**STATE AND COUNTY POLITICAL NOTES.**

It is said in Allegheny county that Senator Flinn is talking of again breaking into politics. Pittsburg Republicans say that Congressman Sibley will be groomed as a candidate to fight Elkin, and color is given the rumor because Sibley spent several hours with Quay in Washington recently.

The National Administration are after the Beef Trust and it is hoped they may be forced from their robbing position.

**WASHINGTON LETTER.**  
(From our Regular Correspondent.)  
Washington, April 28th, 1902.

While the Democratic wranglers are rending the air of the Senate chamber with their denunciations of Republican policy in the Philippines and the House of Representatives is devoting its labors to the regular appropriation bills, the Republican senators are quietly and industriously working out the solution of the Cuban reciprocity problem. On Friday the Committee on Relations with Cuba adopted that portion of the Teller resolution which calls for an investigation of the amount of Cuban sugar held by the American Sugar Refining Company. Senators Platt, Burnham and Teller will conduct the investigation which, in view of the fact that most of the desired information is in the possession of the War Department, will not, in the judgment of Senator Platt, occupy but a short period. In the meantime the Committee will devote its attention to framing a straight reciprocity bill as a substitute for the measure passed by the House.

A senator who stands very close to the administration told me Saturday he believed that a simple bill, authorizing the President to negotiate a reciprocity treaty on a basis of 25 per cent reduction, would be acceptable to a majority of the Senators. He further said that he did not believe that the Democrats in the House would dare to vote against such a bill because of the popular demand for relief for Cuba. I understand that Senator Gorman is expected to use his influence with the House Democrats to prevent such a suicidal course on their part. Resolutions passed by the Beet Sugar Manufacturers' Association of Michigan, condemning the House bill, and the statement made to the President one day last week by Mr. George H. Barbour of Michigan, who is prominently associated with the beet sugar interests of his state, that a reduction of 25 per cent in the Cuban Tariff would not injure the Michigan beet sugar industry have done much to strengthen the position of the pro-reciprocity Senators.

The State Department has practically completed its arrangements with the governments of Colombia and with Nicaragua and Costa Rica and they will be submitted to Congress immediately as the President is most anxious that something towards the promotion of an isthmian canal should be accomplished at this session. Mr. Roosevelt believes that the people desire to see prompt action in this matter and

that they will criticize the controlling party if such action is not taken. I understand that the amount to be paid to the interested governments is the same in both cases, namely, \$7,000,000. Should the Panama route be chosen the whole of this sum would be paid to Colombia and in the event of the Nicaraguan route being selected \$1,000,000 would go to Costa Rica and \$6,000,000 to Nicaragua. While an annual rental would be paid for either route, the amount would be practically nominal and would be more for the purpose of a continuous recognition of the sovereignty of the interested governments than a recompense for the use of the land.

The Philippine debate on the floor of the Senate has, so far, been entirely one-sided. During a portion of three sessions Senator Rawlins of Utah delivered a wearisome and monotonous presentation of the Democratic attitude. He was followed on Friday and Saturday by Senator Carmick of Tennessee, who succeeded in filling the chamber and affording much amusement to his friends and opponents, but his oratorical buffoonery and his slangy epigrams, while they amused for the time being, were not in keeping with the dignity of the Senate nor the importance of the subject and the Senator's personal attack upon General Funston was as seriously lacking in good taste as it was in justice. The Tillman style of oratory, which unfortunately seems to be growing more prevalent on the Democratic side of the chamber, is bound to detract from the influence of the Democratic party, for it is offensive to the common sense and good taste of the American people.

**Spring Ailment.**  
There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything, and a feeling that the whole body and mind needs toning up. The trouble is, that during winter, there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and by its tonic effect, fully restore the wasted tissues and give strength in place of weakness. 50c at L. Taggart's.

Honesty may be stamped on a man's face and yet leave a very wide margin.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness. L. Taggart.

No man can be more than half right; the other half is bound to be left.

**What is Foley's Kidney Cure.**  
Answer: It is made from a prescription of a leading Chicago physician, and one of the most eminent in the country. The ingredients are the purest that money can buy, and are scientifically combined to get their utmost value. L. Taggart.

About the freshest things to be found on a farm in summer are city boarders.

**A Lesson in Health.**  
Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. L. Taggart.

The heart made cold by adversity worms at the touch of sympathy.

**Dangerous if Neglected.**  
Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury De Witt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yankeetown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel, a few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. R. C. Dodson.

Hang on to your winter underclothing.

You never heard of any one using Foley's Honey and Tar and not being satisfied. L. Taggart.

Truly great men never remind you of their greatness.  
**Will Cure Consumption.**  
A. A. Herren, Finch, Ark., writes, "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." L. Taggart.

**A Spring Tonic.**  
Everybody needs a tonic in the spring, at this time the system craves a tonic. It is housecleaning time for your body. Lighty's Celery Nerve Compound will tone up your nerves, blood, kidneys and liver and fill you with health and energy. Sold by L. Taggart.

**Don't Start Wrong.**  
Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough cure medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly." R. C. Dodson.

A drop of ink is black, but it serves to enlighten many.

**Traveling is Dangerous.**  
Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hausen, locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure." L. Taggart.

Praise a man's wit and he will admire your judgment.

**The Spring Fever**  
Is a malady which no one can escape at this season of the year. The vitality is usually overtaken during the winter months, and spring finds the system all run down. The blood is thinned and impure. The kidneys and liver are inactive—resulting in a loss of energy and appetite, and a derangement of the nerves. Lighty's Celery Nerve Compound will purify your blood, tone up your nerves, and leave you feeling fresh and energetic. Sold by L. Taggart.

Many a man's settled opinions are due to the fact that his wife settled them.

**Wants Others to Know.**  
"I have used DeWitt's Little Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills. R. C. Dodson.

**LOWER RATE EXCURSION TO CALIFORNIA.**

During the coming summer frequent opportunities will be offered by the Chicago, Milwaukee & St. Paul Railway to visit California at the lowest round trip rates ever offered, with choice of routes from Chicago via Kansas City, Omaha or St. Paul, or going and returning via different routes. Electric lighted trains. Route of the Pioneer Limited. Famous Train of the world. Write for full information to F. A. Miller, General Passenger Agent, Chicago, 93t.

**A NEW DEPARTURE.**

The Chicago, Milwaukee & St. Paul Railway has recently put in service on its Pioneer Limited trains the largest and handsomest dining car ever built. It is 52 feet in length from tip to tip, and its body is 6 inches wider and higher than the usual dining car. It seats 36 people comfortably in movable chairs, and has a kitchen large enough to permit the working of six cooks which with six waiters and a conductor make up the crew. The dining cars heretofore in service did not provide sufficient space to properly care for the large number of patrons of the Pioneer, so that it became necessary to have a larger car. 83t.

**A MATTER OF HISTORY.**

The Chicago, Milwaukee & St. Paul Railway, popularly known as "The St. Paul Road," began the use of electricity for train lighting in 1888. In that and many ways it has been a pioneer in the adoption of comforts for the traveler. In building the world famous Pioneer Limited trains a mark was set in luxury and beauty of cars that has never been equaled, and probably never will be. 83t.

**Reduced Rates to the West.**

Commencing March 1st and daily thereafter, until April 30th, 1902, the Wisconsin Central Ry. will sell Settlers' tickets from Chicago to points in Montana, Idaho, Oregon, Washington, and British Columbia, at greatly reduced rates. For detailed information inquire of nearest Ticket Agent, or address W. H. Allen, 621 Park Building, Pittsburg, Pa., or Jas. C. Pond, Gen'l Passenger Agent, Milwaukee, Wis. 48-14t.

**SEVEN PRINCIPAL ROUTES.**

It is a well known fact that the C. M. & St. P. Ry. system offers a great many different routes between Chicago and St. Paul and Minneapolis. Its main line between these points is especially well known as the route over which runs the famous "Pioneer Limited" and the Government Fast Mail Train. There are six or seven other routes over a number of which are run through coaches and sleeping cars, which are almost as direct as the principal main line. These various routes traverse the most interesting and attractive sections of Illinois, Wisconsin, Iowa and Minnesota, including the celebrated "Lake Region" of Wisconsin, and cross the Wisconsin river at the famous "Dells," where is the most picturesque scenery in the Northwest.

The main line and several others include from 150 to 300 miles of romantic and picturesque scenery along the Mississippi river. On these various lines are located the most important towns and cities in the Northwest. Both one way and special excursion tickets between Chicago, St. Paul and Minneapolis are honored via any one of these direct lines.

The teachers attending the National Educational Convention at Minneapolis will appreciate and take advantage of this fact as they can have a choice of routes going and returning.

**A Detective Story by Frank H. Spearman.**

In the May McClure's Frank H. Spearman, whose railroad tales are the best ever written, tries his hand for the first time at a detective story. "A Night with Whispering Smith" is certainly an alluring title. Smith may not be a second Holmes, and he is at the further disadvantage of working in Chicago instead of London; but he does his trick creditably, with all the accessories of suspense, excitement, and a surprise party at the end in which reader and criminal are caught napping together.

A series which should have been named "The Enchantments of our Modern Aladdins," if considered solely from the point of view of romance, is begun in the May Cosmopolitan. But these sketches possess as well a business interest equally for clerk and capitalist, for manufacturer, farmer and merchant. The man who would understand the drift of our news in finance and business must read these lives, so full of incident, of chance, of hard labor and marvelous success. As it is, the series receives only the common-place name of "Captains of Industry." Each character is treated by a noted writer familiar with his subject.

**Pennsylvania Railroad Summer Excursion Tickets.**

To Colorado and Utah points tickets will be on sale during June, July, August and September good to return until October 31, 1902. Bott, District Passenger Agent, Room D, Park Building, Pittsburg, Pa. 0-3

The boy who does not ask questions at five, will not be able to answer them at forty.

**Holds up a Congressman.**

At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all-around medicine ever sold over a druggist's counter." Over worked, run-down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by L. Taggart.

**Cures When Doctors Fail.**

Mrs. Frank Chiasson, Patterson, La., writes June 8th, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine, 50c bottle at L. Taggart's.

The girl who tries to imitate a man is an idiot—but the imitation is often quite true to nature just the same.

**For Female Complaints**

And diseases arising from an impure state of the blood Lighty's Celery Nerve Compound is an invaluable specific. Sold by L. Taggart.

Give because you love to give—as the flower pours fourth its perfume.

**A Revelation.**

If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. L. Taggart.

There is just about the same real feeling when girls or billiard balls kiss each other.

Foley's Honey and Tar contains no opiates and can safely be given to children. L. Taggart.
