The Problem of a Tired Mother.

The funny papers have told, time and again, how it makes a man feel to be shut up alone with the children even for a few hours.

It's no wonder that nerve troubles attack the mother for she has the children all the time. How can she help being nervous, especially while the little ones are making such constant drafts on her energy?

No woman can endure the strain of her housework and two or three little ones unless her digestive powers are of an unusual order. She can't manufacture force enough to stand the strain.

We can suggest one thing that will surely help her and it isn't a drug poison either. It is Vinol, made by a remarkable new process from that wonderful remedy, cod liver oil, a true tonic.

Money back if you don't find this true.

L. TAGGART, DRUGGIST.

Our people are very much excited over the bright prospects of the coal mines in this vicinity, which will be in operation in a short time. Our people are waiting to welcome the melodious sound of the chime whistle which will be set on the new mill, which will be operated by Dault, Hyle & Co. The young men of our town has showed their talent which they inherit by organizing a brass band in our town last Wednesday evening showing the people that our town has resurrected from the dead. On Monday some of our town people were much alarmed by the tooting of the whistle on the engine of the Cameron Lumber Co., on the H. R. R. R. of which one of our prize cows of our town had a very narrow escape. The Liars Club met in Dan Sullivan's chicken coop, Saturday evening, with Ed. Goodman in the chair, B. E. Osborne Sec'y. A good many pheasants and skunks were killed. Tom Shreves declares that he can skin more skunks than any other two men in town. He was fined two cents because he couldn't prove it, and came within one vote of being suspended from the club. Fred Comley was reinstated to membership and promised the Club faithfully that he wouldn't tell the truth again while a member. Some of the members are talking about dropping out of the club on account of the fees raising from two cents to five cents of which it is necessary on account of business increasing in town. Bert Georgia took his fifth degree; he was appointed guardsman at the door. Jesse Lord's name was read for membership and declared rejected, with a vote of 120 yeas and 121 nays. Geo.
