CALL FOR STATE CONVENTION.

TO THE REPUBLICAN ELECTORS OF PENNSYLVANIA: I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen Representatives, will meet in convention at the Opera House, in the city of Harrisburg, on Wednesday, May 27th, 1903, at 10:30 o'clock, a.m., for the purpose of nominating candidates for the following offices, to-wit:

EDITORIAL MENTION.

According to some of the best informed senators and representatives reciprocity with Cuba is assured.

President Roosevelt's popularity in the west is assured. His long "swing around the circle" will, however, materially benefit his party and will, it is hoped, be the means of healing some local acres.

Secretary Root says when the time comes for tariff revision it should be undertaken by Congress during a long session and not immediately before a national election when everyone is inclined to "play politics."

Hamlin Garland has interested himself in the naming of the Indians. It is not his idea, nor that of the Indian Office, to abolish Indian names but to establish a system of surnames, preserving the Indian significance and individuality wherever possible.

Senator Lodge presented to the Home Market Club the true inwardness of the Canadian reciprocity situation. What the Canadians wanted is liberty to compete with the farmers of the United States while still giving signal advantages to British manufacturers.

It is stated that Senator Morgan will espouse the good roads movement at the next Congress. If he devotes the same energy to that as he did to the Nicaraguan canal route he may accomplish wonders and leave behind him a monument to his labors in the Senate.

According to many prominent democratic statesmen, William Jennings Bryan will continue to exercise his influence in democratic councils. We do not doubt it but in view of that fact the people will protest against "democratic councils of the nation."

There is no real rest for the man of affairs. With the invention of wireless telegraph the "absolute rest from business worries" formerly obtainable on an ocean voyage has been rendered impossible. The President will spend two weeks in the heart of Yellowstone Park, but he will be in constant communication by special wire with the White House. The sigh for "a lodge in some vast wilderness" has lost its meaning.

ST. VITUS' DANCE

One Editor's Woes. A Missouri editor whose wife is a strong woman suffragist, has sprung the following on his readers: "Rock-a-bye, baby, your mother is gone; she's at the caucus and will be there till dawn, she wore pap's trousers and in them looked queer; so hush-a-bye, baby, your mamma's a terror; she's run three conventions declared for three fellows she's great on the straddle, 'way up on the vote, so hush-a-bye, baby, your papa's a goat. Rock-a-bye, baby, the dishes are clean; papa's done scrubbing and put on the beans; your mamma is late seems always to lag, but heaven help pap if she comes home with a 'jag'!"

SEVERE ATTACK OF GRIP. Cured by One Bottle of Chamberlain's Cough Remedy.

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, Editor of the Enterprise, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grig had bid me adieu." Most men who consider themselves big guns are only smooth bores. A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by L. Taggart.

In order to enjoy life a man must be a little miserable occasionally.

The best physic: Chamberlain's Stomach and Liver Tablets. Easy to take; pleasant in effect. For sale by L. Taggart.

A Great Sensation. There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and Lung troubles, price 50c, and \$1.00. Guaranteed by L. Taggart, Druggist. Robbed the Grave. A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one would fail to try them. Only 50 cents, guaranteed, at L. Taggart's drug store.

There are a whole lot of people who swear by and at natural gas.

A Thoughtful Man. M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at L. Taggart's Drug Store.

The atmosphere of society is apt to make a green man turn red.

A Sweet Breath. Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes, "I have been a dyspeptic for years—tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am full restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet." R. C. Dodson.
