ST. VITUS' DANCE

Timber Lands Absorbed.
 WILLIAMSPORT, June 2.—The largest lumber company in the state has just been organized here with C. S. Horton as president. It is the Central Pennsylvania Lumber company, which has acquired by purchase all the timber land, of the Penn, Elk and Union companies, representing several hundred thousand acres in Central and North-western Pennsylvania. The capital stock of the concern is \$20,000,000.
 There is timber enough to furnish sawing for 15 years. The purchase covers six mills located at Jamison City, Lehigh, Gray's Run, Bladensburg, Lestonia and Loleta, and this number will probably be increased by operations at other points. The company has control of 200 miles of railroad.

The Late L. R. Gleason.

The following from the Wellsboro Advocate, is a brief outline of the business career of the late L. R. Gleason, so well and favorably known in this county, especially at Driewood and Medix Run, where he has been interested in business:
 "Readers of this paper will recall a mention in the preceding issue of this paper of the death of L. R. Gleason, of Canton, who died May 17, aged 73 years. He was born in Buton, Warren county, N. Y., Nov. 16, 1829, and came to Pennsylvania with his parents in 1840. At sixteen worked in the Blossburg mines. At nineteen commenced lumbering in the Pine Creek region. Married Martha Irvin, of Union, Tioga county, who died in 1880. In 1881 he married Mrs. Elizabeth Clark, of Canton, a sister of Judge John b. Mitchell, of Wellsboro. He worked in the lumber woods as laborer, superintendent and contractor until 1868, when he formed a partnership with his brother-in-law, William Irvin, in the tannery business at Canton. In 1881 they enlarged their business, building a large tannery at what is now Gleasonton, Clinton county. In 1887 he bought out his partner's interest, taking his five sons into business with him under the firm name of L. R. Gleason & Sons. In 1889 they built the Crescent tannery at Driewood, Cameron county, and in 1895 the Cold Spring at Medix Run, in Elk county. The five boys are all practical tanners and have charge of the different plants. The home plant at Canton is in the firm name of Gleason & Clark, he having taken into partnership his two stepsons J. Fred and H. Lee Clark.

His Last Hope Realized.

[From the Sentinel, Globe, Mont.]
 In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by L. Taggart.
