The Montreal Witness says: "From recently published United States Government returns for the year 1902, an idea may be obtained of the drift of European emigration. The most striking feature in these returns is the large decrease in the number of emigrants from the British Isles to the United States, compared with former years. Twenty years ago the great majority of immigrants arriving in the United States were from Germany the United Kingdom and Scandinavia.

A Co-operative Idea Exchange. Prize Competitions are many in these days of modern magazines, but the prize-winners are sometimes rather few and far between. The April number of the Woman's Home Companion announces the unusual prize competitions for the benefit of the Church, the School and the Home, which are rather an opportunity for a co-operative exchange of ideas, and in which the magazine proposes to pay a cash prize to every one of its readers who can contribute an available idea or suggestion on any of the following topics:

Man is born with a character, but he has to make his own reputation. READ IT THROUGH. "I would Spoil This Story to Tell It in the Headlines. To use an eighteenth century phrase, this is an 'o'er true tale.' Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present.

Tragedy Averted. "Just in the nick of time our little boy was saved" writes Mrs. W. Watkins, of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by L. Taggart Druggist. Price 50c and \$1.00. Trial bottles free.

The average man is a good nurse when it comes to nursing a grievance. Tours to the Pacific Coast. Mrs. D. L. Council has moved into the house formerly occupied by W. L. Barclay. Sucker fishing is all the go. Sinnamahoning shad are not too bad at this season. W. L. Barclay has moved to Loquinn, Bradford county, where he is engaged in the lumber business. Several nice strings of trout were brought in last week, although it is not trout season yet. Police! Mrs. Chase has purchased the property formerly vacated by Mrs. Council and Geo. Chase has moved into same. There was a good flood in the creek the first of the week and lumbermen are improving it to drive their logs to the boom. The contractors are getting their machinery and tools ready to commence work on the new bridge for the Susquehanna & Southern R. R.

More Riots. Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c; and satisfaction guaranteed by L. Taggart, Druggist.

Wakful Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by L. Taggart.

To use an eighteenth century phrase, this is an 'o'er true tale.' Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try and be convinced as I was." For sale by L. Taggart.
