Thomas Mackey, a farmer living near Franklin, Pa., wants a house-keeper. He says he does not want to pay one regular wages but he will marry any woman who suits him and will keep house for him and that she can make plenty of pin money by raising chickens and at the same time have a good time.

Don't advertise; it is a bad plan. It will call attention to your business and it is much better for people to hunt you up. It gives your customers exercise and makes them healthy. Besides, if you advertise, somebody will buy up all your goods and then you will have to buy more and that will be a great bore to you.—Ex.

What is the United States coming to? A newspaper in Rutland, Vermont, recites the fact that within five weeks there have been five cases of felonious assault on little girls and unwisely adds, "A lynching or two in this state would not only be no disgrace but would be the removal of disgrace." Why is it that people will insist on committing a crime to assuage crime? It only proves that the same murderous desire possesses the heart of the avenger as that of the assassin only in a different way of manoeuvring. If our influential citizens would make as determined a stand for the enforcement of the law as the lynchers do to carry out their unlawful designs, no doubt crime would be greatly lessened.

Ten Thousand Churches
In the United States have used the Longman & Martinez Pure Paints.

Every Church will be given a liberal quantity whenever they paint.

Don't pay \$1.50 a gallon for Linseed oil (worth 60 cents) which you do when you buy thin paint in a can with a paint label on it.

8 & 6 make 14, therefore when you want fourteen gallons of paint, buy only eight gallons of L. & M., and mix six gallons of pure linseed oil with it.

You need only four gallons of L. & M. Paint, and three gallons of Oil mixed therewith to paint a good sized house.

Houses painted with these paints never grow shabby, even after 18 years.

These celebrated paints are sold by Harry S. Lloyd, Emporium, Pa. 26-2m.

Subscribe for the PRESS; only \$1.50 a year in advance.
