\$25 to Colorado and Back.

It has been estimated that between 8,000,000 and 10,000,000 persons in the United States take a vacation every summer. They spend between \$400,000,000, and \$500,000,000 yearly in pursuit of pleasure. This is a great deal of money to spend during a vacation, but this season the expenditure per capita may be some what less on account of the low railroad rates offered by the Chicago, Milwaukee & St. Paul Railway.

From July 1 to 10 this line will sell tickets to Colorado and return from Chicago for \$25. This will enable many to enjoy their summer's outing at slight expense. Colorado resorts are cooler than the seashore.

Through train service, Chicago, to Denver, every day via the Chicago, Milwaukee & St. Paul and the Union Pacific line.
