Secretary Root's Answer.

The plain, straight facts set forth in Secretary Root's recent answer to the Senate resolution show just what the Government's military policy in the Philippines has been and what it has not been—just what orders it has approved and what it has disapproved. The showing is made in original documents and does not depend on any statement. The Secretary offers little comment. He lets the documents speak for themselves, and they are decisive. In their presence no man who wants to know the truth can rest under a misunderstanding.

There was a guerrilla warfare in the two provinces of Batangas and Samar. General Bell commanded in the former, and the inquiry of the Senate was directed first to his orders. Their full text is given. General Bell recites minutely the kind of warfare the enemy were waging—their deceptions, their assassination of helpless prisoners, their use of poisoned weapons, their murder of friendly natives, their cruelties to unoffending persons and their violation in numerous ways of the laws and usages of war. For three years the American army had exercised the utmost forbearance, but patience had ceased to be a virtue. General Bell, therefore, announced in the order that for every prisoner or unarmed American or friendly native who was assassinated he would execute a prisoner of war, and that lesser offenses should be met in corresponding measure.—Philadelphia Press.

WASHINGTON LETTER.

(From our Regular Correspondent.)
Washington, May 12th., 1902.

The Philippine bill with variations is still the motif in elaboration of which the Democratic senators continue to chant their weary dirges to the infinite ennui of the Republicans and the country. During the past week Senator Tillman took occasion to deliver one of his characteristic harangues full of defiance to any senator who should care to challenge the right of South Carolina to disfranchise the negro, etc. The Republicans listened with amused tolerance while the Democrats, to their credit be it said, left the Senate chamber, evidently mortified at the vulgar extravagance of their colleague. On Thursday Senator Carmack indulged in his third speech on the subject and was guilty of personalities which caused Senator Hoar to call him to order but for which he subsequently apologized. No new light has been thrown on the subject but it is evident that the Democrats are determined to prolong the debate interminably. On Friday Senator Lodge attempted to have a day set for a vote on the bill but was opposed by Senator DuPois. The Senator from Massachusetts then gave notice that unless there were soon signs that the debate was being brought to a close he would insist that the Senate remain in session for longer hours each day. The speeches of Senators Lodge, Beveridge and McComas, made early in the week, were able refutations of the Democratic position. It is believed

by the Senator from Massachusetts that he will secure the passage of the bill about the first of the month.

The Committee on Relations with Cuba has about completed its investigations of the holdings of Cuban sugar by the Sugar Trust and has satisfied itself that the Trust will gain nothing by the passage of a reciprocal law governing Cuban trade with this country. Senator Platt tells me that he is confident that the Senate will pass the straight reciprocity bill which his committee will report. The rapidly increasing anxiety of the members of the House to adjourn is believed to augur well for the fate of the bill when it reaches that body.

On Friday the House passed the bill admitting Oklahoma, Arizona and New Mexico to statehood. The constitutional convention of New Mexico is empowered to change the name of the territory on its becoming a state if it so desires. The constitutional convention of Oklahoma is required to adopt a statute empowering the Federal government to attach to the new state any part or all of the Indian Territory, at such time as it may see fit. The passage of the bill was marked by a dramatic incident which threatened to prove a tragedy. Delegate Marcus A. Smith of Arizona, on concluding an impassioned speech in favor of the bill, fell to the floor with a slight stroke of apoplexy. He is now, however, considered out of danger. The strain under which Mr. Smith and his colleague, Mr. Rodey of New Mexico, have been working during the past week has been tremendous. Mr. Flynn, of Oklahoma, while he has worked equally hard does not show the same evidence of his protracted labors. All the delegates express the belief that the bill will be favorably acted upon by the Senate.

Friday afternoon in the House was devoted to clearing the pension calendar and Saturday to the eulogies of Representative Rufus K. Polk of Pennsylvania and the late Senator Kyle of South Dakota. To-day the District of Columbia will have the "call" but it is probable that the bill of Representative Adams, of Pennsylvania, which provides for the granting of passports to the residents of insular possessions of the United States will be passed. The Naval appropriation bill is expected to constitute the leading feature of this week's work in the House.

Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequence from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.—Jessie Pinkey Hall, Springfield, Ala. This remedy is for sale by L. Taggart.

Those can conquer who think they can.

Our Neighbor's Girl.

Parents of Children Can Learn Something Interesting Of Us.

If you have a boy or a girl you certainly want to see them thrive and develop into a healthy man or woman.

We can show you how you can give the little ones a tonic that will do them the greatest amount of good. We refer to VINOL, that we advocate so strongly in these days. This is the medicine we sell on a guarantee and are willing to refund the cost of it to anyone not satisfied with the way it acts.

VINOL is sold by the leading druggist in every large city. We are proud to say we are the representatives of VINOL in this town.

Here is a letter that will interest mothers and fathers:
"My little girl, four years old, has been taking VINOL with most excellent results. Before that she had no appetite or strength and was generally run down. She loved the taste of Vinol and it was not long before she began to improve in appetite and pick up in strength. She now is in excellent health. W. S. McCarty, Frazier St., Bangor, Maine."

Old Reliable Drug Store.

Don't Start Wrong.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly." R. C. Dodson.

Some men adore their wives because it is either that or starvation.

Traveling is Dangerous.

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hausen, locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure." L. Taggart.

The surgeon always makes his bill out according to the cut-rate schedule.

The Spring Fever

Is a malady which no one can escape at this season of the year. The vitality is usually overtaken during the winter months, and spring finds the system all run down. The blood is thinned and impure. The kidneys and liver are inactive—resulting in a loss of energy and appetite, and a derangement of the nerves. Lichty's Celery Nerve Compound will purify your blood, tone up your nerves, and leave you feeling fresh and energetic. Sold by L. Taggart.

Most physicians are first-class skin doctors—judging from the size of their bills.

Wants Others to Know.

"I have used DeWitt's Little Risers for constipation and torpid liver and they are all right. I am glad to indorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills. R. C. Dodson.

It is always the same with old maids and thermometers—thirty-two is the freezing point.

Holds up a Congressman.

At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all-around medicine ever sold over a druggist's counter." Overworked, run-down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by L. Taggart.

The man who can refrain from repeating the cute things his baby says has wonderful self-control.

Cures When Doctors Fail.

Mrs. Frank Chiasson, Patterson, La., writes June 8th, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine, 50c bottle at L. Taggart's.

Married men make better clerks than single ones; they are not in such a hurry to get home in the evening.

For Female Complaints

If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. L. Taggart.
