggart.

If some men were as big as they feel there would be a shortage in the wool market.

Pneumonia is Robbed of Its Terrors.
By Foley's Honey and Tar. It stops the racking cough and heals and strengthens the lungs. If taken in time it will prevent an attack of pneumonia. Refuse substitutes. L. Taggart.

Moody is now busy practicing sailor tricks.

Dreadful Attack of Whooping Cough.
Mrs. Ellen Harrison, of 300 Park Ave., Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough, one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse substitutes. L. Taggart.

As fly-time approaches new flying machines increase.

Neglect Means Danger.
Don't neglect biliousness and constipation. Your health will suffer permanently if you do. DeWitt's Little Early Risers cure such cases. M. B. Smith, Butternut, Mich., says "DeWitt's Little Early Risers are the most satisfactory pills I ever took. Never gripe or cause nausea." R. C. Dodson.

Henry has gone, but the henneries are doing a rushing business.

Shot In His Left Leg.
For all kinds of sores, burns, bruises, or other wounds DeWitt's Witch Hazel Salve is a sure cure. Skin diseases yield to it at once. Never fails in cases of piles. Cooling and healing. None genuine but DeWitt's. Beware of counterfeits "I suffered for many years from a sore caused by a gun shot wound in my left leg," says A. S. Fuller, English, Ind. "It would not heal and gave me much trouble. I used all kinds of remedies to no purpose until I tried DeWitt's Witch Hazel Salve. A few boxes completely cured me." R. C. Dodson.

The denying department of the magnets is in full operation.

Saved Many A Time.
Don't neglect coughs and colds even if it is spring. Such cases often result seriously at this season just because people are careless. A dose of One Minute Cough Cure will remove all danger. Absolutely safe. Acts at once. Sure cure for coughs, colds, croup, grip, bronchitis, and other throat and lung troubles "I have used One Minute Cough Cure several years," says Postmaster C. O. Dawson, Barr, Ill. "It is the very best cough medicine on the market. It has saved me many a severe spell of sickness and I warmly recommend it. "The children's favorite." R. C. Dodson.

Quiet has settled upon the navy since the Prince Henry campaign.

Wants To Help Others.
"I had stomach trouble all my life," says Edw. Mehler, proprietor of the Union Bottling Works, Erie, Pa., "and tried all kinds of remedies, went to several doctors and spent considerable money trying to get a moment's peace. Finally I read of Kodol Dyspepsia Cure and have been taking it to my great satisfaction. I never found its equal for stomach trouble and gladly recommend it in hope that I may help other sufferers." Kodol Dyspepsia Cure cures all stomach troubles. You don't have to diet, Kodol Dyspepsia Cure digests what you eat. R. C. Dodson.

It is plain that Mississippi packets are not adapted for submarine feats.

Beauty And Strength
Are desirable. You are strong and vigorous, when your blood is pure. Many—nay most—women, fail to properly digest their food, and so become pale, sallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion, depart. Remedy this unpleasant evil, by eating nourishing food, and taking a small dose of Herbine after each meal, to digest what you have eaten. 50c at L. Taggart's.

Magic Color Pictures.

A glass of water and a sponge or brush act like a box of paints on the wonderful "Watergraphs," which will appear in next Sunday's Philadelphia Press. It's the cleverest novelty of the year. The pictures are printed apparently in black ink. You touch them with water, and in a second they become beautiful water color paintings. No skill is needed—Children can do it as well as grown folks. These "Watergraphs" are in addition to the mysterious magic pictures, which you rub over a blank space with a coin and a picture appears.

The great puzzle-man, Sam Loyd, is now on The Sunday Press staff of entertainers. He has a page each Sunday that will set you thinking and amuse you, too. Order next Sunday's Philadelphia Press of your newsdealer in advance. Then you'll be sure to get it.

Summerville School.

From Jeffersonian Democrat.
The pie social held at Summerville school house March 15th was a great success, there being \$19.10 realized out of the evening's entertainment. The social was under the auspices of the Summerville School Improvement Society. It may be necessary to explain the nature and object of this society, in order that the public may understand what is being done by it. In January Prof. Peterson organized what was named the Summerville School Improvement Society, the object of which was to improve the appearance of the rooms, to replenish the library, to improve the pupils in a literary way, and to improve the school in general. The society holds weekly meetings. One week is devoted to literary work and the next to business entirely. The first improvement made was to buy curtains for the school rooms. The earnings of the 15th are to be devoted entirely to books for the library. It is not intended the work shall stop here, but that the improvement of the school shall go steadily on until it attains the times and the needs of the town require. The boys and girls show great earnestness and business ability, and it only demonstrates what they can do when rightly guided and made to feel that they have responsibilities resting upon them. The work of the boys and girls shows they are interested and delighted in making themselves useful, and that they are in sympathy with the principal. We hope the citizens of Summerville will give Prof. Peterson their hearty support and sympathy in his efforts, for his work shows he is in earnestness in trying to build up the school. They cannot do better than follow the lead of the man who is in the place and able to do the work needed, if he gets the right kind of support. Prof. Peterson is very ambitious to have a higher course adopted and a high school established, and we feel that in this he deserves the earnest support of all the patrons. It may make a few dollars more tax, but what does that signify when compared to two or three years high school work added to every boy and girl's education?
