WASHINGTON LETTER.

(From our Regular Correspondent.)
 Washington, June 29, 1903.
 Editor Press:—
 Postmaster General Payne has no intention of resigning from the Cabinet in the immediate future. This statement was made to your correspondent by the Postmaster General himself when his attention was called to the fact that numerous reports had been sent out from Washington to the effect, that, owing to his poor health, the criticism of the public press, etc., he would offer his resignation almost immediately. It is learned moreover, that in making plans for the coming summer, which was done at the last Cabinet meeting before the President left for Oyster Bay, the presence of Mr. Payne in Washington for at least a month more and his permanent retention of his present place was counted on. Senator Hanna, who spent Friday in Washington, said before leaving that there was no truth in the statement telegraphed from Cleveland that he had had come to Washington to confer with the President regarding Mr. Payne's probable resignation and that in so far as he knew Mr. Payne had no such intention.
 Senator Hanna said that his chief purpose in coming to Washington was to confer with Secretary Shaw with regard to the new postoffice building at Cleveland. Asked if he discussed with Mr. Roosevelt the chairmanship of the Republican national committee, Mr. Hanna said that he had no knowledge of his own intention to resign that position, which is taken to mean that Mr. Hanna has agreed to retain that arduous position. Senator Hanna lunched at the White House the day he was in Washington, other guests present being Sir Thomas Lipton and Mr. Geo. W. Perkins, the partner of J. Pierpont Morgan. After luncheon Messrs. Hanna and Perkins had a long conference with the President regarding the proposed financial legislation which is being considered by Senator Aldrich's sub-committee. It is understood that Mr. Perkins presented to the two statesmen the Wall Street view of remedies which should be applied to the financial system. It was through influence of Mr. Perkins that the disclosures of irregularities in the Post office Department, which were being made in a Washington newspaper last December, were hushed up, his presence at the White House gave rise to all kinds of speculation.
 Republicans in Washington are greatly delighted at what they regard as an exhibition of exceptionally able leadership on the part of Senator Spooner who, on his recent visit to Wisconsin, obtained from Representative Babcock a pledge not to enter the lists in the Sena-

torial contest next winter and who successfully launched the "get together" movement in the state. Mr. Babcock's withdrawal from the Senatorial race ensures the reelection of Sen. Quarles and makes for party harmony. Whatever may be Governor LaFollette's position in his own state, Washington republicans have been led to believe that he is a disturbing element and that success in the party depends on his elimination as a factor in the politics of the state. Governor LaFollette on the other hand is reported to be intent on the defeat of Postmaster General Payne in the contest for membership on the national committee and is reported to be bending every energy in that direction.

At this time, when men are sacrificing almost every other consideration for the attainment of riches, it is a relief to hear the voice of so able and active man of affairs as ex-Secretary of the Navy Long raised to declare his contentment with moderate surroundings. Before a commercial club near his home in Massachusetts, a few nights ago, Mr. Long said: "I am glad I'm not a rich man. I'd not exchange my freedom, home life and content of life for the wealth of a Morgan or a Carnegie." In speaking of socialism, Mr. Long said there had been respect for the rights of property in the past and there always would be. "Our mothers and grandmothers worked like slaves," he continued, "but the life of the people of to-day is rendered much easier by the accumulation of wealth. We are living in an age of socialism, as I understand socialism. I fear no theories, no fanatic, no millionaire, but I do believe in and trust in the judgment of the good, everyday people of this country to work out these problems. Wealth is all right, but it is not to be considered for a moment with a clear mind, good health and a clear conscience. The advances that are being made will all work for the benefit of mankind."

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however when properly treated. All that is necessary is to give Chamberlain's Colic, and Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by L. Taggart.

Think twice before you speak and then talk to yourself.

Slight injuries often disable a man and cause several days' loss of time and when blood poison develops, sometimes result in the loss of a hand or limb. Chamberlain's Pain Balm is an antiseptic liniment. When applied to cuts, bruises and burns it causes them to heal quickly and without maturation, and prevents any danger of blood poison. For sale by L. Taggart.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, LaGrippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at L. Taggart's drug store.

The Eureka Mfg. Co., of East St. Louis, Ill., want a man with rig to introduce Poultry Mixture in this county. They guarantee \$50 a day to a good worker and they furnish bank reference of their reliability. Send stamp for particulars. Eureka Mfg. Co., Box 99, East St. Louis, Ill.

CURES CATARRH.

"Hyomei the Most Wonderful Cure for Catarrh Ever Discovered." Says Mayor Yard.
 Do not try to cure catarrh by taking drugs into the stomach; it cannot be cured in that manner. The only way in which this too common disease can be cured is through a direct application that will kill the bacilli of catarrh and prevent their growth.
 Hyomei is the only known method of treatment that accomplishes this. It is the simplest, most pleasant, and the only absolute cure for catarrh that has ever been discovered.
 Thousands of unsolicited testimonials have been received from the most prominent men and women in the country who have been cured by this remarkable remedy. Ministers, bankers, lawyers, even eminent physicians have sent strong testimonials as to the remarkable powers of Hyomei to cure catarrh.

Former Mayor Emory M. Yard, of Trenton, N. J., writes: "You have my permission to say that I believe 'Hyomei' to be one of the most wonderful cures for catarrh and throat trouble that has ever been discovered. In my case the effect has been marvelous. I enclose you money order for two outfits for friends of mine to whom I have recommended 'Hyomei' and who I am anxious shall have the benefit of this remarkable panacea."
 The complete Hyomei outfit costs but \$1.00, consisting of an inhaler, dropper and sufficient Hyomei to last some weeks. This will effect a cure in ordinary cases, but for chronic and deep-seated cases of catarrh, longer use is necessary, and then extra bottles of Hyomei can be obtained for 50c. It is not alone the best (it might be called the only) method of curing catarrh, but it is the most economical.
 L. Taggart had so much confidence in the power of Hyomei to cure catarrh, that he will for a limited time, sell this medicine under his personal guarantee to refund the money if the purchasers say it did not help them. 18-2t.

Very Remarkable Cure of Diarrhoea.
 "About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with the testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by L. Taggart, Emporium, Pa.; John E. Smith, Sterling Run, Pa.
