Labor rids us of three great evils; irksomeness, vice and poverty.

That some people have an idea to be brilliant they must cast reflections on others.

Chester K. Sartwell. Chester King Sartwell died Saturday morning at 10:30 o'clock at the Olean House, Olean, where he had resided with his son, Henry S. Sartwell, for a number of years. He was 78 years and 5 days old. His death was caused by a series of paralytic strokes, the first of which occurred about three weeks ago.

The subject of this sketch was born in this borough May 12, 1824, where he always resided until about five years ago when he went to Olean to live with his son Henry. He was of Republican belief and in 1875 he was elected prothonotary of this county, which office he most creditably filled for the three succeeding years. Previous to this he was for many years engaged in the mercantile business in this place and was postmaster of this borough for several years. He was widely known throughout this section and counted his friends in hosts.

In 1845 he was united in marriage to Miss Elizabeth Chapin, the fruits of this union being five children, three of whom survive, namely: Henry S. Sartwell of Olean, Mrs. Eugene Quackbush of Cleveland, Ohio, and Miss Mary E. Sartwell of Bradford, who with the deceased's two brothers, George W. and Roswell Sartwell, deeply mourn his demise. His wife preceded him into the great beyond about ten years.

A prayer service was held in the parlors of the Olean House Monday morning at 9 o'clock by Rev. J. W. Ashton and the remains were brought to Smethport on the Pennsylvania railroad on the morning train. They were taken to Rose Hill cemetery, followed by a large number of relatives and friends, where Rev. J. Heber McCandless held services and the remains were laid at rest in the family plot.—Smethport Miner.

Letter to Frank X. Blumie. Emporium, Pa. Dear Sir: You know a good paint when you see it. Devoe lead and zinc is the paint that costs half as much as lead and oil because it wears twice as long. But it looks no better, when first put on. You must wait a little to see the difference.

The first summer takes off the gloss of lead and oil; the second summer it chalks; the third, it wants repainting. It probably spots in a month or six weeks; the gloss goes off in spots or in sections. Devoe lead and zinc even holds its gloss longer than lead and oil wears. The loss of gloss marks the beginning of wear, but it keeps out water ten years, in favorable conditions. Painters think three years is enough. It is, for lead and oil. Yours truly, F. W. DEVOE & Co. P. S.—Murry & Coppersmith sell our paint.

A local physician declares it is unjust to refer to the doctor's fee as illoggon gains.

Reveals a Great Secret. It is often asked how such startling cures, that puzzle the best physicians, are effected by Dr. King's New Discovery for Consumption. Here's the secret. It cuts out the phlegm and germ-infected mucus, and lets the life-giving oxygen enrich and vitalize the blood. It heals the inflamed, cough-worn throat and lungs. Hard colds and stubborn coughs soon yield to Dr. King's New Discovery, the most infallible remedy for all Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at L. Taggart's.

He Boiled It Down. A beginner in newspaper work in a southern town who occasionally "sent stuff" to one of the New York dailies picked up what seemed to him a "big story." Hurrying to the telegraph office he "queried" the telegraph editor: "Column story on so and so. Shall I send?" The reply was brief and prompt, but to the enthusiast unsatisfactory. "Send 600 words," was all it said. "Can't be told in less than 1,200," he wired back. Before long the reply came: "Story of creation of world told in 600. Try it."—New York Post.

Cannibal Trout. Trout are cannibals, and it is a moot question whether in some waters large trout should not be systematically destroyed. Darnmoor fishermen are in favor of killing them. They say that fish in their streams of one pound to two pounds weight are hardly ever caught by ordinary means and live entirely on their own brethren. A two pound Devon trout is probably responsible for the death of several stones' weight of his own kind.—Nature Notes.

Stands Like a Stone Wall. Between your children and the tortures of itching and burning eczema, scaldhead or other skin diseases.—How? why, by using Bucklen's Arnica Salve, earth's greatest healer. Quickest cure for Ulcers, Fever Sores, Salt Rheum, Cuts, Burns or Bruises. Infallible for Piles. 25c at L. Taggart's drug store.

That a east ward man declares that his wife makes counter charges against him, when she starts out on a shopping tour.

The Spring Fever. Is a malady which no one can escape at this season of the year. The vitality is usually overtaken during the winter months, and spring finds the system all run down. The blood is thinned and impure. The kidneys and liver are inactive—resulting in a loss of energy and appetite, and a derangement of the nerves. Lichty's Celery Nerve Compound will purify your blood, tone up your nerves, and leave you feeling fresh and energetic. Sold by L. Taggart.

That a great many people in this city are almost out of breath trying to keep up with their running expenses.

No Loss of Time. I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning.—H. R. Phelps, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by L. Taggart.

That many a man has been driven to his club because his wife insists on filling the house with cosy corners.

The Most Common Ailment. More people suffer from rheumatism than from any other ailment. This is wholly unnecessary too, for a cure may be effected at a very small cost. G. W. Wescott, of Meadowdale, N. Y., says: "I have been afflicted with rheumatism for some time and it has caused me much suffering. I concluded to try Chamberlain's Pain Balm and am pleased to say that it has cured me." For sale by L. Taggart.

That the only place to keep cool in the summer is in the mountains, in spite of the mountain ranges.

A Lesson in Health. Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. L. Taggart.

A Spring Tonic. Everybody needs a tonic in the spring, at this time the system craves a tonic. It is housecleaning time for your body. Lichty's Celery Nerve Compound will tone up your nerves, blood, kidneys and liver and fill you with health and energy. Sold by L. Taggart.
