KIDNEY and

Every seven days the blood, muscles and bowels of a man of average size loses two pounds of wornout tissue. This waste cannot be replenished and the health and strength keep up without perfect digestion. When the stomach and digestive organs fail to perform their functions the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues Don't become discouraged. There is a cure for you. If necessary write Dr. Fenner. He has spent a life time curing just such cases as yours. All consultations Free. and protects the health and strength of the mind and body.
