CALL FOR STATE CONVENTION.

TO THE REPUBLICAN ELECTORS OF PENNSYLVANIA: I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen Representatives, will meet in convention at the Opera House, in the city of Harrisburg, on Wednesday, May 27th, 1903, at 10:30 o'clock, a. m., for the purpose of nominating candidates for the following offices, to-wit:

One person for the office of State Treasurer. One person for the office of Auditor General. Two persons for the office of Judge of the Superior Court.

IN ACCORDANCE with the rules governing the organization, the representation in the State Convention will be based on the vote polled at the last Presidential election. Under the rules each legislative district is entitled to one delegate for every two thousand votes cast for the Presidential Electors in 1900, and additional delegate for every fraction of two thousand votes polled in excess of one thousand.

With Congress out of the way and public attention turning rather to politics than legislation the evidences of President Roosevelt's wide spread and popularity are increasing daily.

CONFLICTING reports come from Colombia with regard to the ratification of the Panama canal treaty but Secretary Hay still hopes it will be promptly approved and that the great work may go on uninterrupted.

THE TRADE of the United States with China shows a most remarkable growth. In 1900 this country exported to the Chinese Empire goods valued at \$11,000,000. The value of the exports for 1902 had just doubled being, in round numbers, \$22,000,000.

PRESIDENT ROOSEVELT will call Congress in special session to pass legislation of approval of the Cuban treaty as soon as after the fall elections as may seem advisable. The date is variously estimated from Nov. 9 to Nov. 15.

THE PRESIDENT has issued the usual order opening up the White House grounds for the egg rolling on Easter Monday, a messy performance with no apparent meaning, but one that seems to afford keen enjoyment to the children.

THE CUBAN treaty has been ratified by the Congress at Havana without amendment. It now remains for the members of the United States Congress to prove their good faith by promptly passing the necessary enabling legislation.

THE PRESIDENT'S determination to go to the bottom of the Postoffice scandal and to permit no guilty person to remain in the service may receive the commendation of the politicians whose favorites are in danger, but it will command the respect of the vast majority of the voters.

SECRETARY CORTLEYOU of the Department of Commerce and Labor is being overwhelmed with financial reports of insurance companies. Not only are they not adverse to disclosing their methods and financial standing but they evidently hope to acquire some advertising from the publicity feature of the new Department.

THE PRESIDENT is earnestly advocating a general staff for the Navy similar to that recently authorized by Congress for the army. The benefit of such a staff is that it would relieve the Secretary of the Navy from any responsibilities which now devolve upon him and for which, coming, as he usually does, from civil life, he is seldom fitted.

PENSION COMMISSIONER WARE occasionally receives some peculiar letters. This is a sample: "Paradise Hill, O. Asst. Surety Inter-ter Ware, Washington, U. S. Sir: You address me at Paris while you ott to address me at my country seat at white I am at oil times, tacing the air (taking the air) and thren to cure my coff with are the danades coffeee afflited to annie one person, soldier, saylor or citizen on behalf of Lord-a-mitey, so ples sir address me at Paradise."

ST. VITUS' DANCE. The Tanner or Currier mill is making the saw dust fly now days.

Isaac Bowen has been at the hospital in Austin for about ten days, sick.

Wm. Moran is the "happy dad" of a new boy which arrived just one day too soon to "April fool" them.

The freeze of Saturday night has probably killed the most of the early fruit in this section, pears, plums and peaches.

Ezra Logue, Martin Bowen and Louis Lamb, were attended on Saturday last by Dr. Geo. Reese, of Costello all being pretty sick.

SEVERE ATTACK OF GRIP. Cured by One Bottle of Chamberlain's Cough Remedy.

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, Editor of the Enterprise, Shortsville, N. Y.

Cigars should be entered in a man's expense account as "losses by fire."

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded.

THE EUREKA Mfg. Co., of East St. Louis, Ill., want a man with rig to introduce Poultry Mixture in this country. They guarantee \$30 a day to a good worker and they furnish bank reference of their reliability.

THE MISSOURI PACIFIC RY. and Iron Mountain Route will sell one-way and round trip Homeseekers tickets to points in Kansas, Colorado, Nebraska, Missouri, Arkansas, Indiana and Oklahoma Territories, Louisiana, Texas, and New Mexico, on the first and third Tuesdays of April at unusually low rates.

ABOUT SOUTH DAKOTA. During 1902 South Dakota harvested 46,858,000 bushels of wheat, value \$26,238,000, and sold live stock to the value of \$31,269,000.

THE PRESIDENT'S determination to go to the bottom of the Postoffice scandal and to permit no guilty person to remain in the service may receive the commendation of the politicians whose favorites are in danger, but it will command the respect of the vast majority of the voters.

SECRETARY CORTLEYOU of the Department of Commerce and Labor is being overwhelmed with financial reports of insurance companies. Not only are they not adverse to disclosing their methods and financial standing but they evidently hope to acquire some advertising from the publicity feature of the new Department.

A Great Sensation. There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure."

When the average man tells a lie he is in a hurry to prove it.

Robbed the Grave. A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim."

A small voice in a man often has the same effect as a hole in a nickle.

A Thoughtful Man. M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at L. Taggart's Drug Store.

He who believes in nobody knows that he himself is not to be trusted.

A Sweet Breath. Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia cure for curing indigestion, dyspepsia and all stomach disorders.
