CURES CATARRH.

"Hyomei the Most Wonderful Cure for Catarrh Ever Discovered." Says Mayor Yard.

Do not try to cure catarrh by taking drugs into the stomach; it cannot be cured in that manner. The only way in which this too common disease can be cured is through a direct application that will kill the bacilli of catarrh and prevent their growth.

Hyomei is the only known method of treatment that accomplishes this. It is the simplest, most pleasant, and the only absolute cure for catarrh that has ever been discovered.

Thousands of unisolated testimonials have been received from the most prominent men and women in the country who have been cured by this remarkable remedy. Ministers, bankers, lawyers, even eminent physicians have sent strong testimonials as to the remarkable powers of Hyomei to cure catarrh.

Former Mayor Emory M. Yard, of Trenton, N. J., writes: "You have my permission to say that I believe 'Hyomei' to be one of the most wonderful cures for catarrh and throat trouble that has ever been discovered. In my case the effect has been marvelous. I enclose you money order for two outfits for friends of mine to whom I have recommended 'Hyomei' and who I am anxious shall have the benefit of this remarkable panacea."

The complete Hyomei outfit costs but \$1.00, consisting of an inhaler, dropper and sufficient Hyomei to last some weeks. This will effect a cure in ordinary cases, but for chronic and deep-seated cases of catarrh, longer use is necessary, and then extra bottles of Hyomei can be obtained for 50c. It is not alone the best (it might be called the only) method of curing catarrh, but it is the most economical.

L. Taggart had so much confidence in the power of Hyomei to cure catarrh, that he will for a limited time, sell this medicine under his personal guarantee to refund the money if the purchasers say it did not help them. 18-2c.

Worst of all Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by L. Taggart, Druggist.

The best some people can do is to express second hand opinions.
