The average Emporium boy has the energy and seems to "get there."

A Good Team.
Jos. J. Lingle, Supt. of Emporium & Rich Valley R. R., was a business caller at the PRESS office this morning and swapped yarns with W. M. Lawler, who happened to call at the same time. It is a draw thus far between them.

Magic Color Pictures.
A glass of water and a sponge or brush act like a box of paints on the wonderful "Watergraphs," which will appear in next Sunday's Philadelphia Press. It's the cleverest novelty of the year. The pictures are printed apparently in black ink. You touch them with water, and in a second they become beautiful water color paintings. No skill is needed. Children can do it as well as grown folks. These "Watergraphs" are in addition to the mysterious magic pictures, which you rub over a blank space with a coin and a picture appears.

The great puzzle-man, Sam Loyd, is now on The Sunday Press staff of entertainers. He has a page each Sunday that will set you thinking and amuse you, too. Order next Sunday's Philadelphia Press of your newsdealer in advance. Then you'll be sure to get it.

A Doctor's Bad Plight.
"Two years ago, as a result of a severe cold, I lost my voice," writes Dr. M. L. Scarborough, of Hebron, Ohio, "then began an obstinate cough. Every remedy known to me as a practicing physician for 35 years, failed, and I daily grew worse. Being urged to try Dr. King's New Discovery for Consumption, Coughs and Colds, I found quick relief, and for the last ten days have felt better than for two years." Positively guaranteed for Throat and Lung troubles by L. Taggart.

Many a man's settled opinions are due to the fact that his wife settled them.

The Great Dismal Swamp
Of Virginia is a breeding ground of Malaria germs. So is low, wet or marshy ground everywhere. These germs cause weakness, chills and fever, aches in the bones and muscles, and may induce dangerous maladies. But Electric Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. "We tried many remedies for Malaria and Stomach and Liver troubles," writes John Charleston, of Byesville, O., but "but never found anything as good as Electric Bitters." Try them. Only 50c. L. Taggart guarantees satisfaction.

The boy who does not ask questions at five, will not be able to answer them at forty.

A Nearly Fatal Runaway.
Started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill., which defied doctors and all remedies for four years. Then Buckle's Arnica Salve cured him. Just as good for Boils, Burns, Bruises, Cuts, Corns, Scalds, Skin Eruptions and Piles. 25c at L. Taggart's drug store.

About 600,000 trees are annually planted by Swedish school children under the guidance of their teachers.

Wields A Sharp Ax.
Millions marvel at the multitude of maladies cut off by Dr. King's New Life Pills—the most distressing to Stomach, Liver and Bowel troubles—Dyspepsia, Loss of Appetite, Jaundice, Biliousness, Fever, Malaria, all fall before these wonder workers. 25c at L. Taggart's drug store.

All is not gold that shows up in a glittering mining prospectus.

Jangling Nerves.
Are you irritable? Do you sleep badly? Is it hard to concentrate your thoughts? Is your appetite poor? Do you feel tired, restless and despondent? Try Lichy's Celery Nerve Compound. It will do you more good than any thing you have ever tried. Sold by L. Taggart.

Keep your secret from your friends and your enemies will never get next to it.

Good for Rheumatism.
Last fall I was taken with a severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this remedy I was much better, and after using one bottle, was completely cured.—Sallie Harris, Salem, N. J. For sale by L. Taggart.

One who predicts thunder storms isn't necessarily a lightning calculator.

"A neighbor ran in with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy when my son was suffering with severe cramps and was given up as beyond hope by my regular physician, who stands high in his profession. After administering three doses of it, my son regained consciousness and recovered entirely within twenty-four hours," says Mrs. Mary Haller, of Mt. Crawford, Va. This Remedy is for sale by L. Taggart.

DOUBLED THE COLLECTION

A Scotchman's Scheme For Increasing the Church Contribution.
In a small town in England there is a rich congregation which is not characterized by lavish liberality. Time after time the minister had vainly appealed to his people to contribute more generously to the funds of the church. The members would indeed give something, but it was nearly always the smallest silver coin of the realm that was placed on the plate. A shrewd Scotchman who recently came to the place and joined the church was not long in noticing this state of affairs, and a remedy soon suggested itself to his practical mind.

"I'll tell you what," he said to one of the officials, "if you mak' me treasurer I'll engage to double the collection in three months."

His offer was promptly accepted, and, sure enough, the collections began to increase until by the time he had stated they were nearly twice as much as formerly.

"How have you managed it, Mr. Sandyman?" said the pastor to him one day.

"It's a great secret," returned the canny Scot, "but I'll tell you in confidence. The folk, I saw, mostly gave threepenny bits. Well, when I got the money every Sabbath morning I carefully picked out the sma' coins and put them by. Noo, as there's a limited number of threepenny pieces in a little place like this and as I have maist' o' them at present under lock and key, the folk maun give saxpences at least instead. See that's the way the collections are doubled."—Pearson's.

Diamond Cutters.
Speaking of women in the jewelry business, a diamond merchant said: "In other branches of the jewelry trade than diamond cutting women have made some unqualified successes. Not one of Eve's daughters, from royalty down, I should say, that isn't an artist in the wearing of diamonds. Many are well versed in the tricks of buying and selling them, while others give excellent satisfaction in polishing, setting them and preparing them for the market."

Kruger and the Queen's Ball.
The following letter was written by the private secretary of President Kruger of the Transvaal in reply to an invitation from Johannesburg to attend a ball given in 1891 in celebration of Queen Victoria's birthday:

"In reply to your favor of the 12th inst. requesting me to ask his honor, the state president, to consent to the making use of his name as patron on the occasion of a ball to be given at Johannesburg on the 29th inst., I have been instructed to inform you that whereas his honor considers a ball as Baa's service, for which reasons the Lord ordered Moses to kill all offenders, whereas such is consequently contrary to his honor's principles, his honor cannot consent to the misuse of his name in connection with such a ball."
