Cameron Flowers in Chicago.
Chicago, June 8, 1903.

Perhaps it might be interesting to you or your readers to know how little is often really known of that beautiful flower which grows in such profusion on the hills of Cameron county and has been so frequently urged for adoption as the flower most appropriate for our National emblem. I refer to the laurel.

On Friday, June the fifth, Mrs. P. B. Campbell gave a Cuban Lawn Fete in Oakley Hall. Mrs. Campbell is one of the West Side society leaders and never does things by half. In speaking of the decorations for the hall a few weeks ago I suggested laurel and reminded her of a promise made earlier in the season, by Mr. S. J. Fee, to send her a bunch when they were in bloom. She was delighted with the idea and I immediately wrote Mr. Fee who generously supplied an abundance of the lovely blossoms.

The interior of the hall was decorated to represent the lawn of a Cuban Club House, Havana, Cuba. The electric chandeliers were enclosed in crepe tissue which cast a delicate shade over the surroundings. Numerous trees and patches of shrubbery adorned the hall and on which the laurel flowers had been so tastefully arranged that unless closely scrutinized would seem to have been placed there by nature. A calcium lamp threw light upon the principal events. The orchestra played in a bower of trees and shrubbery, bedecked with laurel.

Judging from those with whom I came in contact during the evening I do not believe that 20 per cent. of the guests had any idea of the nature of laurel and most of those present beheld the flowers for the first time. Some asked if those were real laurel trees and some had a vague idea that it was a vine. Still others imagined it was a plant resembling the Golden Rod. But the beauties of the blossoms seemed to impress all and manifested itself in the desire for the possession of a sprig with the result that fully two-thirds of the laurel was carried away at the close of the fete.

I do not believe that the people of Cameron county fully appreciate the beauty nature has bestowed upon them with such a lavish hand.

Yours respectfully,
HARRY F. JORDAN.

His Last Hope Realized.
(From the Sentinel, Globe, Mont.)

In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by L. Taggart.

ST. VITUS DANCE

First Fork.
Irve Kimball lost a horse valued at \$250, a few days since.

The first rain of any account in about two months came on Sunday and was very welcome, as all crops were suffering, especially grass.

Corn and potatoes have been very backward about coming up, for lack of moisture, and small fruits will be a light crop from same cause.

M. J. Colcord and family of the Potter Journal, were visiting relatives and friends in this vicinity, a couple of days last week, and put in the most of their time at his father's, D. D. Colcord, M. D.

Tanners are "husking bark" from their next season's stock of logs, and the mill as a consequence is at a standstill. Said deponent, don't know whether they are going to start a tannery. Brobst's mill is also idle for want of stock, and other reasons.

Nathan Bailey who lived at the mouth of Bailey Run 50 years ago, died in Wis., some time in April, aged 83. A. J. Bailey, of Alamogordo, N. M., is the only survivor of that branch of the Bailey family, three of whom have died within a year, viz: Mrs. Ruth Barclay, Mrs. Geo. Gates, and Nathan Bailey.

Barclay Bro's are putting in a camp in Muley Run, and are going to peel in that and Rattlesnake Run, and expect to finish up their standing timber on this stream this season. Probably next spring will be the last driving on this stream. And it is about time, for the water is getting too bad for even log-floaters to work in.

ANOTHER FREE DISTRIBUTION.

L. Taggart Received More Samples of Mi-o-na. The advertisement of the distribution of samples of Mi-o-na, the great dyspepsia cure, published in the Press of last month was so successful that the supply was soon exhausted and many people were disappointed. In order to fulfill their offer the proprietors of Mi-o-na have sent several hundred more samples to L. Taggart and any one by cutting out the following coupon and presenting it at his store, can obtain without charge a two day's treatment of this great dyspepsia remedy.

COUPON.
This coupon, if presented at my store, entitles the holder to a two day's treatment of Mi-o-na, the great dyspepsia cure.
L. TAGGART.

This distribution of samples shows more conclusively than anything else possibly could the great merit of this remedy. If Mi-o-na did not do all that is claimed for it the distribution of samples would be the most foolish way the proprietors could take to advertise it. Many people prefer to buy a 50 cent box instead of trying a sample, as L. Taggart agrees to refund the money if the remedy does not give perfect satisfaction, so that the purchaser runs no risk whatever.

Go early to-day to L. Taggart's store with your coupon, for while the supply of samples is large yet the many calls will soon exhaust it.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.
Is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year. For sale by L. Taggart.

We prepare ourselves for eternity by doing our day's work while it is day.

Chamberlain's Pain Balm is an antiseptic liniment, and when applied to cuts, bruises and burns, causes them to heal without maturation and much more quickly than by the usual treatment. For sale by L. Taggart.
