Magic Color Pictures.

A glass of water and a sponge or brush act like a box of paints on the wonderful "Watergraphs," which will appear in next Sunday's Philadelphia Press. It's the cleverest novelty of the year. The pictures are printed apparently in black ink. You touch them with water, and in a second they become beautiful water color paintings. No skill is needed- Children can do it as well as grown folks. These "Watergraphs" are in addition to the myster-ious magic pictures, which you rub over a blank space with a coin and a picture

a blank space with a colliant a please appears.

The great puzzle-man, Sam Loyd, is now on The Sunday Press staff of entertainers. He has a page each Sunday that will set you thinking and amuse you, too. Order next Sunday's Philadelphia Press of your newsdealer in advance. Then you'll be sure to get it.

Why not use this liniment and get well? It is for sale by L. Taggart.

"Five years ago a disease the doctors called dyspepsia took such hold of me that I could searcely go," writes Geo. S. Marsh, well-known attorney of Nocona, Tex. Then he Should Advertise.

If you toot your little tooter and then lay aside your horn, there's not a soul in ten short days will know that you were born. The man who gathers ing is the man who makes it pay. The man who advertises with a short, sudden jerk, is the man who blames the editor because it didn't work. The man who gets the business a long and steady pull and keeps the local papers from year to year quite full; he plans his advertisements in a thoughtful way, and keeps forever at it until he makes it pay. He has faith in all the future, can withstand a sudden shock, and like the man of Scripture, has his business on a rock.-Ex.

Lumber dealers fear a famine in hemlock lumber. It is reported that four fifths of the 10,000,000 feet of Michigan hemlock, the season's cut has been sold. This will mean a scarcity of that grade of lumber and proportionately high prices. Hemlock has already risen from \$13.50 to \$24.50 per thousand and will go still higher. Much of the Michigan lumber is going through to eastern cities. This is unusual, as the eastern market has usually been supplied from the Pennsylvania market —Ex.

Everybody takes pride in the looks of our village. Clean up your front and back yards. Take good care of your lawns; keep them rich and well mowed. Flower seeds are not expensive, plant some in your back or side yard. Trim up your trees. Dangerous if Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences Even where delay has aggravated the injury De Witt's Witch Hazel Salve ef-fects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yankeetown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel, a few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. R. C.
