EDITORIAL MENTION.

Political partisanship untingered with good sense is apt to react.

The national debt is now \$997,732,332, this being the first time it has gone below the billion dollar mark in years.

Wealthy men have their uses. Libraries, art collections and other advantages are made possible by their generosity.

Musicians say that the permanence of ragtime in music is assured and, moreover, that it has always been known, Richard Wagner having been a past master of it.

It takes 16,000 new mail bags every year to keep up the supply used by the postoffice. The worn-out bags were sold last year for \$6,000 for the old leather, canvas, iron and brass in them.

The United States Court at Houston, Texas, decides that a boy who enlists in the army under age and against the consent of his parents is bound by military law and liable to punishment for desertion the same as if he were of age.

Henry Watterson, in searching for the lost chord which will, Orpheus-like, lead the errant Democrats back into the fold, struck the old string of "the man on horseback" which was worn to a frazzle in Grant's time without avail.

James R. Garfield, whom the President has just selected as Civil Service Commissioner, is a son of President James A. Garfield, and author of the recently repealed Ohio "corrupt practices" law requiring candidates to file sworn statements of campaign expenses.

Funston has been charged with violating the laws of civilized warfare in his capture of Aguinaldo by dressing some of his men as insurgents. He reports that the newspaper editors who make the charge know more about golf than war, where everything is lawful except using poison and violating a flag of truce.

Walks Without Crutches.

I was much afflicted with sciatica, writes Ed. C. Nud, Iowaville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons, all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00 at L. Taggart's.

The girl who hesitates may not be lost, but she is likely to become an old maid.

A VALUABLE MEDICINE.

For Coughs and Colds in Children. "I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Cayley. "It has been two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by L. Taggart.

WASHINGTON LETTER.

(From our Regular Correspondent.) Washington, April, 21st, 1902.

In the presence of three hundred representatives, some forty senators and galleries packed with men and women, but amid a silence as complete as it was dramatic, forty odd Republicans passed between Messrs. Payne and Tawney, acting as tellers, and then a mighty cheer burst from the Democratic side of the House of Representatives and the Democrats hastened forward to be counted on the motion to over-rule the decision of Mr. Sherman, Chairman of the Committee of the Whole. The cheer must have sounded like a wail in the ears of Mr. Payne, for in that brief moment he seemed to visibly age, his hands dropped to his sides and his head on his breast, while, in tones which were audible to the farthest corner of the chamber, Mr. Tawney continued the count until he announced the vote 171 to 130, and, for the first time in history, the Reed rules were overturned, precedent cast aside and the Cuban reciprocity bill, so earnestly championed by the President and on which the Republican leaders had staked all their prestige, had been weighted down with a free trade mill-stone which was calculated to sink it in the oblivion of a conference committee. Cuba's hopes of American generosity had been shattered.

It was late Friday afternoon when Representative Dalzell concluded the general debate on the Cuban reciprocity bill with a forceful and logical speech. Immediately, Judge Morris of Minnesota offered the amendment, previously offered in the Committee on Ways and Means by Mr. Tawney, and which provided for the removal of the duty on refined sugar. Mr. Payne promptly made the point of order that the amendment was not germane to the bill and the question was argued for hours, the Chairman finally deciding the point well taken. Tawney appealed from the decision of the chair and forty odd Republicans voted with the Democrats and overruled the chair's decision. The amendment was then promptly adopted, the bill reported to the House, and, on a ye and nay vote, the amendment was carried 199 to 105. The measure as amended passed by a vote of 247 to 52. The bill will reach the Senate early this week and will be referred immediately to the Committee on Relations with Cuba, of which Senator Platt of Connecticut is Chairman. As indicated by an interview published in these letters some weeks ago, Senator Platt strongly favors the object of the bill but there is reason to believe that when it is reported back to the Senate it will be shorn of its free trade amendment and of the time limit, while the rate of concession is likely to be raised to 25 per cent.

Speaking on this subject yesterday, Senator Bard, of California, told me he believed there was no chance for the bill in the Senate. Senator McMillan told me the same thing a few days before and it seems unlikely that, even if the friends of Cuba, in the Senate, succeed in passing the bill, amended as indicated, there will be any hope of its getting through the House. There was no expectation on the part of those Republicans, who voted with the Democrats to so hamper the measure, that the bill would eventually become a law as, were it to do so, it would prove more injurious to the beet sugar interests than would Cuban reciprocity. The action of the Democrats in voting unanimously for an amendment calculated to defeat the 20 per cent concession to Cuba, which they had previously pronounced a "20 per cent concession to their views" is as inexplicable as are the majority of the Democratic inconsistencies.

The Senate, last Wednesday, passed the Chinese Exclusion bill but not until it had been so amended as to be a virtual re-enactment of the Geary Law. The fear that some of the provisions of the new bill would be found to abrogate our treaty with China and so hamper the possibilities of trade with the Orient, at a time when the remarkable success of American manufacturing enterprises makes the acquisition and cultivation of new and extensive foreign markets imperative, was responsible for the action of the senators.

On Thursday Senator Lodge called up the bill providing for the temporary civil government of the Philippines but yielded to Senator Morgan of Alabama who, with characteristic energy, proceeded to deliver a 30,000 word speech on the Nicaragua canal, speaking for five consecutive hours. Whatever may prove to be the effect on Isthmian canal legislation, the effect of the Alabamian's oratory on the Senate was immediately apparent. Within ten minutes the Senate chamber was practically empty and so remained for the rest of the day. Today consideration of the Philippine bill will begin in earnest.

STATE AND COUNTY POLITICAL NOTES.

"You can quote me as saying that Mr. Elkin will not be nominated for Governor," is what Senator Quay is reported to have said to the newspaper men in Washington on Monday and all of them have quoted him to that effect. The statement was made in answer to an inquiry as to whether the declaration of certain State officials that they would "sink or swim" with the Attorney General would improve the latter's chances. Senator Quay is also reported to have made the same statement to Congressman Connell on Sunday night, when they had their conference, and when Mr. Connell informed the Senator that he would be a candidate for United States Senator to succeed Senator Penrose unless opposition to Elkin was withdrawn. Mr. Connell is satisfied that the Senator cannot be moved from his position.

Letter to Geo. Metzger, Jr.

Emporium, Pa. Dear Sir: How much gold do you sell in the course of a year, and how much pewter, how many 18 karat watches, how many filled cases?

No matter. A man may wear a gold-looking watch, or gold; it's nobody's business. The money he didn't pay you, he may have in the bank. Some women may wear pewter; and paste may be as good as a diamond.

Not so with paint. Poor paint lets property go to waste. Lead and oil is good for three years; but that is the end of its wholeness.

Zinc is as good for six years as lead for three. Lead and oil will keep out water three years; Devco lead and zinc six years—sixteen in favorable conditions.

Yours truly, F. W. Devco & Co. P. S.—Murry & Copper Smith sell our paint.

The braggart deceives no one but himself.

The Best Blood Purifier.

The blood is constantly being purified by the lungs, liver and kidneys. Keep these organs in a healthy condition and the bowels regular and you will have no need of a blood purifier. For this purpose there is nothing equal to Chamberlain's Stomach and Liver Tablets, one dose of them will do you more good than a dollar bottle of the best blood purifier. Price, 25 cents. Samples free at L. Taggart's drug store.

It takes a great man to comprehend himself.

This paper might be filled with items like the following, and every one be the absolute truth. I had rheumatism for years and tried almost everything, but got no permanent relief, until I used Chamberlain's Pain Balm, three bottles of which have cured me. It is the best medicine I ever used.—Philip E. Rhoads, Pennville, Mo. Pain Balm is for sale by L. Taggart.

Many a man must lose his all to find himself.

Save the Loved Ones!

Mrs. Mary A. Vliet, Newcastle, Colo., writes: "I believe Ballard's Horehound Syrup is superior to any other medicine, and will do all that is claimed for it, and it is so pleasant to take. My little girl wants to take it when she has no need for it." Ballard's Horehound Syrup is the great cure for all pulmonary ailments. 25c, 50c and \$1.00 at L. Taggart's.

No man fails of success who conquers himself.

Chronic Bronchitis Cured.

"For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper," writes Mr. Joseph Coffman, of Montmorenci, Ind. "I tried all remedies available, but with no success. Fortunately my employer suggested that I try Foley's Honey and Tar. Its effect was almost miraculous, and I am now cured of the disease. On my recommendation many people have used Foley's Honey and Tar, and always with satisfaction." L. Taggart.

The calls for it multiply wonderfully and we sell more of it than all other cough syrups combined." L. Taggart.

Dreadful Attack of Whooping Cough. Mrs. Ellen Harrison, of 300 Park Ave., Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough, one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse substitutes. L. Taggart.

None genuine but DeWitt's. Beware of counterfeits "I suffered for many years from a sore caused by a gun shot wound in my left leg," says A. S. Fuller, English, Ind. Liking leads to love and love to likeness.

Don't neglect coughs and colds even if it is spring. Such cases often result seriously at this season just because people are careless. A dose of One Minute Cough Cure will remove all danger. Absolutely safe. Acts at once. Sure cure for coughs, colds, croup, grip, bronchitis, and other throat and lung troubles "I have used One Minute Cough Cure several years," says Postmaster C. O. Dawson, Barr, Ill. "It is the very best cough medicine on the market. It has saved me many a severe spell of sickness and I warmly recommend it. "The children's favorite." R. C. Dodson.

Success is not salvation, but salvation is success.

Wants To Help Others.

"I had stomach trouble all my life," says Edw. Mehler, proprietor of the Union Bottling Works, Erie, Pa., "and tried all kinds of remedies, went to several doctors and spent considerable money trying to get a moment's peace. Finally I read of Kodol Dyspepsia Cure and have been taking it to my great satisfaction. I never found its equal for stomach trouble and gladly recommend it in hope that I may help other sufferers." Kodol Dyspepsia Cure cures all stomach troubles. You don't have to diet. Kodol Dyspepsia Cure digests what you eat. R. C. Dodson.

The great life is made up of greatness in littles.

The Best Cold Cure

Is one you can take without interruption to business. One that does not affect the head or hearing like the continued use of quinine. One that cures speedily and leaves you feeling fresh and clear-headed. Such a one is Krause's Cold Cure. Price 20c. Sold by L. Taggart.

Herbina Cures

Fever and Ague. A dose will usually stop a chill, a continuance always cures. Mrs. Wm. M. Strond, Midloian, Texas, May 31, 1899, writes: "We have used Herbina in our family for eight years, and found it the best medicine we have ever used, for la grippe, bilious fever, and malaria." 50c at L. Taggart's.

Beauty And Strength

Are desirable. You are strong and vigorous, when your blood is pure. Many—nay most—women, fail to properly digest their food, and so become pale, sallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion, depart. Remedy this unpleasant evil, by eating nourishing food, and taking a small dose of Herbina after each meal, to digest what you have eaten. 50c at L. Taggart's.

Sincerity is the best sermon against hypocrisy.

Neglect Means Danger.

Don't neglect biliousness and constipation. Your health will suffer permanently if you do. DeWitt's Little Early Risers cure such cases. M. B. Smith, Butternut, Mich., says "DeWitt's Little Early Risers are the most satisfactory pills I ever took. Never gripe or cause nausea." R. C. Dodson.

Magic Color Pictures.

A glass of water and a sponge or brush act like a box of paints on the wonderful "Watergraphs," which will appear in next Sunday's Philadelphia Press. It's the cleverest novelty of the year. The pictures are printed apparently in black ink. You touch them with water, and in a second they become beautiful water color paintings. No skill is needed—Children can do it as well as grown folks. These "Watergraphs" are in addition to the mysterious magic pictures, which you rub over a blank space with a coin and a picture appears.

The great puzzle-man, Sam Loyd, is now on The Sunday Press staff of entertainers. He has a page each Sunday that will set you thinking and amuse you, too. Order next Sunday's Philadelphia Press of your newsdealer in advance. Then you'll be sure to get it. tf

A NEW DEPARTURE.

The Chicago, Milwaukee & St. Paul Railway has recently put in service on its Pioneer Limited trains the largest and handsomest dining car ever built. It is 82 feet in length from tip to tip, and its body is 6 inches wider and higher than the usual dining car. It seats 38 people comfortably in movable chairs, and has a kitchen large enough to permit the working of six cooks which with six waiters and a conductor make up the crew. The dining cars heretofore in service did not provide sufficient space to properly care for the large number of patrons of the Pioneer, so that it became necessary to have a larger car. 8-3t

A MATTER OF HISTORY.
