R. SEGER & SON,
Next to Bank, Emporium, Pa

Mrs. Johanna Soderholm, of Ferguson
Falls, Minn., fell and dislocated her
shoulder. She had a surgeon get it back
in place as soon as possible, but it was
quite sore and pained her very much.
Her son mentioned that he had seen
Chamberlain's Pain Balm advertised for
sprains and soreness, and she asked him
to buy her a bottle of it, which he did. It
quickly relieved her and enabled her to
sleep which she had not done for several
days. The son was so much pleased
with the relief it gave his mother that he
has since recommended it to many others.
For sale by L. Taggart.

It is a vain hope that the chains of
habit will rust off.

The peculiar cough which indicates
croup, is usually well known to the
mothers of croupy children. No time
should be lost in the treatment of it, and
for this purpose no medicine has received
more universal approval than Chamberlain's
Cough Remedy. Do not waste
valuable time in experimenting with un-
tried remedies, no matter how highly
they may be recommended, but give this
medicine as directed and all symptoms of
croup will quickly disappear. For sale
by L. Taggart.

The Gospel would soon reach all men
if we were as anxious to tell the virtues
of Christ as we are to publish the faults
of others.

A Scientific Discovery.
Kodol does for the stomach that which
it is unable to do for itself, even when
but slightly disordered or over-loaded.
Kodol supplies the natural juices of diges-
tion and does the work of the stomach,
relaxing the nervous tension, while the in-
flamed muscles of that organ are allowed
to rest and heal. Kodol digests what you
eat and enables the stomach and digestive
organs to transform all food into rich,
red blood. R. C. Dodson.

He who was often weary can always
give us rest.

Unconscious From Croup.
During a sudden and terrible attack of
croup our little girl was unconscious from
strangulation, says A. L. Spafford, post-
master, Chester, Mich., and a dose of One
Minute Cough Cure was administered and
repeated often. It reduced the swelling
and inflammation, cut the mucus and
shortly the child was resting easy and
speedily recovered. It cures Coughs,
Colds, LaGrippi, and all Throat and
Lung troubles. One Minute Cough Cure
lingers in the throat and chest and enables
the lungs to contribute pure, health-giv-
ing oxygen to the blood. R. C. Dodson.

To be at our best to-morrow we must
be at our best to-day.

Don't Worry.
This is easier said than done, yet it may
be of some help to consider the matter. If
the cause is something over which you have
no control it is obvious that worrying will
not help the matter in the least. On the
other hand, if within your control you
have only to act. When your have a
cold and fear an attack of pneumonia,
buy a bottle of Chamberlain's Cough
Remedy and use it judiciously and all
cause for worry as to the outcome will
quickly disappear. There is no danger
of pneumonia when it is used. For sale

First Fork.
Grant Johnson, of Arkhill had a rather
thrilling experience in bear hunting on
Saturday morning. Having heard that
a bear had crossed the ridge the night
before, above his camp he loaded his
Winchester and started after him. After
traveling till he was pretty tired he found
the bear had swung around and gone
back the way he had come. So he turn-
back and after traveling about two
hundred yards, saw a place where the
steam was coming up through the snow,
at some little distance. On investiga-
ting he found the bear had "hold up."
Getting down on his hands and knees he
could see the bears eyes, and, put a bullet
in between them. After waiting some
time for him to die, he got a dry chest-
nut pole and punched him with it, which
proved him to be much alive yet. Calling
some men who were working on the side
hill in hearing distance they made a
torch and Grant took the torch in one
hand and his gun in the other, and
crawled into the den, after crawling in a
short distance he planted another bullet
in the bear's head. By this time the bear
had reached the back end of the cavern,
and was still quite lively. Grant gave him
the third shot in the head which "stopped
him." The cavern at this place was quite
roomy and he got hold of the bear and
dragged him out to the entrance, where
he cut a stick that had a hook on it, and
"skidded" him down to camp. He was
evidently a two year old, and weighed
about two hundred pounds.

B. B. Logue, one of the old settlers on
this stream, died last Friday night of
lung fever. Burial to be at Sinnemahoning
on Monday. He lived about two
miles above Sinnemahoning and leaves
a large family of sons and daughters.

W. H. Metzger was called to Williams
port very suddenly last week by the
death of his mother at that place.

Mr. and Mrs. Geo. Chase went to
Picture Rock, Lycoming county to at-
tend the funeral of Mrs. Chase's father
last Saturday.

John Poley went to Williamsport
hospital last Saturday to see his brother
who is there in a critical condition from
the effect of a dog bite from which blood
poison set in.

Benjamin B. Logue one of the old
settlers of this place passed away last
Friday morning at the age of 76 years.
Funeral services were held Tuesday at
Miller school house. Rev. Foss delivered
an able sermon to a large gathering of
friends and neighbors.

A special train of Pullman cars came
down the B. & S. R. R. last Wednesday
and laid all night at this place, the di-
rectors and stockholders of the Buffalo
Susquehanna and Southern R. R. Co.,
accompanied by ex-president Grover
Cleveland were on the train. At 8:30
Thursday morning train left for DuBois
and Pittsburg.

The surprise party and sleigh ride by
members of camp No. 122 Patriotic
Americans up at Logue's last week was
a success. xxx
