Remedy. ASHBURNHAM, Ont, April 18, 1903 I think it is only right that I should tell you what a wonderful effect Chamberain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough, The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappear-ed and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without olicitation, being thankful to have found

ORIGIN OF XMAS GREENS.

They Were Used at Christmastide

Five Centuries Ago.

The use of evergreens at Christmas time is older than the Christmas tree, the Christians seeming to have copied it from their pagan ancestors. In a very old book we find this reference to the use of evergreens at Christmas time: "Against the feast of Christmas every man's house, as also their parish churches, were decked with holme, ivie, bayes and whatsoever the season of the year afforded to be green. The conduits and standards of the streets were likewise garnished, among the which I read that in the year 1414, by tempest of thunder and lightning, to-ward the morning of Candlemas day, at the Leadenhall, in Cornhill, a standard of tree, being set up in the midst of the pavement, fast in the ground, nailed full of holme and ivie, for disport of Christmas to the people, was torn up and cast down by the malignant spirit, as was thought. stones of the pavement all about were cast in the streets and into divers houses, so that the people were sore aghast at the great tempest."—Leslie's
