## THE CHAMPION MIXED PAINT

Sold by **L. TAGGART** has no superior.

Fourteen years ago I painted my house with these paints and am now, for the first time since, repainting it. H. L. Smith, the painter, says he never knew of a house in better condition for painting after having stood so long.

A gentleman, whose name I will not mention, living in our town, painted his house thirteen years ago, with these paints and he has engaged some painters to repaint, saying that he would have no other.

Dr. Heilman will also testify as to the merits of these paints. County jail painted four years ago. John Lind's two houses painted two years ago and many others, all speak for the virtue and staying qualities of these paints, and is better evidence than any man's word. Look at them; then buy the Champion paints and paint your house and be happy.

Also paper your house with the elegant wall paper at Taggart's and be doubly happy.

### Secured a Fine Contract.

Contractors H. A. Button and W. C. Oswald have been employed to erect a handsome new Presbyterian church at Emporium. The first-class work these gentlemen did on the new Presbyterian church here insures the Emporium Presbyterians a job they will be proud of. They are certainly artists in their line and never fail to give perfect satisfaction. They not only know how to do work right but they do it right. Mr. Oswald, who has been at the Crittenden Hotel for several months, left for Emporium last night.—Coudersport Journal.

### Kandy Kitchen Club's Trip to Austin.

On Wednesday morning, July 1st our girls met promptly at six for their ride to Austin, not a tardy one among them each as tastefully arranged and hair as prettily curled as though it was a party in the evening instead of an hour of the morning, when age as well as youth likes to be sleeping. A carry all with four horses attached, a plentiful lunch in case they grew hungry by the way, and they were off to the singing of the birds, and the early morning sun shining mildly and with a pleased smile upon as wholesome, happy and lovely a lot of girls, as even he, who shines on all races, rarely sees. With a youth that comes but once in a life time, bubbling over with care-free happiness, making mirthful comments on the commonest events of the way, and with kindly regard for their horses, letting them walk up the hills and rest on the tops, while they filled their own lungs with the pure mountain air and viewed a scenery, which may not equal the grandeur of the Rockies, but for loveliness of wooded hill and valley is surpassed by but few sections of our country. On again with a cheerful greeting to the passing traveler and a call to the farmer in his field, who waved his hat in response and turned again to his work with a lighter heart; snatches of song that caused the robin to stop and listen to a music sweeter than his own. Down the mountain into Austin, where a good dinner awaited them; a pleasant visit with some friends and with the decline of the day, the start for home, slower and quieter, but with a deeper sense of the beauties of nature and the brotherhood of mankind, stopping to eat their lunch at a mountain spring and to divide it with two passing teamsters, recognizing the great principle that true hospitality knows no class. Arriving home in the evening, weary but with full hearts, having learned one of the great lessons, that a wise Creator has made so plain—being happy makes others happy. The glorious morning after the dark night, when the robin fulfills his destiny with his early morning song, waking other birds up to vie with each other in singing praises, thereby making all the world brighter.

May each member of the Candy Kitchen Club be blessed with a long life, each successive age of it as complete in its happiness as her present is and fulfill their destinies by making the lives of those with whom they come in contact, better and happier as does the robin who has only his song.

### Notice.

Any person wishing to make a trip to Niagara Falls with a view to making an investment, in that city, which is one of the most rapidly growing cities in the United States, will please call at my office in a part of the Murry & Coppersmith store, where I will make arrangements to go at once and will pay all expenses, provided you purchase. This opportunity will be confined to a limited number. A trip with a person thoroughly acquainted with the industrial developments of such a city is well worth your time.

Yours,

C. A. LEWIS,

### Happy Wedding.

Miss Daisy Dougherty and Mr. Chas. E. Shaffer, of Sinnamahoning, were united in marriage at the residence of the bride's parents, July 2d—J. Vine Hanscom performing the ceremony in his usual ironclad style.

### Monster Snake.

Last Tuesday, week, Raymond Ostrum killed a monster rattler on Four Mile, measuring for feet and eleven inches and sporting eleven rattles, Ray says he has despatched many before but this one takes the prize.

### Lightning Kills a Bucktail Warrior.

Alexander Shimer, of Holidaysburg, while working in a wheat field last Saturday was struck by lightning and instantly killed.

Shimer was 64 years old and a non-commissioned officer of the regiment of Pennsylvania soldiers known in the Civil War as the "Bucktails."

### Vaccination of Pupils.

All pupils in the public schools are required by law to be vaccinated. Notice is hereby given to parents that no pupil will be admitted to the schools in September who has not been successfully vaccinated. The matter should receive attention at once. By authority of the school board.

E. S. LING, Principal.

### Having Maniac.

Isaac Hasom a woodsman cook, was brought to Emporium yesterday from Sinnamahoning and lodged in jail for safe keeping. He has been on a protracted spree and, combined with disease, is "batty." Constable Berfield assisted by Sheriff Hemphill and Ex-Sheriff Mundy, were compelled to place ropes around him and put the prisoner in a dray to convey him to Port Hemphill.

### This Beats Them All.

Much has been said about large trout in different sections of the country, but Cameron county takes the belt. A few days ago a brown trout was secured at Moon's dam that measured 26 1/2 inches in length and seven inches across the body. The big fish was taken to Mr. Moon's and measured by John F. Lewis, who confirms the story to the Press. Next.

### School Board Meeting.

The School Board met last week and placed the teachers for the ensuing term in the East Ward building. Miss Cora Barker was promoted to principal of the East Ward schools and will have charge of the Junior grammar room, Miss Mary Robinson A Intermediate and Miss Laura McQuay B Intermediate. The Board are also making extensive repairs on the building.

### House Full.

Misses Alicia and Nellie Swain are entertaining a large party of friends at their pleasant home at Forest House, composed of the following guests: Misses Susie Duke and Jeanne Staples, Jersey Shore; Misses Irene and Frances Allen, Port Allegany; Miss Irene Mahoney, Buffalo; Miss Mabel Smart, Forest House and Verena and Ida Hertig, Emporium. The young ladies report many engagements for this week.

### Petty Burglaries at Sinnamahoning.

Our neighboring county town, Sinnamahoning, has been enduring a number of petty burglaries for months, evidently the work of home talent. Mr. Blodgett's store near the railroad suffers the most, his place of business having been entered three times since last April and \$200 worth of goods and \$50 in cash stolen. Last Friday night Frank Wolf's meat market was entered and a quantity of meat stolen. Last Saturday night John H. Fry's shoe shop was broken into, the second time within two weeks, and a quantity of shoes taken. His loss is now \$50. It seems to be time for something to be done. Where is Constable Logue?

### Eye Specialist.

Prof. W. H. Budine, the well known Eye Specialist, of Binghamton, N. Y., will be at R. H. Hirsch's jewelry store, Emporium, Pa., July 17th and 18th. If you can't see well or have headache don't fail to call and see Prof. Budine, as he guarantees to cure all such cases. Lenses ground and fitted in old frames. Eyes tested and examined free. All work guaranteed.

### For Sale.

One second hand McCormick mowing machine in good repair. Inquire of Mrs. DAN'L BARR, 21-3L, Shippen, Pa.

### Sad Affliction.

Mr. and Mrs. Joseph Fauver, of Cameron, met with a terrible affliction on Wednesday, July 1st. Their little son Harry Melvin, aged six years, was watching some fishermen at Barrows' dam, when one of the men landed a fish on the apron of the dam. The little lad jumped onto the apron to catch the fish when he slipped off into the water and drowned before their eyes. The accident happened about seven o'clock in the evening and the body was not recovered until mid-night. The terrible shock to the bereaved parents was severe. The family had recently moved to Cameron from Colgrove. The remains of the loved one were taken to Colgrove for interment, Rev. Rule, of Portville, conducting the funeral services.

### A Jolly Party.

One of the jolliest parties ever to sit around the pic-nic spread visited Waddy Run last Friday and passed a pleasant time. The pic-nicers were composed of the following: E. C. Davey and wife; Mrs. Wm. Edwards; Mrs. Grey, Cleveland; Mr. and Mrs. Hershey, Binghamton; Mr. and Mrs. E. D. Sizer; Mr. and Mrs. Jos. Narr, Mr. and Mrs. Henry Lyon; Mr. and Mrs. W. L. Thomas. All voted the day one of the most pleasant and everybody had all they could eat, except Mrs. Hershey who failed on pie—Ex-County Treasurer W. L. Thomas having devoured the last three, left for three o'clock lunch.

### Dr. Lamb Returns Home.

Mr. and Mrs. D. H. Lamb returned to Galeton Monday after just one month's absence at Dr. Mann's Hospital at Buffalo. Dr. J. G. Steele went to Buffalo and accompanied them home, and Mr. Lamb stood the journey remarkably well, considering his weakened condition. He expresses himself as being delighted to be at home once more, and it is with extreme pleasure that his many friends note his marked improvement since his return.—Galeton Dispatch.

### Continues to Improve.

The many friends of Jno. J. Hinkle will be pleased to learn that John continues to improve. He hopes to be able to walk down town within a few days. He is full of hope and that's half the battle. Since the above was placed in type Mr. Hinkle felt well enough to walk down town this morning and called on some of his friends, the Press editor being one of the fortunate ones remembered.

### Camp Visitors.

Mrs. Geo. Guinn and sister, Miss Smith, of Williamsport, Mrs. Fred Julian and guests—Miss Gussie Vosshage and Miss Coleman—paid a visit to Howard & Co., lumber camp last Wednesday, leaving on the 6 o'clock a. m., flyer, over the Emporium & Rich Valley R. R. They greatly enjoyed the day amid the virgin timber of Cameron county.

### Fine Spread.

The Masonic banquet served by mine host Wm. McDonald, of Novelty Restaurant, Tuesday evening was simply elegant and complimented by all present. William understands catering to the trade, especially big eaters like "Billy" Lloyd and A. C. Blum. We used to be quite good ourselves in days of yore, but have surrendered the belt to them.

### New District Attorney.

District Attorney McNarney has resigned, for a brief time only, in favor of a stalwart young man, who took possession of his residence last Saturday and intends remaining permanently. He is of the regulation weight.

### Foot Smashed.

Geo. Moore, while working on a bridge near Driftwood, smashed his left foot, a piece of timber falling on it. Dr. Bardwell is caring for him.

### Bread and Pie Sale.

The ladies of the First Methodist Episcopal church will hold a bread, cake and pie sale in the Larabee store room, opposite Dodson's drug store, next Saturday July 18th, beginning at 9 o'clock and continuing through the day. Public patronage respectfully solicited.

### Robbing the Dead.

The Press is in possession of reliable information that will cause the arrest of two young girls who have for some time been in the habit of stealing flowers from the graves in Newton Cemetery. If this complaint is again made we shall publish the names of the flower thieves—robbers of the dead. We are also informed that a certain man has been known very lately to steal flowers from the cemetery, take them to Buffalo and dispose of them for money. Our citizens are justly indignant and, if we do not mistake the disposition of our citizens, there will be a little scene in court of justice ere many days.

### Powder Men Burned.

Geo. W. Van Wert, of West Fourth street, foreman for Keystone powder company was very seriously burned with nitric acid, last Thursday, the dangerous stuff getting into his face and upon his hands and body. It was a miracle his sight was not destroyed. While suffering considerable, Geo. would not be good and stay at home, but bundled up and every day appears at the works looking after his work.

Thos. Quinn and Will Sprung other employees were also unfortunate enough to get seriously burned last Tuesday, week, while unloading acid. The former gentleman was more seriously burned than his partner and carried one arm in a sling for some days. Dangerous stuff to handle, that.

The wind storm last Monday made things quite lively for a time, uprooting trees, etc. We do not hear of any serious damage, except the blowing down of one of Dr. Bardwell's handsome shade trees.

The Cross Fork News of the 12th inst., reviewing the smallpox situation in Stewardson township, Potter county, and Leidy township, Clinton county, stated that on June 7 the total number of smallpox cases in those townships was 63 and by June 11th the number had been reduced to 54. On May 25th 85 cases were reported for the two townships, which include much of the country immediately surrounding Cross Fork.

### Notice.

The Mayor of Philadelphia, acting as Chairman of the Citizens Permanent Relief Committee of Philadelphia, has sent to the Burgess of Emporium, an appeal for aid on account of the great devastation and distress caused by the terrible floods in the West. The loss of property, crops etc., has been enormous, and the need of aid for the immediate suffering among the people in the flood district is very pressing.

Thinking that this aid should come from the people at large rather than out of the Borough funds, arrangements have been made to take up a special collection in all churches next Sunday evening. All persons are requested to take or send their offering to their respective churches on that evening, for this most worthy cause.

Respectfully,

JOSHIAH HOWARD, Burgess.  
Emporium, Pa., July 15, 1903.

### The Pope Rapidly Failing.

ROME, July 16,—(3:30 a. m.) Up until mid-night there was no change in the Pope's condition. The beginning of the second part of the night was somewhat restless and Drs. tried to assist the patient with stimulants and nourishment.

### Especially Reduced.

While we do not, as a rule, advertise cut-price sales, we have decided to make an exception at this time and offer our entire line of hats and trimmings at a discount of 50 per cent. to close out the season's styles to make room for early fall goods. Some extra bargains in wash silks, former price 55c per yard, now going at 40c. A general reduction in all white goods. These goods are all new and up-to-date. First come gets the cream.

LUDLAM'S.

### Two doors east of Bank.

Beautiful Sea Shells Free. Since coming South I have received numerous inquiries for sea shells, and now please say to your readers that I have been living on the seashore, and have made a fine collection of lovely shells from our own shore, the coral reefs and the West India Islands, and that I will send a dozen different kinds, no two alike, and a dozen scarlet sea peas to any one who sends a stamp to pay the postage. Any one is welcome to send, as I have plenty for all.
