## Magic Color Pictures.

A glass of water and a sponge or brush act like a box of paints on the wonderful "Watergraphs," which will appear in next Sunday's Philadelphia Press. It's the cleverest novelty of the year. The pictures are printed apparently in black ink. You touch them with water, and in a second they become beautiful water color paintings. No skill is needed—Children can do it as well as grown folks. These "Watergraphs" are in addition to the mysterious magic pictures, which you rub over a blank space with a coin and a picture appears.

The great puzzle-man, Sam Loyd, is now on The Sunday Press staff of entertainers. He has a page each Sunday that will set you thinking and amuse you, too. Order next Sunday's Philadelphia Press of your newsdealer in advance. Then you'll be sure to get it.

Sciatic Rheumatism Cured After Fourteen Years of Suffering.

"I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by L. Taggart.

If you can't solve the problem of life, go to your druggist—he can always give you some kind of a solution.

Reveals a Great Secret.

It is often asked how such startling cures, that puzzle the best physicians, are effected by Dr. King's New Discovery for Consumption. Here's the secret. It cuts out the phlegm and germ-infected mucus, and lets the life-giving oxygen enrich and vitalize the blood. It heals the inflamed, cough-worn throat and lungs. Hard colds and stubborn coughs soon yield to Dr. King's New Discovery, the most infallible remedy for all Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at L. Taggart's.

It is always a great consolation to the widow when the insurance more than covers the loss.

Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such hold of me that I could scarcely go," writes Geo. S. Marsh, well-known attorney of Nocona, Tex. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble. R. C. Dodson.

All fortune never crushed that man whom good fortune deceived not.

You never heard of any one using Foley's Honey and Tar and not being satisfied. L. Taggart.

**DOUBLE THE COLLECTION**

A Scotchman's Scheme For Increasing the Church Contribution.

In a small town in England there is a rich congregation which is not characterized by Irish liberality. Time after time the minister had vainly appealed to his people to contribute more generously to the funds of the church. The members would indeed give something, but it was nearly always the smallest silver coin of the realm that was placed on the plate. A shrewd Scotchman who had recently come to the place and joined the church was not long in noticing this state of affairs, and a remedy soon suggested itself to his practical mind.

"I'll tell you what," he said to one of the officials, "if you mak' me treasurer I'll engage to double the collection in three months."

His offer was promptly accepted, and, sure enough, the collections began to increase until by the time he had stated they were nearly twice as much as formerly.

"How have you managed it, Mr. Sandyman?" said the pastor to him one day.

"It's a great secret," returned the canny Scot, "but I'll tell you in confidence. The folk, I saw, mostly gave threepenny bits. Well, when I got the money every Sabbath morning I carefully picked out the sma' coins and put them by. Noo, as there's a limited number of threepenny pieces in a little place like this and as I have maist o' them at present under lock and key, the folk maun give sixpences at least instead. Sae that's the way the collections are doubled."—Pearson's.
