EDITORIAL MENTION.

Thirty per cent, of the cases of drunkenness brought before English magistrates are women.

A republican administration is to be thanked for the greatest stride towards pure food made in this country.

It is estimated that 30,000 automobiles will be placed on the market this year, and that will not supply half the demand.

Evidence of democratic harmony continue to multiply. Mr. Bryan has not thrown a rock at Mr. Cleveland for at least twenty-four hours.

The eminent Austrian physician who attributes consumption to the wearing of corsets fails to explain the prevalence of the disease among men.

It is difficult to understand the turmoil over the democratic presidential nomination when the nominee stands absolutely no chance of being elected.

Attorney General Knox and the Interstate Commerce Commission now have the Anthracite Coal Trust on the run. This does not look much as though President Roosevelt lacked the courage of his conviction.

Despite the reputed serious financial condition of China and the necessity of raising a heavy indemnity by increased taxation, the trade of the United States with that country has increased 600 per cent. since 1895.

The Delaware peach crop is all right, but it is estimated that half of the grape crop of France was ruined by the late frosts with the prohibition of adulterated foreign wines the price of the purer American product should be better. It is interesting to learn, if true, that ten cents worth of flank beef furnishes four times as much sustenance as a dime's worth of tenderloin, but it does not seem to diminish the demand for the latter.

"A man living on a farm near here came in short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm and told him to use it freely and if not satisfied after using it he need not pay a cent for it," says C. P. Rayder of Pattens Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying give me another bottle of Chamberlain's Pain Balm. I want it in the house all the time for it cured me." For sale by L. Taggart.

When the mice are away the cat can't slay.

GREATLY ALARMED.

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Barbage, a student at law, in Greenville, S. C., had been troubled for four or five years with a continuous cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Barbage, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by L. Taggart.

He who rises betimes has fleas in his bed.

Quick Arrest.

J. A. Galledge of Verbena, Ala., was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It cures aches and kills pain. 25c, at L. Taggart druggist.

Procrastination is the mother of invention.

The Wastes of the Body.

Every seven days the blood, muscles and bowels of a man of average size loses two pounds of wornout tissue. This waste cannot be replenished and the health and strength keep up without perfect digestion. When the stomach and digestive organs fail to perform their functions the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by R. C. Dodson.

It is a strong cane that leads to learning

The X-Rays.

Recent experiments, by practical tests and the examination with the aid of the X-Rays, established it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How can I Cure my Indigestion?" Kodol Dyspepsia Cure is curing thousands. It will cure you of indigestion and dyspepsia, and prevent or cure Catarrh of the Stomach. Kodol digests what you eat—makes the stomach sweet. Sold by R. C. Dodson.

A thorn in the bush is worth two in the hand.

Mr. Josiah Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief was advised by his druggist, Mr. Alex Richard to try a box of Chamberlain's Stomach and Liver Tablets. He did so and is a well man to-day. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result. For sale 25 cents per box by L. Taggart.

Don't count on chicken—you might get hash.

In almost every neighborhood someone has died from an attack of cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by L. Taggart.

It is an ill Humbert that locks her own chest.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at L. Taggart's.

THE REGAL SHOE

For Men and Women

A representative of this famous shoe, direct from headquarters, will be in **EMPORIUM AT THE WARNER HOUSE, JUNE 2, 1903.**

with a full line of sample Regal Shoes, showing the new spring styles in lace and button shoes and Oxfords.

Regals are fac-similes of the styles being made this spring by the high-priced smart custom bootmakers in New York, London and Paris. When you buy Regals you get style while it IS style—not a year later.

Regals are made in all standard leathers—King Calf, King Kid, Patent and Enameled, etc., etc.

A new leather, used exclusively in Regal Shoes, is Regal "VALVIC" Calf—the only leather tanned in accordance with the laws of nature—with the pores open to perform their natural work of letting off perspiration as freely as created, and automatically keeping out the WET on the outside.

"Sweaty" feet are thus relieved, and the general health of the entire system is improved.

"VALVIC" calfskin is as POROUS as cloth—TOUGH as wire—SOFT as a glove—WATERPROOF as Cravenette.

The removable seal on the bottom of the shoe—"The Window of the Sole"—proves the presence of genuine, old-fashioned, wire-wear Oak Sole Leather in every pair of Regals. No other shoe offers such a test—none other dares to!

Regal fit consists in 48 shapes—8 widths—and 18 half sizes—and 143 styles. No excuse for misfits!

Regal Shoes come to you direct "from Tannery to Consumer." You pay only one SINGLE profit, viz:—the Manufacturers—and are thus enabled to buy \$6.00 shoes at the WHOLESALE price of \$3.50 per pair.

REGAL OAK SOLED SHOES

All Styles, \$3.50

Regals are sold only in 46 exclusive Regal Stores in the principal cities of the United States and Great Britain—16 stores in New York City alone—and by mail. Over 200,000 men and women buy Regals by mail regularly. You take no chances in ordering by mail—we guarantee satisfaction or money promptly refunded. By mail to any address in the postal union at \$3.75 per pair, all charges prepaid.

Call on our representative and examine the shoes. You will not be urged to buy. Write to us to-day for our new Spring Style book—free on request.
