How The Editor Got Even.

A business man in an Oklahoma town got mad at the editor of a local paper about something which appeared in the paper, and notified the editor that he would in future have his printing done at a job office where they didn't have a paper to roast everybody.

In about two months the man's daughter was married and they had a big blow out, but not a line appeared in the paper. Later on his wife gave a big reception to some visitors, but not a line appeared in the paper.

Later on the man's youngest child died, but not a line appeared in the paper. The next fall a mass meeting was held in town to see about some public improvements and this business man made a big speech.

Millionaires' Poor Stomach.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs.

A Threat That Was Heeded.

In 1896 the Prussian government demanded an indemnity of \$25,000,000 from the city of Frankfurt. The head of the house of Rothschild there sent word to Bismarck that if an attempt were made to enforce the levy the Rothschilds would break every bank in Berlin.

Slippery Elm Poulitice.

Take a sufficient quantity of pulverized slippery elm bark, stir it in hot or warm milk or water to the consistency of a poulitice. This is a most efficacious poulitice, is of almost universal application and removes inflammation sooner than any other.

Anxious to Hear It.

Mr. Sampson (tremulously)—Miss Lydia, I want to tell you—er—the old, old story— Then his agitation got the better of him, and he paused.

Low Church—and Salary.

"It must be understood," said the vestryman, who was extremely "low church," to the new rector, "that the rector here shall have no surplus!" "Gracious!" exclaimed the Rev. Mr. Newcome. "How could one have a surplus on the salary you offer?"—Philadelphia Press.

Warning.

All persons are hereby forbidden from trespassing upon the property of this Company without a permit from this office or the Superintendent at the works.

KEYSTONE POWDER MFG. CO. Emporium, Pa., August 1st, 1903. 24-17.

New Guinea Justice. A comical vindication of the rights of property among the savages of New Guinea was witnessed by a missionary, the Rev. James Chalmers. Service was just beginning in the little church when a native boy came in dressed with what he considered great magnificence, in a shirt. As the savages were accustomed to go nearly naked, this garment made the boy very conspicuous.

The shirt had once belonged to some white man, and the importance it gave the present wearer was tremendous. But when his glory was at its height a bigger boy appeared, hot with rage and carrying a jacket. He fell upon the first lad and began stripping off the shirt. The rest of the congregation, understanding at once that the rightful owner had arrived, gave him not only sympathy, but practical aid.

Her Last Breath.

I heard a story the other day which is probably as old as the hills, though I never had the luck to hear it before. It was of a somewhat lengthy railway journey in very warm weather. An elderly lady, seated in one corner of the carriage, was provided with an india rubber cushion for her greater comfort, but unfortunately, owing to the heat and continued pressure, the cushion suddenly exploded.

For sick headache try Chamberlain's Stomach and Liver Tablets; they will ward off the attack if taken in time. For sale by L. Taggart.

A Remarkable Case. One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by R. C. Dodson.

The man who can look back to an old drunk without regret, can look ahead to a new drunk without shame. Cured of Piles After 40 Years. Mr. C. Hancy, of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, ulcerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by R. C. Dodson.

If a city man owns a garden 12 feet square what he doesn't know about farming isn't worth knowing. Chamberlain's Cough Remedy is Pleasant to Take. The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Roderick, of Poolesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several months and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by L. Taggart.

The Best Liniment. Chamberlain's Pain Balm is considered the best liniment on the market," writes Post & Bliss of Georgia, Vt. No other liniment will heal a cut or bruise so promptly. No other affords such quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you never wish to be without it. Sold by Jno. E. Smith, Sterling Run.

Simply Breathe It. A Few Minutes Use of Hyomei Four Times a Day Cures Catarrh. The pleasantest, most convenient and the only scientific method for the treatment and cure of catarrh is Hyomei. Simply put twenty drops of Hyomei in the inhaler that comes with every package and breathe it for a few minutes four times a day. It seems remarkable that so simple a way of treating catarrh will effect a cure, but the most important discoveries of science have always been the simplest. By breathing Hyomei in this way every particle of air that enters the air passages of the throat and head and goes into the lungs is charged with a healing balsam that kills the germs and bacilli of catarrh and soothes and allays all irritation. The first day's use of Hyomei will show a decided improvement and in a short time there will be no further trouble from catarrh. Its action is rapid and lasting. You take no risk in buying Hyomei. A complete outfit costs but \$1.00, and if after using you can say that it has not helped you L. Taggart will return your money. What other treatment for catarrh is sold under a guarantee like this?
