CALL FOR STATE CONVENTION. TO THE REPUBLICAN ELECTORS OF PENNSYLVANIA: I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen Representatives, will meet in convention at the Opera House, in the city of Harrisburg, on Wednesday, May 27th, 1903, at 10:30 o'clock, a. m., for the purpose of nominating candidates for the following offices, to-wit:

EDITORIAL MENTION. When Mr. Morgan has finished his \$300,000 home, will Mr. Carnegie give him a few books to put in it?

There is millions in it for the inventor who can advise a street car strap with perfectly padded seat, back, arms and foot-rest.

People who have been listening for the first trust to 'bust' will probably be satisfied with the report made by the Northern Securities decision.

The nation's drink bill \$1,300,000,000 very nearly equals its transportation bill. And who can deny that most of this vast sum was wasted—or worse.

Attorney General Knox has demonstrated, beyond question, his sincerity in prosecuting trusts for violation of the law. Incidentally Mr. Knox has taken the wind out of a good many democratic editors.

A system of 'organized hissing' is advocated by a French statesman as a means of purifying the stage of his country. But after it is properly purified will it pay? It is the combination of the smutique with damatique that makes plays go to France.

The Attorney General expects that the Supreme Court will take up the Northern Securities case early in October. The whole expedition which has recently attended this case is due to the little 'hurry up' law which Mr. Knox drafted and which Congress passed at his behest.

The republican party cannot but endorse Secretary Root's statement that the tariff should be revised by a Congress which is not playing politics. The political temptations incident to a session immediately preceding a national election would prove detrimental to careful and equitable revision.

The Minnesota, the largest ship ever built in the United States is about to be launched. She will be 630 feet long, 56 feet from keel to upper deck' (nearly the height of a five story building) and have a breadth of 73 feet 6 inches. Her total cargo capacity will be 30,000 tons dead weight. She is designed with special facilities for transporting troops.

SEVERE ATTACK OF GRIP. Cured by One Bottle of Chamberlain's Cough Remedy.

"When I had an attack of the grip last winter (the second one) I actually curd myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, Editor of the Enterprise, Shortsville, N. Y.

The quickest way to do a thing is to do only one thing at a time.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded.

About the only satisfactory substitute for wisdom is silence.

A Sweet Breath. Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia cure for curing indigestion, dyspepsia and all stomach disorders.

The new cruiser Baltimore will be the first warship to be fitted with steel furniture.

The Enlarged Philadelphia "Sunday Press."

"The Sunday Press" is a pretty large paper already, but it is impossible to get into it all we wish without making it still larger. Beginning with next Sunday, April 26, therefore, "The Sunday Press" readers will find two big color and half-tone sections added to what they have been receiving heretofore.

One of the new sections will be especially for women, and will be conducted by Anne Rittenhouse. It will be a magazine of fashion, beauty, strength, social customs and everything that is understood to be of special interest to women readers.

This means no diminution of strength, variety or interest in the other sections of the paper. Buyers of "The Sunday Press" will get all they have been accustomed to with a great deal of bright, lively and interesting matter in addition. It will pay for everybody to get "The Philadelphia Sunday Press" of April 26.

A Great Sensation. There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure."

Robbed the Grave. A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim."

The man who has but one suit of clothes has no redress.

A Thoughtful Man. M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at L. Taggart's Drug Store.
