Sinnamahoning.
The warm weather has taken out the ice and taken away the sleighing.
Casus O. Shafer is home from Michigan to pay a visit to his parents and friends.
The Citizens Band will furnish music for the Martha Washington supper Feb. 21st.
The iron is most all here for the new bridge which is to be built here this coming spring.
The B. & S. trains were three days late last week on account of the ice jam and high waters.
Mrs. Randal Walker was called to Renovo on Monday by the sudden death of her son, E. O. Walker.
Mr. and Mrs. J. R. Batcher were called to Renovo suddenly Monday on account of the death of Mrs. Batcher's brother, E. O. Walker, of Renovo.

The ice went out of the First Fork, last Saturday, taking out two bridges on the B. & S. R. and about 500 logs, causing considerable damage.
The protracted meeting commenced Sunday evening February 1st, conducted by Rev. Faus. All are most cordially invited to come and take part in the good work.
Another severe wreck occurred on the P. & E. R. R. Monday morning. Erie Flyer and a heavy engine used as pusher tried to pass on the same track, causing the death of fireman Walker and injuring several others.

Elliott Walker, son of Randal Walker, was killed at Rathbun Monday morning. His body was taken to his home at Renovo on mail Monday night; funeral will be held Wednesday at one p. m. Mr. Walker was fireman on Erie Flyer and had been in the employ of the P. & E. R. R. for fifteen years. He was a faithful employe of the company and was respected by all who knew him. He leaves a wife and four small children to mourn his untimely death. He was a loving husband and kind father. He was pinned fast between the engine and tender for two hours with steam and hot water pouring on him all the time. He lived about two hours after being released and died quietly in a comrade's arms. He had his senses until a short time before he died and sent a last farewell to his family and made an earnest prayer to his Maker and said good bye to his comrades, the trainmen, and passed quietly away. His youngest brother was instantly killed in a head-on collision at Driftwood six years ago. He has another brother who lost his leg in the service of the R. R. company several years ago. A great many friends and neighbors went to Renovo on Wednesday to attend the funeral. Deceased was well known at this place.
DEBSE.

The best physic. "Once tried and you will always use Chamberlain's Stomach and Liver Tablets," says William A. Girard, Pease, Vt. These Tablets are the most prompt, most pleasant and most reliable cathartic in use. For sale by L. Taggart.

If people were compelled to follow the advice they give there would soon be an advice famine.

One Minute Cough Cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough, and at the same time clears the phlegm, draws out the inflammation and heals and soothes the effected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure. In all curable cases of Coughs, Colds and Croup, One Minute Cough Cure is pleasant to take, harmless and good alike for young and old. R. C. Dodson.

Custom surpasses nature so often that we should be careful to what we accustom ourselves.

AN OUTCAST.
Sinnamahoning Liars' Club.
The Liars Club in session nearly the whole day Sunday in Pap's barber shop. There was lots of whoopers sprung. John Lague came down from First Fork, but was ruled out on the ground that he had been practicing for four weeks with Ike Bowen. That settled it. Pap Blodgett was out of work for a week. An order was drawn on the treasury for seven cents for one week's benefit. It was found that the treasurer had squandered the funds in purchasing snow shoes to hunt bear with.
The bat was passed around, the amount being raised the second time around and charges brought against the treasurer.
Abe Thoren was made a member and took the first degree. Jordan is a dandy; he can tell more whoopers in an hour than any man on earth and bring proof. Pap Berfield was not present at our last meeting. The club will get something spicy the next meeting. John Clontz is learning fast and will be a first-class member, should he continue to take lessons from Ed Hanscome. George Chase is a good member. He took out a license one day last week. Jordan and Gore will have no business with him. Charles Snyder left in haste. A ground hog came out of his hole and Liar Snyder took after him and chased him six miles without success. No further business the club broke up in good order.
The Club has made an addition to its membership. J. H. Drum reported that his wife had a stove that drew so hard that it lifted the front legs from the floor and had to be bolted to the floor to keep it from raising on its hind legs. "Harve" took first prize and received the thanks of the Club.
FIDE.

When you feel blue and that everything goes wrong, take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse and invigorate your stomach, regulate your bowels, give you an appetite for your food and make you feel that in this old world is a good place to live. For sale by L. Taggart.

Wrong is nothing more than a scheme to plunder the weak, and private gain is always the incentive to do wrong.

Mysterious Circumstance.
One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c at L. Taggart druggist.

In judging character we are apt to seek in others for qualities suited to those we ourselves possess.

The Easy Pill.
DeWitt's Little Early Risers do not gripe or weaken the system. They cure biliousness, jaundice, constipation and inactive livers, by arousing the secretions, moving the bowels gently, yet effectually, and giving such tone and strength to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous little pills exert a decided tonic effect upon the organs involved, and if their use is continued for a few days there will be no return of the trouble. R. C. Dodson.

Right has but few champions, because those opposed to it can afford to pay the fattest salaries.

A Weak Stomach
Causes a weak body and invites disease, Kodol Dyspepsia Cure cures and strengthens the stomach, and wards off and overcomes disease. J. B. Taylor, a prominent merchant of Christman, Tex., says: "I could not eat because of a weak stomach, I lost all strength and run down in weight. Al that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by use of Kodol I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health." R. C. Dodson.
