Letter to Emporium Furniture Co.
Emporium, Pa.
Dear Sirs: There are two sorts of furniture. You know both; for you sell 'em both. One sort looks better than it is, and the other is better than it looks. There isn't any other sort.

The same, two sorts of paint, no more; and we make 'em both—we make tons of stuff that isn't worth its freight. Belongs to the business—have to. Belongs to your business—you have to.

But this is aside. We put into cans, with our name on, the very best paint there is in the world: Devoe lead and zinc. It is twice as good as lead and oil; lasts twice as long. And we take the risk of it—there isn't any risk.

F. W. DEVOE & CO.
P. S.—Murry & Coppersmith sell our paint.

Zinc and Grinding Make
Devoe Lead and Zinc Paint wear twice as long as lead and oil mixed by hand. Murry & Coppersmith sell our paint.

Count the Dresser buttons you see worn on the street. It tells the story.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. Do Good—It Pays.
A Chicago man observed that "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say "My good friend, cheer up." A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time. Sold by L. Taggart.

The proud man is likely to need our pity more than the humble.

He Learned a Great Truth.
It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by L. Taggart.

We would not dare pray at all if our prayers were answered.
