**Beliefs About the Earth.**  
Newton, the great Sir Isaac, surmised, although he could give no reason for the conclusions he had reached, that in the course of time the earth would become perfectly dry. Others, mostly De Verne, Professor A. L. Hamilton and the younger Lysander, all believed that eventually the earth would become as dry as the proverbial chip. Even in this day and age the theory has many adherents.

Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. R. C. Dodson.

**Key That Fits**

"Half my patients need more iron," said "our doctor." Iron makes rich, red blood. Yet it is very hard to give iron so it will do any good.

There are thousands of keys in the world—only one or two unlock your door. So we know of only one or two combinations of iron that seem to do the work.

By far the most generally useful prescription we know of is Vinol.

It has helped a great many cases in this town.

It contains the medicinal qualities of cod liver oil, iron—that-can-be-digested, and a little table wine.

It works wonders in weak women, pale children, old people, and any run-down condition. Money back if you want it.
