Tornado Sweeps Minnesota.

ULEN, Minn., June 10.—A tornado formed five miles west of this place between 4 and 5 o'clock this afternoon and swept over an area one half mile wide and probably twenty miles long. It took a southeasterly course, demolishing farm buildings, killing four persons and injuring many more.

Reports from various sections are to the effect that many persons were badly injured.

The Eggs Belong to the Farmer's wife.

Farmer's wives have not too much fun in their lives. Here is something that will make glad their souls. Near Wauhegan, Ill., a farm woman had prepared a fine basket of eggs for market. Her husband, who had too many husbands, took it for granted that what was her's was his and what was his was his own, grabbed the basket of eggs and was making off with them to sell them for himself and keep the money. The wife resolved that he should not do it if she could prevent, forcibly seized and attacked him to keep him from taking her basket of eggs. The result was a fight that brought the matter into court.

There the justice, evidently in favor of the new woman, decided, that the wife was quite justified in her attack on the man and that the man had no right to take the eggs. "The eggs upon the farm," said the judge, "belong to the farm woman for pin money." Hear ye, Hear ye! The eggs produced upon a farm belong by law to the farm woman.

Suggestions for Correspondents.

The following sensible suggestions for newspaper correspondents by Bro. Borland of the Franklin News.

Avoid sensationalism.
Always use "etc." in preference to "&c."
Do not use the word "Sabbath" for "Sunday."
Correct punctuation is essential to all writing.
Commence every sentence with a capital letter.
Don't make any veiled references about persons.
Above everything else, write proper names plainly.
Do not use the character "&" except in firm names.
The time any item of interest occurs is always essential.
Do not abbreviate the names of persons, days or articles.
Items that cannot be confirmed should not be handled.
The editor is not inspired and cannot always guess your correct meaning.
Always give titles of persons, such as Captain, Lieutenant, Doctor, Professor, etc.
Never write anything about any person you would not like to see in print about yourself.
Give initials and full name when possible. The abbreviation "Mr." should be dropped.
"State," when referring to Pennsylvania or any other State in the Union, should begin with a capital "S."
By observing the above your letter will be handled more easily and give better satisfaction to both yourself and the editor and publisher.
In reporting any item always remember the five W's—What, Who, When, Why and Where. If this is observed, the item will be complete.

Hot Weather Weakness.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, **Herbine** will do; it is a tonic, laxative and restorative. H. J. Freegard, Propr. Grand View Hotel, Creegan, Kan., writes: "I have used **Herbine** for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kan." 50c at L. Taggart's.

Truth never dodges up an alley, no matter whom it meets.

Tax on Babies.

Extreme hot weather is a great tax upon the digestive power of babies; when puny and feeble they should be given a few doses of **White's Cream Vermifuge**, the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. 25c at L. Taggart's.

If you want your wife to act like an angel treat her like one.

Interesting to Asthma Sufferers.

Daniel Bante of Otterville, Iowa writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried **Foley's Honey and Tar** which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." L. Taggart.

Your failure is as sweet to your rival as it is bitter to yourself.

No good health unless the kidneys are sound. **Foley's Kidney Cure** makes the kidneys right. L. Taggart.

A smart fool is dangerous and an ignorant one is still more so.

During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using **Foley's Kidney Cure**. L. Taggart.

Approval of a man's conscience seldom helps to boost his salary.

Constipated Bowels.

To have good health, the body should be kept in a laxative condition, and the bowels moved at least once a day, so that all the poisonous wastes are expelled daily. Mr. G. L. Edwards, 142 N. Main St., Wichita, Kansas, writes: "I have used **Herbine** to regulate the liver and bowels for the past ten years, and found it a reliable remedy." 50c at L. Taggart's.

Water—the stuff corporations are made of.

On the first indication of kidney trouble, stop it by taking **Foley's Kidney Cure**. L. Taggart.

Philanthropist—A man who gives away what he can't use himself.

Warning.

If you have kidney or bladder trouble and do not use **Foley's Kidney Cure**, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. L. Taggart.

Financier—A man who grabs off to the limit.

Was Wasting Away.
The following letter from Robert R. Watts, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried **Foley's Kidney Cure** and less than two bottles completely cured me and I am now sound and well." L. Taggart.

Captain of Industry—One who lives off the profits of another's work.

Happy Time in Old Town.

Filthy Temples in India.

They give lively livers, active bowels, good digestion, fine appetite. Only 25c at L. Taggart's drug store.

Destiny—A good excuse for any old thing.

Ten Years in Bed.

R. A. Gray, J. P. Oakville, Ind., writes. "For ten years I was confined to my bed with disease of my kidneys. It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until **Foley's Kidney Cure** was recommended to me. It has been a Godsend to me. L. Taggart."
