As a French Editor Sees Us. We have received a copy of Le Petit Dauphinois of July 19th, published in Grenoble, France. In a leading article, the drift of which is to show that we may expect an occasional recrudescence of the primitive animal ferocity in human nature ere it finally disappears before advancing civilization, the editor gives us his version of American doings in the Philippines. He must have been reading some back numbers of the Emporium Independent.

"The American who introduced himself into the Philippines for the purpose of driving out the ferocious and bigoted Spaniard, the exploiter and oppressor, merely substituted himself in place of the Spaniard, and retained in subjection a spirited race whose struggle has proved that it is worthy of political freedom and national independence. And since the Filipinos are unwilling to come into subjection to their pretended liberators, the pack of adventurers who constitute the American volunteers, have treated the Filipinos in such a manner as to make them sigh even for Spanish tyranny itself."

Speaking of the remonstrance to the Czar on behalf of the Jews of Kishineff, the same writer says: "The Russian government has been able to reply to President Roosevelt that his own government is not absolutely innocent of the lynchings of the blacks under the star-spangled banner, nor of the re-establishment of slavery in the State of Georgia with the complicity of the magistrates and police."

Potent Pill Pleasure.
The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot of Albany, Ga., says "During a bilious attack I took one. Small as it was it did me more good than calome, blue-mass or any other pills I ever took and at the same time it effected me pleasantly Little Early Risers are certainly an ideal pill." Sold by R. C. Dodson.

That some people don't even get badly hurt in falling from grace.

Eat All You Want.
Persons troubled with indigestion or Dyspepsia can eat all they want if they will take Kodol Dyspepsia Cure. This remedy prepares the stomach for the reception, retention, digestion and assimilation of all of the wholesome food that may be eaten, and enables the digestive organs to transform the same into the kind of blood that gives health and strength. Sold by R. C. Dodson.

That the grass widow seldom has occasion to turn green with envy.

DeWitt is the Name.
When you go to buy Witch Hazel Salve look for the name DeWitt on every box. The unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve; due to its many cures, has caused many worthless counterfeits to be placed on the market. The genuine bears the name of E. C. DeWitt & Co., Chicago. Sold by R. C. Dodson.

That some people are always late and others too previous.

Save the Children.
Ninety-nine of every one hundred diseases that children have are due to disorders of the stomach and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central St., Nashville, Tenn., says: "My little boy is now three years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers. "Kodol digests what you eat and makes the stomach sweet." Sold by R. C. Dodson.
