A Farmer's Good Story. Velpen, Ind., April 6th.—Wm. O'B. Sullivan, a highly respected farmer of this place, tells a personal experience to show that there is still some genuineness and honest worth to be met with in this age in which so many frauds are reported.

"Yes, I have been humbugged," said Mr. Sullivan, "and when I was so ill with the Rheumatism, Kidney and Heart Trouble, I used a good deal of stuff that claimed to be remedied for these diseases only to find them worthless."

"But, as you know, I did find the genuine remedy after all and I had not been taking Dodd's Kidney Pills very long before I knew that they were an honest remedy that would do all more than was claimed for them. They cured me, made a well man of me and I am now as sound as I ever was."

"I can testify that Dodd's Kidney Pills are a genuine remedy for Rheumatism and Kidney Trouble."

MISS HELEN WHITMAN.

Miss Helen Whitman, 308 1/2 Grand avenue, Milwaukee, Wis., writes:

"There is nothing like Peruna for that tired feeling, which gives you no ambition for work or play. After a prolonged illness, about a year ago I felt unable to regain my health, but four bottles of Peruna made a wonderful change and restored me to perfect health. As long as you keep your blood in good condition you are all right, and Peruna seems to fill the veins with pure, healthful blood. I thoroughly endorse it."

MISS HELEN WHITMAN.

How to Get Strong Nerves.

First, repair the injury already done to your nerves. The way to do this is to do exactly as did Mattie B. Curtis, Secretary of Legion of Loyal Women, Hotel Salem, Boston, Mass. She said in a recent letter: "I suffered for over a year with general weakness and debility manifested in severe headache and backache. I took four bottles of Peruna, and for two months have been entirely free from these maladies."

Nervous Prostration. Thousands of cases might be quoted in which Peruna has been used to rescue people from the perdition of deranged nerves, and put them on the good, solid foundation of health. The County Auditor of Erie county, New York, Hon. John W. Neff, in a recent letter written at Buffalo, New York, stated: "I was persuaded by a friend to try a bottle of your great nerve tonic, Peruna, and the results were so gratifying that I am more than pleased to recommend it."

A Spring Tonic. Almost everybody needs a tonic in the spring. Something to brace the nerves, invigorate the brain and cleanse the blood. That Peruna will do this is beyond all question. Everyone who has tried it has had the same experience as Mrs. D. W. Timberlake, of Lynchburg, Va., who, in a recent letter, made use of the following words: "I always take a dose of Peruna after business hours, as it is a great thing for the nerves. There is no better spring tonic, and I have used about all of them."

Catarrh in Spring. The spring is the best time to treat catarrh. Nature renews herself every spring. The system is rejuvenated by spring weather. This renders medicines more effective. A short course of Peruna, assisted by the balmy air of spring, will cure old, stubborn cases of catarrh that have resisted treatment for years. Everybody should have a copy of Dr. Hartman's latest book on catarrh. Address The Peruna Medicine Co., Columbus, Ohio.

Mrs. Lulu Larmer, Stoughton, Wis., says: "For two years I suffered with nervous trouble and stomach disorders until it seemed that there was nothing to me but a bundle of nerves. I was very irritable, could not sleep, rest or compose myself, and was certainly unfit to take care of a household. I took many tonics and never benefited. When I began taking Peruna I grew steadily better. My nerves grew stronger, my rest was no longer fitful, and to-day I consider myself in perfect health and strength. My recovery was slow but sure, but I persevered and was rewarded by perfect health."—Mrs. Lulu Larmer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.
