Mr. Parker Jackson of Emporium was in town Tuesday afternoon between trains, being warmly greeted by his friends. It will be remembered that he was for four years a resident of this place, coming here when about 17 years of age, and during the four years had his home with Chas. D. Cox, Sr., then landlord of Young's Hotel. He has since resided at Emporium—a period of fourteen years, during which time his generous, long, loud and resounding laughter has not lost a whit of its force or penetrating power. Whilst here he gave us a few samples of the old kind, which recalled the happy days of yore, when "Uncle Sam" Gotzen endeavored to instruct him in the art of catching rats. Come again, Parker, one is really made happier on hearing the old time laugh.—The Millburg Telegraph.

Mrs. Chas. Norton, of Portland Mills, stopped in town yesterday and to-day on her return from Wilkes-Barre. She is recovering from a serious illness.

M. J. Colcord, editor of Potter Journal was a PRESS visitor this morning. Mr. Colcord is publishing an excellent paper, and it is always a welcome visitor to this sanctum.

The Rev. N. H. Stephens, D. D. of Clearfield, formerly Presiding Elder of the Williamsport District, preached an able sermon in the First Methodist Episcopal Church, last Sunday morning on "Our Service to God and to Man." Dr. Stephens was the guest of Mr. and Mrs. F. P. Strayer.

The venerable Mr. Arthur Kirk, of Pittsburg, Pa., who has gained a worldwide reputation as a good road advocate, has been in Emporium for several days. He was accompanied by his son, Mr. David Kirk, who is President of the Climax Powder Company at this place. They are extensive dealers and manufacturers of explosives, with general offices in Pittsburg, New York and other points.

E. H. Blackburn, of Everett, Bedford county, Pa., has been transacting business in Emporium for several days looking after some real estate of the late Samuel Kirk. He sold a house and lot on Third street to W. H. Cramer and a vacant lot to N. J. Barner. Mr. Blackburn, is the Republican Pro-nationary elect of Bedford county, having defeated the Fusion candidate by a handsome majority. His wife was formerly Mrs. Della Kirk, and of course kept her husband busy looking up old friends. The PRESS enjoyed a social visit from this pleasant gentleman.

More Oil Wells Will be Drilled.
Another oil and gas company is being organized. Well known gentlemen of this city are at head of it and they will soon apply for a charter. To show that they mean business, they have already leased the Landis Berry farm, about 100 acres, which farm is a short distance east of the Gummo farm. A well will be started as soon as all the preliminaries have been attended too.

The same company have also leased the lower part of the island opposite the upper end of the city. A well may also be drilled on that parcel of land, in the near future.—Clinton Democrat.

Political Reform.
Corruption in politics is no longer to be tolerated in Elk county and in the future there will be no whispering of how repeaters got in their work and the counting had been done to suit one or two fellows, if the story of a happening at the recent election in that county, which is told by a prominent Democratic politician of DuBois, can be believed. The story is this: In St. Marys borough and Benzinger township the stronghold of Jim Hall, there were twelve hundred votes cast and two of those were Republican votes. This was a severe shock to the nerves of the Democratic leaders and sleuths were put to work and told that they must locate those two Republicans. The result of the work of the detectives, the story continues, was the discovery of one lone Republican and he was arrested, charged with having cast two votes, when he was only entitled to one.—DuBois Courier.

An exchange hits the nail squarely on the head as follows: The advertising merchant is the one who does the business in these days of push and enterprise. There are more newspaper readers to-day than ever before in the history of the world. The newspaper places your business under the eye of the buyer. He sees what he wants, and knowing where to find it, looks up the wide awake merchant who asks him to come in to see him. Success in these days of sharp competition calls for eternal vigilance. You cannot keep a hustler down.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Keller, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by L. Taggart.

The Best Remedy for Croup.
(From the Atchison, Kan., Daily Globe.)
This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup known as hive syrup and 'toli' but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by L. Taggart.

There is a long step from "My Father," to "Our Father."

For a Cold.
If you have a bad cold you need a good reliable medicine like Chamberlain's Cough Remedy to loosen and relieve it, and to allay the irritation and inflammation of the throat and lungs. For sale by L. Taggart.

He who loves his work never worries over his reward.

Heller's Testimony.
Albert Heller, living at 1114 Farnham St., Omaha, says: "I have tried most everything that is used as a preventive or cure for headache, but nothing did me so much good as Krause's Headache Capsules. Others who have used them say the same thing." Price 25c. Sold by L. Taggart.

Golden Gate Tours.—Under the Personally-Conducted System of the Pennsylvania Railroad.

California and the Pacific Coast resorts have become so popular in recent years with the better class of winter rest and pleasure seekers that the Pennsylvania Railroad Company has decided to run two Golden Gate tours this winter, one to include the famous Mardi Gras spectacle at New Orleans. On the going trip both tours will travel by the Golden Gate Special, one of the finest trains that crosses the continent. One tour will return by this train, while passengers by the other and later tour will use regular trains returning. In California, passengers will be entirely at their own pleasure in the matter of itinerary. Should a sufficiently large number of passengers desire to join in taking an itinerary suggested by the Pennsylvania Railroad Company, the services of a Tourist Agent and Chaperon will be at their disposal.

The first tour will leave New York, Philadelphia, Baltimore, Washington, and other points on Thursday, January 29, and will travel via Chicago, Kansas City an El Paso to Los Angeles and San Diego, arriving at the latter point February 2. An entire month may be devoted to visiting California resorts, the Golden Gate Special leaving San Francisco on the return trip Tuesday, March 3, and returning via Salt Lake City, Glenwood Springs, Colorado Springs, and Denver. The rate for this tour will be \$300, covering all expenses of railroad transportation, including side trips in California, as well as berth and meals on the Golden Gate Special going and returning. No hotel expenses in California are included. Tickets are good for return trip for nine months, excepting that passengers who do not return on the Special must provide their own Pullman accommodations and meals eastbound.

Tour No. 2 will leave Thursday, February 29, by the Golden Gate Special-Cincinnati, Montgomery, and Mobile will be visited en route to New Orleans, where the party will stay during the Mardi Gras festivities. The train will be sidetracked for occupancy during the three days spent in New Orleans. Stops will also be made at Beaumont, Texas, Houston, Texas, San Antonio, and El Paso. The train will arrive at San Diego, February 28. So far as special train arrangements are concerned, this tour will be completed at San Diego. Passengers may dispose of their time in California as they see fit. Should a sufficient number desire to take a suggested trip through California the services of a Tourist Agent and Chaperon will be placed at their disposal.

The rate for this tour will be \$275, covering all railroad transportation for the entire trip, including side trips in California, seat at the Mardi Gras Festival, and Pullman berth and all meals on the Golden Gate special from New York until arrival at San Diego.
Private compartments, i. e., drawing rooms or state rooms, may be obtained by the payment of additional charges on both tours. A detailed itinerary is in course of preparation, giving all information concerning these tours. Application should be made to George W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia, Pa. 2594-39-1t.
