## WASHINGTON LETTER.

(From our Regular Correspondent.)

Washington, Sept. 28, 1903.

Editor Press:—

An extremely difficult problem confronts the President, who returned to the White House to-day, and who will immediately take up the case of William Miller and the whole question of reforms in the Government Printing Office. No official statement has been made thus far, but the situation may be summarized as follows, with reasonable accuracy. The discharge of Miller, followed by his reinstatement by the President has, already been told in these letters. Out of that incident grew the investigation recently completed. Miller sent a long letter to the President in which he made various charges as to the domination of the Printing Office by the unions, the extravagant methods employed, etc. These charges caused the President to ask Secretary Cortelyou to investigate the entire Printing Office and Mr. Cortelyou assigned the task to Commissioner General of Immigration Sargent, and Chief of Corporations Garfield. Their report, which is now in the hands of the President, substantiates many of Miller's charges and points the way to reforms which promise to save the government thousands of dollars a year. Meanwhile, the Bookbinders' Union has secured the past record of Miller and has filed many charges against his private life. Sargent and Garfield also found that Miller was of a quarrelsome disposition, dictatorial and arbitrary, and a man who, in the position of foreman, caused friction and dissatisfaction. In a word, he is a man ill fitted to manage men, quite irrespective of the union factor in the situation. There is little doubt that, under ordinary circumstances, Miller would be promptly discharged. On the other hand, there are likely to ensue extensive and radical reforms as a result of Miller's having brought the matter to the attention of the President, and his interest in his work and in economical administration will secure for him more than ordinary consideration by the President. Again, the charges preferred by union are so serious that it will be almost impossible for the President to ignore them. In fact it is generally believed that they will compel the President to discharge Miller for the good of the public service, but from whatever standpoint he looks at it Mr. Roosevelt is bound to find the situation perplexing.

Senator Foraker and Representative Dick of Ohio have been in Washington during a part of the past week and brought news of the Ohio campaign. They say that Senator Hanna, notwithstanding his indisposition, will speak in fourteen towns during the last ten days of the campaign, which, it must be admitted, is a pretty strenuous undertaking. There is not the slightest doubt in the mind of either Senator Foraker or Representative Dick as to the final outcome of the campaign. In fact, they place the majority for Hanna in the next legislature at from 30 to 40 votes on joint ballot. As to the challenge of John H. Clarke, issued by Senator Hanna to meet him in joint debate Representative Dick said that he had not received the challenge before leaving Ohio and that he could not discuss it until he had done so. Senator Foraker said frankly that, were he in Senator Hanna's place he would decline it and it may be pretty confidently predicted that will be Mr. Hanna's course.

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one third the time required by the usual treatment. It is for sale by L. Taggart.

## Gained Forty Pounds In Thirty Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets—Holley Bros. Merchants, Long Branch, Mo. For sale by L. Taggart.

Before marriage young lovers tell each other all their secrets in order to live in harmony; after marriage they both keep mum for the same reason.

## Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by L. Taggart.

It requires considerable nerve for a man to ask the blessing at dinner and then scrap with his wife for the way the meat is cooked.

## The Salve That Heals.

Without leaving a scar is DeWitt's. The name Witch Hazel is applied to many salves, but DeWitt's Witch Hazel Salve is the only Witch Hazel Salve made that contains the pure unadulterated witch hazel. If any other Witch Hazel Salve it is a counterfeit. E. C. DeWitt invented Witch Hazel Salve and DeWitt's Witch Hazel Salve is the best salve in the world for cuts, burns, bruises, tetter, or blind, bleeding, itching and protruding piles. Sold by R. C. Dodson.

Many a man will spend five dollars for cigars and booze and then square himself with his wife on a little ten cent box of ice cream.

## Many Mothers of a Like Opinion.

Mrs. Filmer of Cordova, Iowa, says: "One of my children was subject to croup of a severe type, and the giving of Chamberlain's Cough Remedy promptly, always brought relief. Many mothers in this neighborhood think the same as I do about this remedy and want no other kind for their children." For sale by Jno. E. Smith, Sterling Run, Pa.

## A Perfect Painless Pill.

Is the one that will cleanse the system, set the liver to action, remove the bile, clear the constipation, cure headache and leave a good taste in the mouth. ## DO NOT DOSE THE STOMACH.

Cure Catarrh by Nature's own Method—Every Breath of Hyomei Brings Relief

Nearly every one who has catarrh knows how foolish it is to try and cure it by drugging the stomach. Temporary relief may be given, but a cure seldom comes.

Until recently your physician would have said the only way to cure catarrh would be to have a change of climate; but now with Hyomei you can carry a health giving climate in your vest pocket and by breathing it a few minutes four times a day soon cure yourself.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime, and if one bottle does not cure; an extra bottle can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.

L. Taggart had sold a great many Hyomei outfits and the more he sells, the more convinced he is that he is perfectly safe in guaranteeing to refund the money if Hyomei does not cure.

The man who orders spring lamb must some time expect to have the wool pulled over his eyes.
